SCHOOL

- **Important Reminders About Winter Weather and Other Important Announcements and Information:** Winter weather announcements will be shared on the following:

- District website: ww-p.org
- Twitter: [Twitter.com/WWP_Schools](https://twitter.com/WWP_Schools)
- Facebook: [Facebook.com/WWP.Schools](https://facebook.com/WWP.Schools)
- Guardian email: The email listed in Genesis
- Text messaging service: If you are signed up. For more information on how to sign up for emergency notifications via text, please click [here](#).
- **Health Form in Genesis Parent Portal:** Currently, the nurse's office is receiving a high volume of emails and phone calls. If you are contacting us regarding your child testing positive for COVID-19, having COVID-like symptoms or being a close contact of someone who has tested positive for COVID-19, please be sure to complete the Health Screening form in Genesis per Dr. Aderhold's email. These forms are being addressed first. Someone will reach out to you regarding your form and virtual instruction (if eligible) will be set up within 24 hours. Please refer to the school exclusion chart linked below as to whether or not your child is eligible for virtual instruction.
 - Parents/guardians are reminded that if their child is experiencing symptoms or is unvaccinated and has been identified as a close contact, they are to complete the health screening form in the [Genesis Parent Portal](#). Virtual instruction will be provided to quarantined and isolated individuals during such quarantine based on the [School Exclusion Chart](#). We ask parents/guardians to be patient as virtual instruction information is set up due to the possibility of high demand. Once the form is submitted, please keep your child home and wait for a District staff member to reach out.
 - Please know that we are doing our best to address forms, answer emails and phone messages, as well as taking care of students present in school. If you have an emergency, please contact the main office.
- **Vaccinations:** If your child has completed both vaccinations for COVID-19, send a copy of your vaccination record to our school nurse, Mrs. Brenda Lavan at brenda.lavan@wwprsd.org.
- **Symptoms:** Please keep your child home should she/he display more than one COVID symptom, regardless of vaccination status. Also, please do not provide medicine that may mask symptoms (e.g., Tylenol) then send your child to school.
- **Zooms:** Please expect a period of teacher preparation (usually one day) prior to your child being offered a Zoom link. Providing virtual instruction while teaching

the live class is extremely complex and takes planning and adjustment of materials. While the Zooms are intended to be passive opportunities to hear what is happening in the classroom rather than active, interactive experiences, our teachers are working hard to make them as productive as possible for everyone involved, so a great deal of preparation is needed.

There is no doubt that this “Omicron” phase of our COVID journey is a difficult one. We are grateful for our staff and our community for working together, staying flexible, and moving forward with the best interests of our students in mind. We want to specifically thank our nurse, Mrs. Lavan and our main office staff, Mrs. Wiener, Mrs. Wolosky and Mrs. Piccirillo, who have been giving superhuman effort and care. We know that every single family and staff member is doing their absolute best right now, and we appreciate that a great deal.

Please don’t hesitate to reach out and know that we are in constant communication with the health department to ensure that we are employing best practices in order to maintain a safe environment where students can learn and benefit from live interaction with their teachers.

Thank you for all that you are doing.

Mr. Argese & Mrs. Bruce
