## SCHOOL

- **Science Fair:** Wow!!! It was so impressive to have so many students participate in the Green Science Fair. It was clear that a lot of hard work, effort and preparation was put into the presentations!! Thank you for all of your support in making this happen!
- **Playground:** Just as a reminder, when school is in-session, Extended Day Program is occurring, or school activities are happening, the Wicoff playground is closed to those who are not participating in the school event or activity. Our Extended Day Program (EDP) uses the playground after school when there is nice weather. While EDP students are on the playground, others are not allowed to be on the playground. Thank you for your cooperation with this.
- **Star Students**
  - **The character theme for the month of March is courage.** The definition of courage is facing your fears. Courage is being scared of something, but still doing it anyway (of course as long as it is safe). We have to have courage in order to learn and try new things. In life, we'll inevitably face obstacles, setbacks, and challenges, but with courage, we can learn to overcome them. Courage gives us the strength and resilience to keep going, even when things get tough. It allows us to stay focused on our goals and persevere through difficult times.
  - Please help to reinforce this important skill at home.
- **Dreambox:** Ask your children about Dreambox. If your child is interested in going on Dreambox while they are at home, [here](#) are the directions.
- **Wicoff Family Evening Read Aloud** was a big success!! Our K-3 students enjoyed listening to Mrs. Cook read the story [Dumpling Day](#) by Meera Sriram. Students had fun sharing about their own cultures and traditions, while learning more about the cultures of their peers. Click this link [HERE](#) to see a special padlet that was created for our families. Thank you to all who participated and made the event a success!
- **Wicoff "STEAM Week 2024" will be held March 18-22!:** STEAM stands for **S**cience, **T**echnology, **E**ngineering, **A**rt, and **M**ath. During the week of March 18, all Wicoff K-3 students and staff will be engaged in activities that promote inquiry, creativity and communication skills needed to solve real world problems. Each day of the week offers students a different experience to think and act like a scientist. See our schedule below:

- **March 18-** STEAM Day Kick Off
- **March 19-** Schoolwide STEAM Challenge
- **March 20-** STEAM Day presentations (Experts in the field of STEAM will be visiting your child's classroom to engage them in different learning activities.)
- **March 21- STEAM Night from 6-7:30 p.m.** Caregivers and students are invited to join us at school to participate in STEAM activities. This is a ticketed event! Doors open at 5:45 p.m. For detailed information [CLICK HERE.](#)

  - **Please make sure that if your child is arriving before 8:55 a.m., you are dropping off at the OLD Main Entrance.**
- **When your child is sick:** Please do not send your child to school if they are complaining of feeling ill or have had a fever in the previous 24 hours. Children should be fever-free (without medication) for 24 hours before they return to school. Children who don't feel well before school invariably feel ill in class and will be sent home. For a complete list of the District's illness exclusions, please [click here](#).
- **Outdoor Recess:** We try to have outdoor recess whenever possible for our students. We have had to keep students in if they are not wearing appropriate clothing for the cold weather. Please remember to send your children with a coat/jacket.
- **Snacks/Water:** Please remember to pack a healthy snack each and every day for your child. Although we do have some extra snacks in the nurse's office for emergencies, students should not be going to the nurse's office daily for a snack/water. **It is also important that every student brings a refillable water bottle each day.** We have filling stations throughout the building. Please remember that the water bottle should be labeled with your child's name. We appreciate your support in being sure your child has a snack/water each day!
- **Label ALL Student Personal Belongings:** Please be sure to label ALL of your child(ren)'s personal belongings. This will help ensure that personal belongings left behind in the classroom, on the buses or in the dining room will be returned to the owner. Please include name, grade, and teacher.
- **Genesis/Student Information System:** Our student information system, [Genesis](#), is filled with important information including attendance, grades/report cards, student emergency information, student schedules, bus routes, etc. Please familiarize yourself with our student information system.
