Dear Dutch Neck Families,

Student pictures Retake Day will be on Thursday, May 20th, during school hours for all hybrid students. Parents will need to schedule an appointment for virtual students for Thursday, May 20th, after school starting at 1:30 PM. Retake Day is for students who did not have their portrait photographed during the first session or students who would like to get their portrait retaken.

All photos will be taken in the cafeteria. Enter/Exit doors will be clearly marked. Social distancing protocols will be strictly followed. Student masks will be removed prior to their picture being taken and immediately replaced afterwards.

Below is the link to the Photo Haven student portrait ordering website. There will be NO paper orders.

Package A through D will include a class composite and digital download. All of the Build Your Own Packages (BYOP) include a digital download. Parents may order a class composite from the *Prints Tab* on the website. Class composites will not be delivered to the school until the beginning of June.

All students who choose to have their portrait retaken will need to bring back the original portrait package with a $5.00 retake fee. Students who are having their portrait taken for the first time do not need to pay the $5.00 retake fee.
