## SCHOOL

**Health Form in Genesis Parent Portal:** Parents/guardians are reminded that if their child is COVID positive, experiencing symptoms, or is unvaccinated and has been identified as a close contact, they are to complete the health screening form in the [Genesis Parent Portal](#). Virtual instruction (if eligible) will be provided to quarantined and isolated individuals during such quarantine based on the [School Exclusion Chart](#). We ask parents/guardians to be patient as virtual instruction information is set-up due to the possibility of high demand. Once the form is submitted, please keep your child home and wait for a District staff member to reach out. **Please remember to hit SUBMIT so we receive your form.**

**Social-Emotional Needs:** As we see a spike in the number of COVID-19 cases in our area and around the globe, we know that there are heightened levels of anxiety in ourselves and in our families. We want our families to know some of the ways in which we help support the social-emotional needs of our Wicoff students, in addition to their academic needs. Our school is modeled using the principles of **Responsive Classroom**. Responsive Classroom is a student-centered, social and emotional learning approach to teaching. It is an approach that focuses on engaging academics, and a positive school community. Click [HERE](#) to learn more about Responsive Classroom practices. Your child also participates in **Morning Meetings** to grow and strengthen their social connections with peers. In addition, our students participate in *mindfulness activities* with their classroom teachers, and *lessons* about stress, worry, expressing feeling and coping skills with our school counselor, Mrs. Ellen Incolingo.

As you continue to navigate these times with your family, please know that we are here as a resource for you and your family. Please do not hesitate to reach out to your principal team or our school counselor if you or your child need support. The CDC has also published a thorough COVID-19 Parental Resources Kit that addresses how parents and families can talk with their children about COVID. Please click [HERE](#) for more information.

**Outdoor Recess:** Winter is right around the corner and the cold weather is already upon us. We remind you to send your child/children to school each day with appropriate dress. This includes jackets, gloves, scarves and hats. Throughout the winter months, **we will make every attempt to send the children outside for recess whenever possible.** If going outside is not an option due to the temperature or inclement weather, appropriate indoor activities, projects and games will be provided for the children. Children will not be permitted to go outside if they are not dressed in proper attire for the cold weather.

We thank you in advance for your generous donations!

**Wicoff Spirit Day Dates:** [Click here](#) for important **Wicoff Spirit Day** dates to place on your calendars. Students are encouraged to wear their Wicoff Spirit Wear or school colors (blue, white and orange) on Friday's throughout the school year.

**Coffee with the Principal and Assistant Principal:** We had a wonderful discussion with PTA members where we were able to discuss the district Equity Goal and the work being done at Wicoff to support this goal at our *Coffee with the Principal and Assistant Principal: Equity Discussion* event on Jan. 11. If you were unable to attend, please take some time to read through our google slides presentation linked [here](#). If you have time, please share any take-aways, suggestions or questions on the Padlet linked on the last page of the presentation.

**Need Books?:** Wondering what to read when your child can't get to the library? We've got you covered! Our school provides multiple ebook (online) collections for our students, teachers, and families. This past week, media classes were introduced to our newest ebook resource, Capstone Interactive ebook library. This collection of over 3,500 ebooks allows readers to search and filter books by topic, grade level, and reading level so that our readers can all find something interesting to read! Students have the option to have Capstone read the books to them or to turn off the audio to read on their own. Wicoff students can find directions in your child's Media Google Classroom for logging onto Capstone Interactive (logon is through PebbleGo in ClassLink) and have practiced in Media class. Check out the other ebook resources that we provide through ClassLink as well – Destiny Discover, MackinVia, Tumblebooks, and RazKids!

**Vaccinations:** If your child has completed both vaccinations for COVID-19, please send a copy of your vaccination record to our school nurse, Moria Jean Healey at [MoiriaJean.Healey@ww-p.org](mailto:MoiriaJean.Healey@ww-p.org).

### **Important Reminders for Student Drop Off and Pickup:**

If you are dropping off your child in the morning, please park in the church parking lot (adjacent to Wicoff School) and walk your child to the front entrance of the building. Please DO NOT drive in the bus lane in the front of the school building to drop-off your child as this interferes with our buses.

If you are picking up your child at the end of the school day, you need to send a note with your child stating this information. If this is an everyday occurrence one note explaining this will cover pickup for the school year. If this is NOT an everyday occurrence you will need to write a note each time. Please also note our parent pickup location has changed. Parents picking up their child(ren) at the end of the day will report to the middle door in the front of the building. We call this the third grade hallway doors or Door #13. As always, the safety and comfort of our students is our top priority!

**Construction Safety:** Please be aware that construction has begun in the rear of the Wicoff School building. Construction vehicles will be entering and exiting the school driveway located off of Plainsboro Road. Please drive carefully!!!!
