

**MINUTES OF BOARD OF EDUCATION MEETING HELD
July 27, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:32 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Tucker, seconded by Mr. Farrell, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel, negotiations, and litigation. The meeting reconvened to open session at 7:43 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Richard Kaye	Mr. Hemant Marathe
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mr. Randall Tucker

Members Fleres and Walsh were absent. Mr. Johnson arrived at 7:36 p.m. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience; there was a closed session and this portion of the meeting was starting late.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel stated that this year the district has experienced an unprecedented number of openings particularly in administration: four principals and four assistant principals. She then introduced the following assistant principals who will be appointed tonight: Nicole Camaioni, Dutch Neck Elementary School; Penny Fisher, Village School; and Richard Stec, Grover Middle School. It was noted that Dr. David Aderhold is still holding his dual positions of acting principal at High School South and full-time assistant superintendent. The High School South's principal interviewing process proceeds; David Argese is continuing to be Dutch Neck's acting principal. Dr. Kniewel expressed her appreciation to Dr. Aderhold and Mr. Argese.

Mr. Marathe noted that Mr. Johnson and Mr. Fleres were delayed due to NJ Transit troubles.

PRESENTATION: Student Achievement Gap

Russ Lazovick commented that this presentation provides a deeper look into the March 9, 2010, presentation on student academic performance. A student achievement gap is often described as external or internal factors. External gaps compare groups of our students to similar groups

from other places whether they are other districts, states, etc. Internal gaps compare groups of our students to other groups of our students to see how we are serving all students. He explained that a gap is an observed disparity in performance between groups of students, especially groups defined by gender, race, ethnicity, and socioeconomic status. Methods to observe and measure the achievement gap include standardized test scores, course selection, grade point average, dropout rates, and college completion rates. Mr. Lazovick provided some data with statistics and illustrations pertaining to advanced placement classes and grade point averages. With the recent changes in the Federal education policy, focus has been placed on the achievement gap. The “No Child Left Behind Act” requires the same performance targets for all students. Overall, the district is performing well. WW-P students are outperforming other external groups. However, when we compare our student groups internally, a gap trend between subgroups becomes apparent. To avert the gap from growing by our district standards, teachers can use the achievement gap data and information to make informed decisions on student achievement and address gaps in the subgroups. As a district, we will continue to focus on our academic core to provide high standards and assessments along with student accountability systems to identify and meet student’s performance targets, provide choice and supplemental services, and to evaluate and restructure as we continue to close the district’s internal achievement gaps. It was noted that professional development is an important tool to assist teachers to meet a student’s needs and to provide appropriate instruction.

Board members discussed the data presented and items to address this internal achievement gap. Mr. Lazovick indicated that other presentations will be offered at future meetings as a continuation to this topic. Mr. Kaye noted that since this data has been made available to the district staff, a lot of correspondence, discussions, idea sharing, and thoughts have taken place. Feedback is always welcomed..

PUBLIC COMMENT

Sue Levine spoke about the budget; Jennifer Howard and Della Green spoke on tonight’s presentation; and, Jane Cormack spoke about Buildings & Grounds.

COMMITTEE REPORTS

Curriculum and Instruction

Mr. Kaye reported that the committee met on July 15, 2010. Topics covered included: Exceptionality Pilot Grade 1 program to identify exceptional students during the elementary years by select one K-3 building and making Renzulli Learning available to one full first grade level in that building while continuing our current systems and then at the end of the year the results of each system will be compared and the data presented to the committee; K-8 science program being rewritten/revised along with specific high school level courses based on the findings and recommendations of the recent program review; overnight field trips; compensation for the Science Curriculum writing and professional development new format and continue compensation for the local Professional Development Committee to support plan implementation; preview of the Student Achievement Gap presentation; Professional Development training by the district’s continued participation in the Foreign Language Educators of New Jersey Pilot Program: New Jersey’s Model for High School Reform in World Languages: Building a Linguistically and Culturally Competent Workforce, continue its relationship with the Teacher’s College for Reading and Writing Project Network training through Columbia University, and Reading Recovery for struggling learners at the elementary grade levels; board approval of our State submitted Local professional Development Plan for the 2010-2011 school year which focuses on our “Whole Child, Every Child” approach; STARTALK Hindi/Urdu Program consultants services covered by the grant; submission of the “No Child Left Behind Act”

Consolidated formula sub-grant; and, acceptance of the NJ Veterinary Medical Association's "Taking Care of Your Community by Taking Care of Your Pets" classroom teaching grant.

Finance

Mr. Tucker stated that the committee met on July 20, 2010, and supports the finance items that are on tonight's agenda. The Buildings & Grounds transition was discussed. Phase I Solar updates were provided specifically HS North's connection to the electrical grid. Phase II Solar was discussed, a tentative timeline provided, and an action plan. To keep Phase II Solar projects moving on a fast track, the third round of Regular Operating District (ROD) grants and a Clean Renewable Energy Bond (CREB) related bond referendum will need to be in place by April 2011. The timetable would be within the CREB time limits and allow the district to be generating electricity within fifteen months. Architectural fees will need to be incurred for documents necessary to secure state approvals. Most of the roof capital projects will need to be done within the next couple of years even if solar is not done. The district's architect is seeking clarification of the status of the ROD grants. 2009-2010 year end balances were discussed, estimated tax relief level, and areas that will impact it. The former board's Budget Process Review Committee work was reviewed and discussed.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
August 24, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:31 p.m. in the Media Center of Community Middle School. Upon motion by Mr. Johnson, seconded by Mr. Fleres, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel and litigation. The meeting reconvened to open session at 8:37 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Todd Hochman	Mr. Richard Kaye
Mr. Anthony Fleres	Mr. Robert Johnson	Mr. Hemant Marathe

