We're seeking SEPTSA students from ages 6-12 that are interested in space to share their interest and gather to enjoy space-related educational activities. The Dec. 2 session is the first of a multi-session program with a combination of in-person and virtual sessions to engage students in learning more about space and viewing the night sky. For information and to RSVP, contact Kathleen at kkz4@verizon.net by Dec. 1, 2023.

To RSVP by 7 p.m. Dec. 2 and for questions: Contact Kathleen Moriarty at kkz4@verizon.net. SCHOOL

- **Empathy School Share**: Last week the students of Ms. Spalding with Mrs. Davis, Mrs. Tucker with Mrs. Bowers, and Ms. Bailin with Mrs. McGowan shared with their grade level about empathy. We learned what empathy means, were able to share ways to show empathy, and had a great time learning from our peers! Thanks for gathering many wonderful resources to help our students learn all about empathy!
- **Genesis Phone Numbers**: Please be sure to remember to update phone numbers and contact information in Genesis. Be sure to include any and all phone numbers (home, cell, work) and label them appropriately so that the school can reach you to share important information about your child. This way the nurse, teacher, or front office staff member can connect with you and let you know of any important information.

- **Nurse's Office Donation Request:** If families have medium/large pants (sizes 8-14) for either boys or girls that your kids are growing out of, please consider donating them to the nurse's office. They can be brought in and labeled for the nurse so there can be an extra supply for our school year.
