## 4th Grade Visiting Author

On Monday, February 24, 2020 **John Patrick Green** comes to Millstone River to speak with our 4th Grade classes. He has written several books including *Hippopotamister*, the *Kitten Construction Company* and now the *InvestiGators* series. He is also the artist and co-creator of the graphic novel series *Teen Boat!* with writer Dave Roman. John Patrick Green lives in Brooklyn.

Meet the *InvestiGators*. With their gadgets, know-how, and super-fast transportation system, Mango and Brash are the scourge of the super-villain landscape! As vest-wearing employees of the Special Undercover Investigation Teams, they solve all kinds of mysteries and frequently butt heads with their arch-nemesis: a former agent known as Crackerdile. Riddled with puns and hilarious twists, *InvestiGators* is the perfect series for Dog Man fans looking for their next great read! It's kid-friendly comics at their best.

### *Hippopotamister*

The zoo isn't what it used to be. It's run down, and Hippo hardly ever gets any visitors. So he decides to set off for the outside with his friend Red Panda. To make it in the human world, Hippo will have to become a Hippopotamister: he'll have to act like a human, get a job, and wear a hat as a disguise. He's a good employee, whether he's a construction worker, a hair stylist, or a sous chef. But what he really needs is a job where he can be himself!