Board Member Tucker was absent. Board Member Walsh arrived at 6:35 p.m. and Board Member Manikandan arrived at 6:46 p.m. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; and, Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience; there was a closed session and this portion of the meeting was starting late. He also announced that because of the lateness of the meeting, the Technology and Supervisory Structure Presentation will be postponed until the next board meeting scheduled for September 14, 2010.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel commented that the administration has been busy filling the open administrator positions this summer and today we welcomed approximately twenty-two new teachers at the new teacher orientation which is a full three day program. She thanked all of the administrators, teachers, union association representatives, and mentors, for all their planning and for arranging together a great three days to welcome people to understand the culture of our district.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe stated that this was a busy summer between all of the personnel changes and construction projects. However, the buildings are ready to be open and he is looking forward to another school year. He noted that the new solar panels at High School North and South are operational and have started to produce kilowatts of savings already - we are proud of this project.

PUBLIC COMMENT

There were no public comments forthcoming at this time.

COMMITTEE REPORTS

Curriculum and Instruction

Mr. Kaye reported that the committee met on August 3, 2010. He provided a brief curriculum update as supervisors continue to submit revised curricula to be reviewed and accepted by the Board; plans for the continuation of reviewing the exceptionality program and to pilot a new system at the K-3 level; review of the West Windsor-Plainsboro Competencies for 21st Century Learners; review of the music trips to make sure they conform to travel guidelines; review of the initial draft of the Title I Plan based on the recently released data from the federal government; reviewed the positive third-party site visit report of the summer Startalk grant program by their evaluation team which concluded that we provide students with a model world language program; technology department reorganization summary was presented with the new organizational structure - the technicians and facilitators will be centralized and no longer assigned to a specific building; and, three major professional development events were discussed for this coming year: 1) Administrative retreat which will frame the district's vision and goals focusing on "Whole Child, Every Child" approached supported by Competencies for 21st Century learners; 2) New Teacher orientation; and, 3) Opening of School for all Staff which is a two-day event introducing staff to the Competencies for 21st Century Learners and the goals and expectations for the 2010-2011 school year. Grants and overnight field trips were discussed and are on tonight's agenda for approval.

Administration & Facilities

Mrs. Walsh stated that at the August 3, 2010, committee meeting the following topics were reviewed and/or discussed: Glucagon and Epi Pen Policies and Procedures to adhere to new legal mandates; Strauss Esmay preliminary review of our policy/regulations manuals which a draft will be provided within two weeks to begin a series of meetings to review the draft and provide feedback; update on the proposed recycling/food waste program at HS South; status of the Access Door Control System which is well underway with 9 of 10 buildings being completed; proposed quarterly Preventative Maintenance Plan for HS South's bubble by the manufacturer Arizon; briefing on the recommendations for a Memorandum of Agreement with the Field Light Boosters; Eagle Scout Leadership Service Project for butterfly plaques; and, the expansion of an in-house Pre K/K MD Program at Dutch Neck.

Finance

Mr. Tucker affirmed that on August 17, 2010, the committee met and covered the following items: agenda review for tonight's meeting; preliminary budget discussion; updates on Phase II solar, associated roof projects, and third round ROD grant projects with the focus on energy savings and the need to develop engineering details; Aramark's doubling of their staffing levels and progress is happening at an accelerated rate for the start of school – overall very pleased with Aramark's performance and progress especially in athletics; the next few months to explore the funding and Clean Renewable Energy Bonds (CREBs) for projects at seven schools to utilize the IRS' district allocation that totals \$7.5 million totaling 850 KW; PIACS inability to open this year and the \$400,000 allocation in the 2010-11 budget which has not been expended yet, but we will explore possible one-time funding options to improve the students' education experiences with the allocation; and, food service having a successful year both on a quality and financial performance basis with the noted success of the so called "premium meals" last year which allowed meals to be eligible for federal lunch dollars increasing the funding from the federal government last year.

ADMINISTRATION

Mr. Marathe noted and thanked Mr. Hochman for his grant effort from his company.

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

**MINUTES OF BOARD OF EDUCATION MEETING HELD
September 14, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:35 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Manikandan, seconded by Mr. Fleres, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel, litigation and negotiations. The meeting reconvened to open session at 7:34 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting. He noted that this has been a very good school opening; the best in the past ten years. Mr. Marathe introduced the new student representative for High School South, Kushal Gandhi. Both student representatives will be present at the October meeting.

