The **T.E.A.M. CommUNITY** school year is in full-swing as we close out our first two months, and our first Marking Period! The year is already off to a great start due to **our combined efforts** to make CMS a place our students **enjoy learning!** We are getting to know you and your children so that we can utilize **home-school connections** to meet the needs of all of our students. **Middle school** has a lot to offer inside and outside of class, and it is certainly a **journey!** Our work is made easier when we **work together!** Be sure to use our **Daily Announcements** to stay aware of all upcoming activities for students, school-based events, and more! Below, please enjoy some snapshots from throughout our first few weeks together. **We Got This!**
