Send Hunger Packing:

Weekend Meals for Hungry Kids

While we live in a thriving community, we
overlook children in this community who
qualify for free or reduced price meals. For
most of these children, the weekends bring
the prospect of empty stomachs and hunger.

The Send Hunger Packing program closes
this meal gap by providing two easy-to-
open, nutritionally balanced morning meals
and two healthy lunch/dinners for the week-
end. These meals keep children from being
hungry and allow them to return to school on
Monday well-nourished and ready to learn.

Food Donations:

Each Send Hunger Packing Package Includes:

2 cartons of low-fat milk

2 boxes of 100% juice

2 servings of cereal

2 entrées

2 nutritious snacks

Thank You for Your Support!
