Volunteers Needed for Site-Based Council: Wicoff's Site-Based Council is looking for new members. The Site-Based Council is a group of teachers and parents/caregivers working together to discuss issues and solve problems so that each child's experience at Wicoff is a positive and enriching experience. In the past, the Site-Based Council group members selected various issues to discuss and solve, however; this year the

charge of the group will take on a different focus. The events occurring in our country have made it imperative that the Site-Based Council seeks a representative group of parents/caregivers to join with our teachers in tackling more specific issues of equity, diversity, inclusivity, and justice in our school.

Historically speaking, the Site-Based Council met approximately four times a year but, if our desires warrant more time to meet we would certainly accommodate that need. We know that your time is valuable and we want to make these meetings as beneficial as possible. ***Please note that the meetings will be virtual this school year.*** It is our hope that you will consider joining us to find a voice in your school community and to ensure that your child is exposed to an education that values equity, diversity, inclusivity, and fairness for all. If you would be interested in serving on the Site-Based Council, please send an email to first grade teacher, Miss Sharon Refsin, who is the chairperson of the Site-Based Council, and copy principal, Dr. Michael Welborn.

Email addresses:

- Sharon.Refsin@ww-p.org
- Michael.Welborn@ww-p.org

“Choose Kind” School Theme: Wicoff’s “Choose Kind” theme will continue throughout the year. Staff and students are encouraged to wear KIND shirts or Wicoff shirts on Fridays.