STUDENT REPRESENTATIVE COMMENTS

High School South: Kushal Gandhi expressed his pleasure to be representing High School South. He commented that the school year has been running smoothly with Infinite Campus and that there have been very few problems with the schedules. Infinite Campus is becoming more advantageous to the students such as allowing them to check grades at any time. First day of school was very positive with plenty of assistance from staff members. Also, the new procedure with bus passes on-line worked efficiently. The student council is already planning for Spirit Week building up to homecoming with a theme of Halloween. In addition, the student council has nominated former principal Mr. Rudnick as the administrator of the year. He mentioned that South has transitioned well with the new custodial staff and everything is clean and working properly. Mr. Gandhi expressed the students' bereavement of the loss of Mr. Welsh who was a great teacher and coach.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel welcomed everyone back. Educators are looking forward to experiencing the ambience of a whole new school year - it is a very exciting time of year with new beginnings and opportunities. We have had a smooth opening with many new building level administrators in place from our numerous retirees last year. She noted that the bus passes were on-line for the first time and were very successful. Dr. Kniewel thanked everyone who worked together to be ready for opening day and to prepare the 2010-2011 school year. It really takes all of us working together to be effective. Over the past few years, we have been working towards cohesiveness and consistency. As a pre-K through grade 12 school district, we are working to be that cohesive excellent school system rather than a system of schools with our focus on all students – the whole student - academics plus. What do students need to be successful in the 21st century? How are we helping them develop those skills as creative problem solvers, as critical thinkers, as effective communicators? By working together, that is our focus this year. Tonight Russ Lazovick will highlight the reorganization in the areas of technology and instructional leadership to again help us be more effective and efficient in working together.

PRESENTATION: Reorganization of Technology and Instructional Supervisors

Mr. Lazovick stated that every decision we make including how we structure our facility and staff always comes back to this idea of mission - “The mission of the West Windsor-Plainsboro Regional School District, valuing our tradition of excellence, is to develop all of our students as passionate, confident, lifelong learners, who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world.” Why are we here and what is our general purpose? It is to serve the students – the whole child, every child – to maximize their potential. He explained how the Technology Department (IT) was structured previously as a building based model; now, with a reduction of two instructional staff positions, the IT Department has four teams: Data, Communications, Technical, and Instructional Support. This team approach allows for consistency in purpose, training, shared responsibility, and an effective use of skills and experience where and when needed throughout the district to maximize the educational experience for our students. As we move to this model of “whole child” where technology and the idea of an open classroom, teaching beyond the walls of the school, are critical to our new philosophy, we have to have teachers who know how to use this technology.

Another area restructured was the Instructional Supervisors under Curriculum & Instruction. In 2009, there were 13 district supervisors; now, there are 7 district supervisors. In the Supervisory Staff reorganization there are now two Supervisors of Curriculum and Instruction and five Supervisors of Content (Language Arts, Math, Science, Social Studies, and World Languages). The Supervisory Staff has been reshaped into one overlapping to provide all students with the same education as they progress through the grade levels. The idea of a school has no meaning if each teacher, even a hardworking and highly qualified one, is free to teach and assess as he or she wishes. Effective academic leaders have a primary responsibility for keeping mission-related questions in the foreground with staff to prevent the most vital outcomes from falling through the cracks as a result of excessive attention to content coverage, test preparation, and various diversions of conventional schooling. These leaders ensure that an understanding-based and mission-focused curriculum/assessment system is developed and refined over time. Every educator understands that his or her job is to work toward the mission and goals by “identifying and working to close the inevitable gaps” between mission and reality, between learning principles and teacher practice, between desired learning results and actual performance by students on measures that matter – to educate the whole child, every child.

PUBLIC COMMENT

Debbie Baer, WW-P Education Association president, remarked on a great school opening and is looking forward to the new school year and working together.

COMMITTEE REPORTS

Curriculum and Instruction

Mr. Kaye reported that the committee met on September 7, 2010, and completed all planned summer curriculum writing and revision. As new curricula, they are a draft for one year during which teachers and supervisors will make necessary revisions and then the final drafts will be presented to the Board in May for approval in June. The New Jersey Quality Single Accountability Continuum (NJQSAC) monitoring will take place this year covering the areas of operations, instruction and program, governance, fiscal management, and personnel. Three major summer professional development events were successful: New Teacher Orientation focusing on the Framework for Professional Practice, Administrative Retreat in getting all district administrators on board with our focus on teaching and learning, and Professional Development Day which is a three-year focus on moving from content-only instruction to a consistent district approach to competency-through-content instruction. Program review updates included: external report for Social Studies under review by the internal committee; Language Arts review has determined a consultant for the external portion of the review; and, the Special Services review has had almost no responses to the open Request for Proposal. Now the district is contacting directly institutions and organizations that, based on expertise, could provide the needed services. With the redesigned instructional support structure, job descriptions were reviewed and are on tonight's agenda for approval. Also, on the agenda for approval are the continuation of the partnership with Rider University's CONNECT-ED Consortium Program Phase II Initiative which is dedicated to providing teacher professional development in science and mathematics, an overnight field trip, and the second year grant continuation for a "Personalized Student Learning Plan Pilot Program" from the NJDOE. Finally, a conversation ensued on the possibility of requiring students to take the Advanced Placement exam in order to be given AP credit on an official transcript as opposed to Honors credit for students who do not take the exam.

The Board engaged in a discussion covering areas such as: AP vs. Honors; differences in school ratings; public perceptions; basis of district ratings; what role these test play for the student; student direction; what does this say about our students; internal and external assessments scores; and the various data sources.

ADMINISTRATION

An administration addendum was added for a settlement agreement.

Upon motion by Mr. Johnson, seconded by Mr. Tucker, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Settlement Agreement

1. **Resolved**, that the Board approve the settlement in the matter of J.S. by his guardian M.S. v. West Windsor-Plainsboro Board of Education as proposed by the Board's insurance companies, on the condition that the full amount of the settlement be paid for by the insurance companies; and be it further

Resolved, that defense counsel for the Board is authorized to execute a conforming settlement agreement on behalf of the Board.

