## SCHOOL

- **Note from the WWP and the crossing guard:** If you are dropping students off or picking them up from school, please remember to demonstrate good street safety for your children! Always walk in the crosswalk and utilize the crossing guard at the beginning and end of the day. No one should be dropping off in the middle of the street, having students cross unattended, or walking where there is no crosswalk. Many thanks for your cooperation and dedication to the safety of our students.
- **Field Day Fun and Concert Thanks:** What a wonderful week at Dutch Neck! We had two super successful field days for Kindergarten and 1st-3rd grade- sunshine, smiles and lots of great memories! Thank you to Mr. Stevens and Mrs. Bartoli for their leadership, the parents for their cheers, and the teachers for their support of this special day. Our third grade students also had the opportunity to shine on Tuesday and Wednesday nights at the 3rd gr choral concerts! Their caliber of musicianship along with their enthusiasm made it a night to remember! Thank you to Mr. Kovatch for conducting himself (pun intended) with so much skill and care!
- **Dutch Neck Educator of the Year:** Congratulations to Mrs. Nicole Signore who was nominated and selected by her peers to be the Dutch Neck Educator of the Year! We are so lucky to have her and all of the amazing staff here supporting students!
- **Summer Programming:** As the summer season approaches, it's a great opportunity for your children to engage in summer programs and camps that will help them to develop important social skills. While the pandemic has caused disruptions to our daily lives, it's more important than ever to help our children to connect with others outside of their immediate families.
  - Participating in summer camps and programs offers children the chance to interact with peers in a safe and controlled environment. These experiences help children to learn how to communicate with others, make new friends, and develop the social skills that are essential for their future success.

- We understand that it may be challenging to consider signing your children up for camps or summer programs, especially with lingering concerns about the pandemic. However, many camps and programs have implemented safety protocols to ensure that children can participate in activities in a safe and enjoyable way.
  - We strongly encourage you to consider enrolling your children in summer programs and camps this year. Not only will your children benefit from developing their social skills, but they will also have the opportunity to create lasting memories and experiences.
