SCHOOL

Note from the WWPD and the crossing guard: If you are dropping students off or picking them up from school, please remember to demonstrate good street safety for your children! Always walk in the crosswalk and utilize the crossing guard at the beginning and end of the day. No one should be dropping off in the middle of the street, having students cross unattended, or walking where there is no crosswalk. Many thanks for your cooperation and dedication to the safety of our students.
