

# Your Voice Matters

If you have ideas about preventing --

- **Bullying**
- **Suicide**
- **Substance Use**

Now is your chance to make a difference!

We are currently looking for parents, caregivers and students to serve on the Mercer Hub Advisory Group, a volunteer-based board that will ensure the behavioral health services available to students in Mercer meet the needs of the community.

Members of the Mercer Hub Advisory Group will be asked to attend monthly planning meetings to assist in the design and implementation of the new Student Support Services network for Mercer County. Meetings will begin in June 2023. Once the program has been established, members will be asked to attend quarterly meetings.

Parents and caregivers of students enrolled in school and students in grades 8 through 12 attending school in Mercer County who want to shape the way mental health services are provided in schools are invited to apply by emailing [ssoto@cctrenton.org](mailto:ssoto@cctrenton.org) or scan code.