CURRICULUM AND INSTRUCTION

Upon motion by Mr. Kaye, seconded by Mr. Manikandan, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

CONNECT-ED

1. To approve the continuation of the partnership with Rider University's CONNECT-ED Consortium Program Phase II Initiative, which is dedicated to providing teacher professional development in science and mathematics. The partnership includes:
 - a) Entering into a Memorandum of Understanding pertaining to Year Three, September 1, 2010, to August 31, 2011, of a three-year commitment. [Year One was approved on November 18, 2008; Year Two was approved on October 13, 2009].
 - b) Participation in Year Three of Phase II at a cost of \$2,500 (part of the district's financial contribution to support Phase II).

Grant - Continuation

2. To approve the second year grant from July 1, 2010, to June 30, 2012, for a "Personalized Student Learning Plan Pilot Program" from the New Jersey Department of Education, Office of Career and Technical Education, in the total amount of \$15,000 (\$7,500 per year) for the Thomas R. Grover Middle School.

Field Trip [student funded]

3. To approve an overnight field trip for Community Middle School and Grover Middle School Grade 8 German Class trip to Washington, D.C., from April 29, 2011, to April 30, 2011. The cost of the trip is approximately \$275 per student.

FINANCE

A finance addendum was added for a solar rebate submission.

Larry Shanok clarified the difference between the solar agenda items. If the district decides to move forward with the phase II solar projects, NJ Department of Education approval will be required and to receive that approval, the architect will need to submit the preliminary paperwork and documentation to the state. Finance item No. 2 is part of that process. The Finance Addendum is to apply to the NJ Office of Clean Energy for anticipated rebate funds for small projects using alternative energy resources. To obtain the rebate funds, preliminary paperwork and documentation must be submitted. If it is decided to proceed with the solar projects, the district is attempting to secure all possible funding, rebates, and grants to offset costs.

Upon motion by Mr. Tucker, seconded by Mr. Fleres, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Business Services

- 1. Payment of bills as follows:
 - a) Bill List for September 14, 2010 (run on 09/07/2010) in the amount of \$7,137,529.97.

NJDOE Submission Authorization

- 2. To approve the following resolution to be submitted to the New Jersey Department of Education:

Resolved, that the West Windsor-Plainsboro Regional School District Board of Education approve the projects at the following district schools:

Town Center Elementary School	Photovoltaic Panel Installations	4097	5715-130-11-1000

Be It Further Resolved, that the district’s architects, Faridy Veisz Fraytak, PC, be authorized to submit applications for a Regularly Operating District (ROD) Grant for the above projects to the N.J. Department of Education for approval on the district’s behalf.

Be It Further Resolved, that the district’s architects, Faridy Veisz Fraytak, PC, are authorized to amend the Long-Range Facilities Plan to incorporate the above projects on the district’s behalf.

REBATE FUNDS FOR ALTERNATIVE ENERGY SOURCES

- 3. **BE IT RESOLVED**, by the Board of Education, West Windsor-Plainsboro Regional School District, in the County of Mercer, approved the following projects:

School Name	Project	FVF	NJDOE
Millstone River Elementary School	Photovoltaic Panel Installations	4095	5715-150-11-1000
Maurice Hawk Elementary School	Photovoltaic Panel Installations	4093	5715-040-11-1000
J.B.V. Wicoff Elementary School	Photovoltaic Panel Installations	4101	5715-050-11-1000

WHEREAS, the West Windsor-Plainsboro Regional School District Board of Education is desirous of exploring availability and obtaining rebate funds for alternative energy resources from the NJ Office of Clean Energy, and

WHEREAS, we are planning to provide capital funds in the form of a bond referendum for the 2010-2011 School Year to design systems, receive bids and enter contracts for Alternative energy resources,

BE IT FURTHER RESOLVED that the West Windsor-Plainsboro Regional School District Board of Education district’s architects, Faridy Veisz Fraytak, PC, and administrators, are authorized to submit an application for such rebate and for alternate energy resources on the district’s behalf.

Kathleen M. Bertram

**MINUTES OF BOARD OF EDUCATION MEETING HELD
September 28, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:33 p.m. in the Commons of Community Middle School. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel commented that as we move ahead in these uncertain times, it is important to keep on the same path. We have district goals, which guide our actions. Eight years ago, district goals and a mission statement were developed by the Strategic Planning Committee, which was comprised of a very inclusive group of community stakeholders. Revisiting these goals and mission statement aided us in developing the district goals for 2010-2011. Our focus continues to be on student achievement - to educate the "Whole Child, Every Child." The mission statement is our ultimate objective; and, the district goals set the benchmarks to help us realize our mission statement.

PRESENTATION: District Goals for 2010-2011

Dr. Kniewel read the district's mission statement: "The mission of the West Windsor-Plainsboro Regional School District, valuing our tradition of excellence, is to develop all of our students as passionate, confident, lifelong learners who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world." She began the presentation of the 2010-2011 goals for the district with the statement: "If all students continually recognize community issues, propose solutions and choose to carry out plans that contribute to their resolution, and willingly share with an audience the results of ongoing learning that is important to them; then all of our students will be passionate, confident, lifelong learners who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world." She reviewed the 2010-2011 goals:

- DISTRICT GOAL 1: Collaborate with and engage all stakeholders in achieving our mission and goals.
- DISTRICT GOAL 2: Provide continuous improvement in operations.
- DISTRICT GOAL 3: Expand the utilization and capabilities of Technology.
- DISTRICT GOAL 4: Continually review, evaluate, and revise district curriculum, enhancing consistency and communication and creating internal student performance data.
- DISTRICT GOAL 5: Develop a district-wide infrastructure for hiring, developing, and implementing the “Framework for Professional Practice for All Faculty and Staff.”

