

## Parent/Guardian Release Form for Filming and/or Television Programming

**Name of Producer:** West Windsor- Plainsboro Regional School District  
**Program Title:** Feb. 17, 2023 PD Day Opening Video--WW-P Belonging

As part of our district-wide Professional Development Day in February 2023, a committee of teachers and administrators are producing a video to motivate and support our staff. This video will consist of a few questions about how students feel they belong within the West Windsor-Plainsboro school community.

For this video, we are requesting your permission to interview your child to be featured in our video. This will be an on-camera interview that will be shared with our staff and district community. Students will be provided the questions in advance. By participating in this experience, your student would gain valuable reflecting and communication skills. The student's last name would be left anonymous to our audience, and they would be supervised and interviewed by a faculty member for the duration of the interview process.

We anticipate recording student interviews the week of Jan. 16, 2023.

This video may appear on the District website and/or the District's social media channels.

Should you have any questions, please contact Susan Totaro at [susan.totaro@wwprsd.org](mailto:susan.totaro@wwprsd.org)

With gratitude,  
Susan J. Totaro  
Special Assistant for Strategic Initiatives  
West Windsor-Plainsboro Regional School District
