School

Parents, please give a big hug and high five to our Maurice Hawk students for the good work they are continuing to share with their teacher. We know the current learning environment is not what any of us wish for our children.

The teaching and support staff have researched, explored, and implemented a variety of lessons to include numerous and diverse teaching and learning strategies. The combination of hybrid and remote learning has unlocked a myriad of resources and techniques in education which have and will continue to benefit the achievement of our students. The grade level teams of teachers and support staff have worked collaboratively to prepare lessons that not only engage our students but also invite them to think deeply and ask more questions.

Parent Conferences: A big thank you from our Maurice Hawk staff to our Maurice Hawk parents. The teachers were happy to meet you and grateful for your time. Your partnership with us is critical in creating a successful learning experience for your child/children.

Student Supply Pick-Up: If you have not had the opportunity to pick up your child's supply bag, please email our main office secretary, Jamila Shepherd, Jamila.Shepherd@ww-p.org to make arrangements to pick-up the supplies. Your child will need these supplies for learning tasks.

Fall Book Fair - Nov. 9 - 22 - We look forward to our upcoming Book Fair and will be adding a book selection for our Chinese DLI program.

Are you interested in purchasing books written in Chinese? We will be hosting our first China Sprout online book fair this year! This is also a fundraiser for our school.