West Windsor-Plainsboro core values were revisited and they affirm the district’s belief that continuous learning is essential for individual fulfillment and for the advancement of society; every individual has intrinsic worth; embracing diversity enriches and empowers our community; honesty, integrity, and trust are cornerstones for continuing excellence; people reach their highest potential when challenged to believe it is possible; and, openness to change is essential to progress and future viability.

Dr. Kniewel thanked everyone who participated in the strategic planning process and for stakeholders who continue to set the direction for the district.

PUBLIC COMMENT

There were no public comments forthcoming at this time.

COMMITTEE REPORTS

Administration & Facilities

Mrs. Walsh stated that the committee met on September 20, 2010, and the following topics were discussed: request from Plainsboro Township for placement of a historical site marker at Wicoff School; completion of the Access Door Control project except for a few minor service issues and an approval of a HS South change order for a surface mount video camera system and intercom/buzzer system for the front door which was an over site on the original plans; exploration of an Access Door Control system at the Board of Education offices; 2011-2012 calendar review; implementation in November of the NJDOE mandated Security and Safety Drills; assessment of the district’s Crisis Plan is underway; and, a policy review began with Section 0000 (Bylaws) as recommended by Strauss Esmay.

Finance

Mr. Tucker reported that the committee met on September 21, 2010 and covered the following topics: discussion with the auditors on the secretary and treasurer reports focusing on the June 2010 reports as a prelude to the review of the CAFR (Comprehensive Annual Financial Report) next month - which is substantially completed and looks good; agenda items were reviewed and are on the agenda for action; reviewed and discussed the Budget Process Review Committee Guideline for target setting and parameters; a 2011-2012 preliminary budget discussion and the upcoming pressures and constraints – we are starting at a very challenging position; discussion on the level of local funding that might be made available for construction projects in the next budget and the framework for the capital projects to utilize the grants, maintain our capital investment, and how it aligns with our Long Range Facilities Plan; discussed the six-week process associated with NJ Quality Single Accountability Continuum (NJQSAC) and the completion of the District Performance Review (DPR) indicators; Aramark is staffed and the opening of school went well with a number of district staff reporting favorable experiences;

Phase 1 Solar: \$576,500 solar rebate from 2008 is being finalized – contractor is to be completing the final documents; Faridy Veisz Fraytak have taken timely action and were able to reserve \$45,000 in solar rebates for the smallest projects in Phase II; solar rebates are only a fraction of what they were in 2008; and, it was confirmed that the committee will meet on October 19th at HS North.

ADMINISTRATION

Clarification was requested on the funding for Administrative Items 1 through 3; these are federally funded grants for: 1) “Project Special” program data conversation; 2) professional development; and, 3) project manager training.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
October 12, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:35 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Johnson, seconded by Mr. Manikandan, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel, litigation and negotiations. The meeting reconvened to open session at 7:36 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience; there was a closed session and this portion of the meeting was starting a little late. Tonight there will be two presentations: Review of the Special Education Findings from the Self-Assessment and Monitoring Process and Student Assessment Presentation: Part 1; Part 2 will be presented at a future date. He then introduced our two new student representatives: Chloe Barz, High School North, and Kushal Gandhi, High School South.

STUDENT REPRESENTATIVE COMMENTS

High School North: Chloe Barz spoke about the Rutgers' incident and how HS North's anti-violence week will start on October 18th. Peer leaders will organize the anti-violence week with daily announcements, computer notices, and student contracts. Sport season has had a really good start especially with boys' and girls' soccer, volleyball, football, field hockey, and cross country. The Student Council is having a great "kick-off" to the year with homecoming being such a huge hit. Spirit Week consisted of theme days in which students participated; themes included pajama, eighties, college hoodie, superhero, and color/class shirt days. It was great fun. The football game and concessions had a great turn-out; and, the ticket sales went very well for the dance. Student Council this year has a goal to raise enough money to create scholarships to give back the money to the students since it is their school and they are accountable for their success. Lastly, the Interact Club is holding their annual "Powder Puff Game" on October 17th. This is where the girls play football and the boys cheerlead. It is a comical event and all the students enjoy the game.

High School South: Kushal Gandhi commented that the Back-To-School Night went very smoothly. Peer leaders were nearby to assist parents and schedules were available this year online for parents. The schedules were also printed and made available for the parents in the office. Next year, it is planned that all printing of schedules will be done by the parents on Infinite Campus. Last Saturday, a flea market was held to support scholarships, Post Prom, school clubs, and other PTSA activities; it was a success. Homecoming is October 30th which is South's spirit week. Planned events include an alumni brunch, penny wars to help raise money for the green club, and a canned food drive for cheerleading. Homecoming decorations have started to go up by class councils. In addition, the Student Council is opening a new store in commons 2 which is a freshman commons. Other upcoming events include: Red Cross blood drive; college fair with college representatives to answer any questions and provide helpful information for seniors; School-Violence Awareness Week; Ally Week which is an awareness of tolerance to different diversity and lifestyle. In sports, the girls' tennis team won Mercer County Tournament – congratulations! Mr. Rudnick has won the NJ Association Administrator of the Year and Student Council will present him with an award on October 19th. The Student Council will hold a "Stop the Bop" to raise money for the March of Dimes during awareness week in addition to the Mr. South event they hold every year.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel read the following statement: The recent events involving Rutgers students have taken center stage in the media. This school district has been overwhelmed with requests for interviews from local and national newspapers and magazines as well as national blogs and television shows around the country. Our response to all these requests has been "no comment."

