Don't be afraid to ask any of us about our experience and we promise to be completely frank and candid.
 - In addition to the pride that your child will feel when they see you volunteering at events, you will have an opportunity to build a unique bond with teachers and administrators running the school.

SCHOOL

- **STEAM Week:** A very special thank you to all our Wicoff students, families and staff for a fun filled week of STEAM learning. Students enjoyed planning and constructing a den for our Wicoff Fox. It was fun to see the different materials and creativity demonstrated by all our K-3 students. STEAM Day welcomed members of our community into our classrooms to share their expertise in the field of STEAM. Students learned all about different fields of study such as dentistry, music composition, and technology. Kindergartners loved hearing how K9 officers use their sense of smell to keep their community members safe. In first and second grade, students were educated on fire safety, while third graders investigated erosion by “mining” for chocolate chips in cookies. Our first STEAM Night was a big success! Families enjoyed participating in three ticketed events. Students built constellations from flashlights, played Osmo games to test out their coding and engineering skills and learned about the science behind finger printing. A very special thank you to Mrs. Robinson’s third grade class for constructing an entire arcade out of cardboard! Students enjoyed testing out arcade games such as air hockey, bowling, ring toss and basketball during STEAM Night. We concluded the week with our Mad Science Assembly. Thank you to our PTA for sponsoring such a fun and engaging event for our students. Parents and caregivers... make sure to ask your child to share about their favorite part of STEAM Week!!
- **Playground:** Just as a reminder, when school is in-session, Extended Day Program is occurring, or school activities are happening, the Wicoff playground is closed to those who are not participating in the school event or activity. Our Extended Day Program (EDP) uses the playground after school when there is nice weather. While EDP students are on the playground, others are not allowed to be on the playground. Thank you for your cooperation with this.
- **Star Students: The character theme for the month of April is Citizenship/Being Globally Aware.**
 - Being a good citizen in school means being respectful of others and their property, being respectful of school property, following the school rules, and demonstrating good character by being honest and dependable.
 - Students that are globally aware are those students that are exposed to different cultures and perspectives, which promotes empathy, understanding, and respect for all people. Developing these important social and emotional skills also helps students communicate and work collaboratively with their peers.
 - Academically, global awareness enhances critical thinking and problem-solving skills. When students are exposed to different

perspectives and cultures, they learn to analyze complex issues from multiple angles and develop creative solutions.

- **We will be looking for students that encompass some of these traits to be our Star Students in April. Please help to support this character theme at home by explaining to your children what this month's theme means and how it relates to them as students.**
 - **Dreambox:** Ask your children about Dreambox. If your child is interested in going on Dreambox while they are at home, [here](#) are the directions.
 - **Pickup and Dropoff Reminders:** As you know, the main office has moved! The three spots in the front that have cones are for visitors. Please use those if you need to come to the main entrance. Please [click here](#) for updated information on drop off and pick up locations.
 - **Please make sure that if your child is arriving before 8:55 a.m., you are dropping off at the OLD Main Entrance.**
 - **When your child is sick:** Please do not send your child to school if they are complaining of feeling ill or have had a fever in the previous 24 hours. Children should be fever-free (without medication) for 24 hours before they return to school. Children who don't feel well before school invariably feel ill in class and will be sent home. For a complete list of the District's illness exclusions, please [click here](#).
 - **Outdoor Recess:** We try to have outdoor recess whenever possible for our students. We have had to keep students in if they are not wearing appropriate clothing for the cold weather. Please remember to send your children with a coat/jacket.
 - **Snacks/Water:** Please remember to pack a healthy snack each and every day for your child. Although we do have some extra snacks in the nurse's office for emergencies, students should not be going to the nurse's office daily for a snack/water. **It is also important that every student brings a refillable water bottle each day.** We have filling stations throughout the building. Please remember that the water bottle should be labeled with your child's name. We appreciate your support in being sure your child has a snack/water each day!
 - **Label ALL Student Personal Belongings:** Please be sure to label ALL of your child(ren)'s personal belongings. This will help ensure that personal belongings left behind in the classroom, on the buses or in the dining room will be returned to the owner. Please include name, grade, and teacher.
 - **Genesis/Student Information System:** Our student information system, [Genesis](#), is filled with important information including attendance, grades/report cards, student emergency information, student schedules, bus routes, etc. Please familiarize yourself with our student information system.
