**One Year Anniversary of the Pandemic:** Some of the kindergarten children have never been inside of Dutch Neck. The last time the first through third grade students were all together inside Dutch Neck was exactly one year ago (3/12/2020). It has been a year full of change, technology, challenges, and lots of family time at home. We commend all of the Dutch Neck families. It hasn't always been an easy year. We are so grateful for all the support given to our children over the past year and everyday by the Dutch Neck teachers and staff! We learned how resilient our children are. Dutch Neck families are #WWPStrong!

**Dutch Neck Garden Update** - The Dutch Neck Green Committee is working hard to get our community vegetable garden ready for spring. This year students, families and the broader community will have the opportunity to help plant and maintain the garden. Stay tuned for more info on how to get involved. [Click here](#) for a sneak peak of seeds ordered.

**Become an Active PTA Member:** Are you interested in helping our school by serving on the Dutch Neck PTA Board or as a Committee Member for the 2021 - 2022 school year? If so, be a part of the PTA Board or chair an event! It is a great way to become involved in your child's school. All the positions currently require just working from home. Depending upon how many hours you would like to volunteer there are different roles. Have a voice, exchange ideas, share your talents, contribute to improving our children's school experience - and have fun while doing it! If you are interested or need some extra information, please email [dutchnecknominating@gmail.com](mailto:dutchnecknominating@gmail.com) by March 31, 2021.