We do not think that it is our place to promote media attention over this issue. As the superintendent of schools for the West Windsor-Plainsboro Regional School District, it is an honor and privilege to lead 10,000 students and 1,500 teachers and staff of this successful school district. We are focusing on the education of our students and not on the media.

We are a community of diversity and our schools are filled with students born in New Jersey, around the nation, and around the world. And, within this microcosm of society, we endeavor to lead students to become passionate, confident, lifelong learners who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world.

I believe that we achieve competence and strength of character through the richness of our academic program and extracurricular activities, including clubs and athletics, which expand learning beyond the classroom. The schools provide an environment that motivates students to learn and requires them to exercise imagination and collaboration in solving problems.

I can easily report out on the many activities that are in place from our in depth guidance and counseling program – Responsive Classroom, Challenge Day, Character Education, Parenting Circles, Cultural Diversity groups, Pirate Players performances, community service events, no name calling week, and more. I can remind parents of the myriad programs offered on student success, peer pressure, bullying, internet safety, and college preparation as mentioned by one of our student representatives. I can talk about the policies and regulations that are supported by the Board of Education, from sexual harassment/cultural diversity guidelines to regulations for technology use. I can discuss all of the community activities with the local police departments, recreation offices, and religious and business organizations. I can review our Academic Integrity Code, Student Code of Conduct Forms, the Athletic Behavior and Fan Rules, the crisis management team planning, and all of the events planned for our annual school violence awareness week.

Fulfilling the mission statement and core values is not an event, it is our ongoing work, it is a process and it is dependent upon each and every one of us and on our partnership with our parents and community. Together, we work to teach our students and ourselves, the core values determined by our community. I am honored to work with the Board of Education, all administrators, faculty and staff, parents, and community members - working together in this important endeavor.

PRESENTATIONS:

Review: Special Education Findings from Self-Assessment and Monitoring Process

David Aderhold introduced Susan DiDonato, District Supervisor for Special Services. Ms. DiDonato stated that the self-assessment/monitoring process has been a lengthy and extensive one.

NJ Department of Education, Office of Special Education Programs, notified the district in January 2007 that it had been selected and their final Special Education Monitoring Report was completed in September 2010. The purpose of this process is to ensure that local education agencies meet federal and state requirements related to the State Performance Plan indicators established by the US Department of Education. The district was selected for the disproportionate representation of minority students in special education. Ms. DiDonato went over the timeline details and the data that was reviewed which included state and federal data reports, state assessment summaries, Project Special database, individual student files in ten schools and out-of-district placements, interviews/consultations with district special and general education staff, and open public meetings. This process focused on requirements related to the following areas: transition to adult life; state assessment; discipline procedures; placement in the least restrictive environment; parent involvement; disproportionate representation of specific racial-ethnic groups in special education; evaluation and reevaluation; individualized education program; programs and services. Overall, the self-assessment findings identified improvements were needed primarily in the documentation and notification process, as opposed to our actual programs and services for students which were found to be compliant. Ms. DiDonato also spoke about the self-assessment improvement plan; special education monitoring process from September 2008 to September 2010; noncompliance, self-identified, and corrections in the monitoring report; and, areas in need of continuous improvements. She did note that during the monitoring, no compliance issues were identified in the following areas: statewide assessment, individualized education program, and programs and services. The monitoring report stated that the West Windsor-Plainsboro Regional School District submitted documentation demonstrating correction of all areas of noncompliance that were identified during the self-assessment; no additional findings of noncompliance were identified during the onsite monitoring visit; and, the results of the special education monitoring must be reviewed at the next board of education meeting.

A discussion ensued and some of the topics included: external documentation, internal documentation, development of the documentation process, timeline, general practice, identifying patterns, intervention process, and less restrictive environment.

Student Assessment Presentation: Part 1

Russ Lazovick announced that tonight's presentation is a follow-up to the March 9, 2010, and March 31, 2010, presentations on Student Academic Performance. As promised last year, we are starting our conversations around student performance earlier and as the State releases our performance data we will present it to the board and then make the information available. Websites: <http://www.state.nj.us/education/assessment/descriptors/> and http://www.west-windsor-plainsboro.k12.nj.us/departments/curriculum/student_performance/.

Data is important in making instructional decisions, but compared to what? With the release of the 2009 National Assessment of Educational Progress student performance data for grades 4 and 8 in literacy and mathematics as well as the 2010 New Jersey state assessment data, this presentation will center on the “bigger picture” – comparing our student performance to other students in the country, state, district, school, level, classroom, and student. Overall, we are in the top quartile in the country. Comparison against other districts within our state for grades 4 and 8 in language arts, mathematics, and science – indicators show we continue to perform among the highest scoring districts in the state in all areas at all grade levels.

