Third Grade Choral Concert: We are excited to be able to provide a performance opportunity for our elementary music chorus students this year. Our goal is to provide a meaningful concert experience for students while keeping everyone safe. To that end, our concerts will look a little different. We appreciate your support as we prepare to share these performances with you.

Our chorus concerts this winter will be recorded live during the school day and shared with you to watch at your convenience. It is our goal to have these daytime performances attended by a small audience of students so the performers can experience applause and audience appreciation. The exact logistics will be different for each school based upon the number of performers and size of the performance space. Regardless, the performance experience for students will be consistent across the district. The Wicoff students will be performing their winter choral concert Dec. 15.

If you have any questions, please reach out to your child's chorus teacher, Mrs. Rebecca Pacella. (Rebecca.Pacella@ww-p.org)

Important reminders regarding drop-off and pickup: If you are dropping off your child in the morning, please park in the church parking lot (adjacent to Wicoff School) and walk your child to the front entrance of the building. Please DO NOT drive in the bus lane in the front of the school building to drop-off your child as this interferes with our buses.

If you are picking up your child at the end of the school day, you need to send a note with your child stating this information. If this is an everyday occurrence one note explaining this will cover pickup for the school year. If this is NOT an everyday occurrence you will need to write a note each time. Please also note our Parent Pickup location has changed. Parents picking up their child(ren) at the end of the day will report to the middle door in the front of the building. We call this the third grade hallway doors or Door #13.

As always, the safety and comfort of our students is our top priority!

The K-5 report card was completed a few years ago and the Curriculum and Instruction Department recently had the opportunity to update it. These updates included work on some of the indicators, descriptions, skills and/or standards that appear on the report card to ensure it is the most modern and beneficial version for our students, staff, and caregivers. As we end the first trimester this school year, we will be able to use the newly updated K-5 report cards. Below you will find the links to the K-5 report card templates, summaries of each section found on the report card, and links to tools created to support caregivers/families.
