School

Update - Learning Model Change Requests: Parents who requested a change in learning model via the WW-P District survey that was sent out March 5 and available to families until March 14 should have received an email response regarding whether their requested change was able to be accommodated by their school. Some requested changes were able to be granted with no change in teacher, some with change of teacher, and a small few were not able to be granted. In all cases, the parent/guardian who requested a change via the survey should have received a communication. To accommodate the shifts of students returning to the building, some classroom learning models may have altered to have a combination of in-person and virtual instruction.

Health and Safety: Please remember to submit the Daily Health Screening form each day for your child(ren) on the days they will be attending school in-person. Please complete the forms **by the 8:15 a.m. deadline** so it is filled out before your child

boards the bus. The Dutch Neck teachers and staff are following protocols including maintaining vigorous cleaning procedures, maintaining social safety distances, wearing masks and working hard to keep everyone safe. We appreciate your support with following CDC guidelines in order to keep all our students and staff safe.