In addition, Mr. Lazovick went over grade 11 language arts, mathematics, algebra 1, and biology; and, he expressed how algebra 1 is an indicator for success in college. A future presentation is planned to be presented on this topic.

He explained that using this data can help at all of our schools. Working together to develop and set internal benchmarks using data and assessments so that teachers can analyze and discuss how to best utilize this information to have the best possible impact on the students by classroom, grade levels, and individually, so that they can continue to succeed.

PUBLIC COMMENT

Jennifer Howard asked about the Open Public Records Act in regards to the school yearbook.

COMMITTEE REPORTS

Administration & Facilities

Mrs. Walsh reported that the committee met on October 5, 2010. Discussions included the following topics: Access Door Control update indicating power injectors were installed to increase power levels at several problematic door locations; Office of Charter Schools verified that the district would not need to perform advanced charter school registration for parents to participate in the lottery system; Princeton Terrace at West Windsor, a new development on Clarksville Road, will open in October and the attendance areas would be Dutch Neck, Village, Grover, and South; a draft of the Crisis Plan was disseminated for review, ongoing meetings are scheduled, and the district is working with local law enforcement on the newly mandated safety and security drills; a draft Memorandum of Agreement with the Booster Club for Field Lights were review and input provided; and, the committee began a review of Section 1000 (Administration) and 0000 Section (Bylaws) has been returned with from Strauss Esmay with all requested changes.

Curriculum and Instruction

Mr. Kaye stated that the committee met on October 5, 2010, and covered the following: district supervisors are updating curriculum into the new, state-aligned district format; state testing data for ASK 3-8 and HSPA are being disseminated and a presentation will be made at an upcoming board meeting and the data from the Spring 2010 End of Course Algebra I and Biology assessments will be presented tonight; New Jersey QSAC team has met and all district performance review areas were examined and a timeline developed; the School of Global Education at Kean University will bring a group of 25 educators from China to visit on October 13, 2010, and Grover MS will be hosting the delegation; and, the faculty was introduced to “The Framework for Professional Practice” as part of their professional development training which will strengthen working relationships and document the process for review and sharing. Program review updates: Social Studies are completing its review of the five areas for examination (Curriculum, Instruction, Assessment, Resources, and Professional Development); Language Arts has selected a consultant; Special Services’ Request for Proposal (RFP) has received responses; and, a review of the Special

Education Monitoring Report from the Office of Special Education Programs of the Department of Education was performed. Agenda items to be voted on tonight include: job descriptions for Supervisor of Curriculum and Instruction and Director of Guidance; Advanced Placement Training; STARTALK 2010 program training; and, two overnight field trips for HS South.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
October 26, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:05 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Manikandan, seconded by Mrs. Walsh, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel and litigation. The meeting reconvened to open session at 7:32 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Anthony Fleres	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh
Mr. Todd Hochman	Mr. Hemant Marathe	

Board Member Robert Johnson was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Mr. Marathe welcomed everyone to the meeting and noted that there was a closed session early this evening.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel started the meeting with recognition of a high school teacher. She stated that teaching is a complicated task and this week we had a wonderful example of everything coming together for Trevor Warner who provided a heroic deed for one of our students. She expressed the district's appreciation and thanks.

This week, the district focused on raising the awareness regarding violence. A special presentation will be given tonight on the 2009-2010 Annual District Report of Violence and Vandalism by Dave Aderhold.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe noted that there will be a special presentation on the district's annual financial report and Randy Tucker would be introducing it.

PRESENTATION: Comprehensive Annual Financial Report

Mr. Tucker was pleased to introduce Scott Clelland of the independent auditing firm of Wiss & Company. Mr. Clelland's team has been auditing the district's financial records these past months and he was here tonight to give a summary report on the audit findings.

Mr. Clelland expressed his pleasure to be here. He led the report off by commending the district for having such a tremendous management in administration. He stated that they do a terrific job and it is once again reflected in our financial position and in our financial statements. The district received the Certificate of Excellence in Financial Reporting Award from the Association of School Business Officials for the second year in a row; not many districts have received this award.

This year, by statute, the state has pushed the deadline for the audit completion to December 5th; many districts were not able to meet the old deadline of November 5th. After a discussion with the district's management, it was decided that there was no reason to change our practice since the district does have all of their financial statements ready. The report is complete; and, last week, the BOE Finance Committee reviewed it in detail.

He stated that part of the audit is to look at the financial statements and render an opinion; and, the opinion that he renders is an unqualified opinion; that is a clean opinion or the highest level that, as independent auditors, they can place on any financial statements. What that basically means is that the auditors were able to perform procedures to get comfortable with the financial statements and information presented to them to render that clean opinion and that they were able to verify that information. The district continues to be very prudent in the way it manages its finances.

