## **School**

Parents, please give a big hug and high five to our Dutch Neck students for the good work they are continuing to share with their teacher. We know the current learning environment is not what any of us wish for our children.

The teaching and support staff have researched, explored, and implemented a variety of lessons to include numerous and diverse teaching and learning strategies. The combination of hybrid and remote learning has unlocked a myriad of resources and techniques in education which have and will continue to benefit the achievement of our students. The grade level teams of teachers and support staff have worked collaboratively to prepare lessons that not only engage our students but also invite them to think deeply and ask more questions.

### **Student Supply Pick-Up:**

Thank you for a successful supply pick-up. We are confident that you will find the materials helpful in assisting your child as they engage and comprehend new concepts. If you were unable to pick-up your child's supplies, please email Mrs. Rosemarie Wiener, [rosemarie.wiener@ww-p.org](mailto:rosemarie.wiener@ww-p.org) to make arrangements to pick-up supplies.

### **Conferences:**

We hope that you enjoyed your parent-teacher conference last week. We greatly appreciate the collaboration between parents and teachers to support our students and their learning.
