

WWPRSD HIGH SCHOOL COURSE PLANNER

Students enroll in eight courses/subjects per year (35 credits), one of which is a mandatory study hall. However, Financial Literacy may be taken out of study hall for an additional 2.5 credits once during a four year sequence. Students may also choose to take another core subject course as their “elective” though completion of graduation requirements should be the priority. Please note: Middle School courses do not count towards high school graduation requirements with the exception of Algebra I.

Please refer to the WWPRSD High School Program of Studies for more details.

Subjects/Courses	Graduation Requirement	9 th Grade	10 th Grade	11 th Grade	12 th Grade
