

Grover Middle School Weekly Update

School Updates

- **ATTENTION 8th GRADE STUDENTS:**
 - **A Special Note to Our 8th Grade Families Regarding End of the Year Activities:** Although we are saddened by the state's decision to keep schools closed for the remainder of the year, we would like to assure you that our teachers, administrators, and PTSAs are working to celebrate our 8th-grade classes with the honors and celebrations that they deserve. Keeping everyone's health and safety as priorities, we will celebrate our 8th graders with some traditions and new surprises. We miss our students and look forward to all of the end of the year activities we have in store. Details will be forthcoming.
 - As part of your child's transition to 9th grade, a **New Student Orientation** will be held Thursday, Sept. 3, 2020, 10 a.m. - 12 p.m. for those entering High School North or High School South for the 2020-21 school year. Please save the date. Additional orientation details will be provided as the event nears. Be well and stay safe.
 - Looking to play a **2020 fall sport** in High School? Registration opens at 8 a.m. May 11, in Genesis. Click [here](#) for more information.
- **Digital Wellness Day:** Staff and students at both CMS and GMS will participate in a Digital Wellness Day Monday, June 8. Events will take place from 9 a.m. - 1 p.m., and will replace that day's "office hours." More information will follow.
- **Canceled Trips:** As you are aware all remaining trips have been canceled for the year. Some refunds have been disbursed, while others have not. Refunds will be disbursed as soon as the venues reimburse the school for deposits and payments that have been made. Many venues are on a delay because they are either short-staffed or temporarily closed due to COVID-9. Please be patient as we are in constant communication with each venue and will process individual refunds as soon as reimbursements come in.

- **Self-Care for Teens:** Please use the following link: [Self-Care for Teens](#). There are a number of simple but valuable activities you and your family can use throughout the day.
- **Staying Connected with the GMS Staff:** Our staff members are doing everything possible to stay connected with your children during this period of online learning as it is extremely important that the lines of communication remain open between families and our school. If you would like to email any of our staff members, please remember to follow this format: first name.last name@ww-p.org. Please do not hesitate to reach out to us with any questions or concerns. Remember for general questions, you can email us at GMS@ww-p.org. You may also receive phone calls from staff members where we will utilize the feature to block our personal phone numbers. This will show up as coming from an unidentified number. If you are not able to answer, we ask that you respond to us via email so that we may schedule a time to speak with you and/or your child.
- **Google Classroom by Graduating Class:** Students are reminded, if they have not done so already, they should join the Google Classroom associated with their graduating class to ensure they are receiving important messages from their school counselor. If your son/daughter has not already joined and requires the classroom code, please have them email the school counselor.
- **WW-P Middle School June Office Hour Calendar:** The Middle School virtual “office hours” calendar may be viewed/downloaded [here](#).
- **Spam Folder:** During this period of virtual/remote learning, our teachers will be reaching out via phone and email to students and parents. Please check your spam filters to ensure that emails sent from your child(ren)’s teachers are being directed to your inbox and not your spam folder.

Please trust that if your child is missing assignments or has not resubmitted an assignment that needed revision, the teacher will reach out to you. As always if you have specific questions about your child's progress, please initiate contact. However, if you do not hear from your child's teacher, you can rest assured that all student work is submitted and meets the learning standards.

Technology

- **Broken Chromebook?:** WW-P students with Chromebooks that are damaged or in need of repair should complete this [Google form](#) (students must log in to their Google account to access the form). Once the form has been completed, students or parents may bring the broken device to the front of High School North (90 Grovers Mill Rd., Plainsboro) on Tuesdays or Thursdays from 11 a.m. - 2 p.m.
- **NEW:** The Technology Department will be at HSN from 11 a.m. - 2 p.m. every Friday. This is in addition to their Tuesday and Thursday hours. Please remember to complete the [Google form](#) prior to showing up.
