

# Professional DEVELOPMENT

Get ready for an exciting professional development opportunity created exclusively for district substitutes!

On February 16th, as part of the Professional Development Day for district staff, there will be a complimentary training session specifically designed for substitute teachers aiming to review the expectations of the position, enhance instructional skills, build upon best practices, and answer questions substitute teachers may have.

Attendance is optional but highly recommended.  
Register by February 9, 2024, using this link [HERE](#)

For more information, visit the district website under Human Resources > Departments > Substitute Teachers. Space is limited, so secure your spot now.
