## SCHOOL

Dear Dutch Neck Families,

Time flies when you are having fun! It's hard to believe that one-third of the school year is over and we are now into the second trimester. Even though the time has passed, it seems like we were just greeting the students on the first day of school.

The holiday season is a special time of year because it is all about possibilities. While many of our students associate this time of year with days off from school and the chance of snow, we associate it with dreams of special times with our family and friends, along with making resolutions to possibly create a better self in the New Year.

We would like to take this opportunity to thank you for all of the support you have shown to our Dutch Neck community in many different ways. We are very fortunate to have such an involved and committed group of parents in our PTA under the leadership of Jennifer Robinson and Shobana Shenoy. Thanks for partnering with us as we work together to help our students realize their full potential. May we never stop believing in the possibilities of a masterful teacher and an inspired student, each with the power to make a difference in the world.

We wish you and your loved ones a wonderful holiday season and a happy, healthy new year filled with possibilities.

Sincerely,

Mr. David Argese & Mrs. Laura Bruce

### A Few Reminders:

- **Outdoor Recess:** Old man winter is right around the corner! As autumn begins to dwindle and with winter fast approaching, the cold winter air is waiting to break through. We remind you to send your child/children to school each day with appropriate dress. This includes jackets, gloves, scarves and hats. Throughout the winter months, we will make every attempt to send the children outside for recess whenever possible. If going outside is not an option due to the temperature or inclement weather, appropriate indoor activities, projects and

games will be provided for the children. Children will not be permitted to go outside if they are not dressed in proper attire for the cold weather.

- **Important reminders about winter weather preparation:** With the snow season starting, it is important to be prepared. Any winter weather announcements will be shared on the following:
    - District website: [ww-p.org](http://ww-p.org)
    - Twitter: [Twitter.com/WWP\\_Schools](https://twitter.com/WWP_Schools)
    - Facebook: [Facebook.com/WWP.Schools](https://facebook.com/WWP.Schools)
    - Guardian email: the email listed in Genesis
    - Text messaging service (If you are signed up): Learn how to sign up for emergency notifications via text [here](#).
  - It is also important to prepare and have a plan with your child about what to do in the event of an emergency early dismissal. If the early dismissal is called during school hours in the morning, the student should know if their going home routine will change. Please discuss what their dismissal would look like so they feel confident in how to get home. (e.g., go on the bus, parent pickup, etc.). If there are any last minute changes due to the weather, please call the main office (609-716-5400) as soon as possible.
