The **T.E.A.M. CommUNITY** school year is in full-swing as we close out our first two full weeks! We are getting to know you and your children so that we can utilize **home-school connections** to meet the needs of all of our students. Students are handling their schedules, our expectations for them, and are experiencing all the **middle school** has to offer inside and outside of their classes. As you learned during our **Back-to-School Nights**, we are here to **partner with you**. Middle school is certainly a **journey**, but it is one made easier when **we work together!** Be sure to use our **Daily Announcements** to stay aware of all upcoming activities for students, school-based events, and more!