Mr. Clelland proceeded to deliver an overview of the annual audit report to the board. Noting the fund balances are down \$2.8M from last year, which coincides with the reduction of state aid. For the first time, the district approved the budget last April and then during the fiscal year the state reduced the district's state aid by \$2.8M, which clearly reflects the reduction in the fund balance. He noted that the district still has a fund balance; and, the district is still in a good financial position. The fund balance over 2%, which ran about \$4.6M is down to \$2M; again, this is no coincidence, and it is in line with the state aid reduction that affected every school district in New Jersey. The district continues to take advantage of, and prudently so, the reserves that are allowed to be put aside by districts to make sure they have monies for maintenance projects, emergencies, as well as some capital reserve items for any major capital projects that need to get done in the future. Besides the reduction in state aid, districts in the state including WW-P had to deal with other issues such as: 5% reduction in state aid for the year we are in now; the delay of the last two state aid payments, which should have been received in June, but instead were deferred until July 7, which causes less cash to be on hand at the end of the fiscal year; future educational funding is unsure; legislation passed during the year requiring 1.5% health benefits contribution by employees at the end of old contracts; and, now a cap on tax levy which looks to be 2% instead of the former 4% plus adjustments. With all that transpired, the district was able to operate within its appropriations, not over-expend its budget, and prudently take care of its finances.

In addition to looking at the finances, Wiss & Company look at the internal controls that are in place. How the district manages its process with purchasing, payroll, and the revenue side; they look at how these controls are operating. He was pleased to state that based upon their testing, there was nothing significant and nothing material in terms of weakness that was identified. A couple of housekeeping matters were identified that will need to be addressed in the corrective action plan - nothing to be overly concerned about on the district's part. No repeat findings and there were no state or federal compliance findings, which are normally more significant than others.

In summary, Mr. Clelland stated that it was a good financial report, an unqualified opinion; management does an excellent job managing the finances, and keeping controls in place to

prevent things from going wrong. He extended his congratulations again on the Certificate of Excellence in Financial Reporting Award for the second year in a row.

A brief discussion ensued. For the record, Mr. Tucker asked if the board, the administration, or the public should have any operational or financial concerns about the district. Mr. Clelland stated that the report reflects no material weakness or financial deficiencies. Mr. Tucker asked given the findings of this year audit, if the district decided to file for another Certificate of Excellence in Financial Reporting Award would the district qualify? Mr. Clelland stated that based on the audit that was performed this year and based on the condition of the district's records and the financial statements presented, he was confident that we would qualify again and would recommend that we apply.

COMMITTEE REPORTS

Finance

Mr. Tucker reported that the committee met on October 19, 2010. Most of the meeting concentrated on the draft 2009-2010 public audit findings that were presented tonight. Other significant items were: HS North MDF room which had experienced a failure in the air conditioning of the computer room which impacted district functions; discussion on the need to strengthen the infrastructure that supports the technology resources; technology refresh ideas; update on the virtual desktop technology at Grover and HS North; wireless network improvements; and, enhancement of backup storage space. Discussions included: success of the investment in virtual desktops; need to extend the wireless network and data storage; and, the use of e-rate funds for the improvements. The 2011-12 budget parameters were discussed and the challenges this year with a 2% cap.

Comments and feedback included support for the infrastructure being upgraded with connectivity and exploration on the possibility of cloud computing. Cloud computing was described as internet-based servers, whereby shared resources, software, and information are provided to computers and other devices on demand.

SPECIAL PUBLIC HEARING ON THE 2009-2010 ANNUAL DISTRICT REPORT OF VIOLENCE AND VANDALISM

The hearing opened at 7:54 p.m. In accordance with the State's Sunshine Law, adequate notice of this Special Meeting was provided by sending a notice of the time, date, location, and, to the extent known, the agenda of this meeting, to *The Princeton Packet*, *The Times*, *The Home News Tribune*, and West Windsor and Plainsboro Public Libraries. Copies of the notice also have been posted in the Board Office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

David Aderhold presented the Annual District Report of Violence and Vandalism for 2009-2010 to the board in accordance with state statutes. He explained that the state defines, sets specific criteria, and scenarios for reporting incidents in the categories of violence, vandalism, weapons, and substance abuse; only incidents that meet the criteria are reported; not every incident is reported nor is every incident considered in the same category depending on factors such as circumstance and grade level. By state definition, no incidents occurred at the K-5 grade level. The tables in his report reflected changes from 2008-09 to 2009-10 for the middle and high

schools. He reviewed the statistics, which included the number of incidents, costs incurred, actions taken, victim and offender information.

Overall, there was a decline in vandalism and weapons; however, an increase was seen in violence, primarily in 9th grade, and a rise in substance abuse, primarily in the high schools. It was noted that along with the decrease in vandalism, i.e. theft and property damage, the incidents involving cost to the district were zero. He stated that violence rarely occurs in the classroom; usually, it occurs in the school corridor, lunch period, or other locations inside and/or outside the building. Victim information included general education students with a rise from 12 to 18; student with disabilities declined from 5 to 4; and, victims of a violent criminal offense rose from 0 to 5. When reviewing the offender information, it was noted that many of the incidents involved multiple offenders with increases in regular education student 34 to 39; and, student with a disability 21 to 24.

Dr. Aderhold spoke about the Uniform State Memorandum of Agreement between the district and the law enforcement officials in both townships. The Attorney General and the Commissioner of Education requires this memorandum and it is the basis for sharing information and setting parameters for investigations. In addition, this agreement requires the district to reach out and notify the local law enforcement agencies in certain situations. Between 2008-09 and 2009-10, there were no expulsions or removal to alternative programs. Police notification with a complaint filed decreased from 10 to 8; but, police notification without a complaint being filed increased from 13 to 30.

He reviewed some of the district's targeted efforts and activities that recognized School Violence Awareness Week, proactive programs for student safety, and student support programs. Also, it was mentioned the district-wide initiative on cyber-bullying, with the cooperation of the Technology Department; screen savers displayed the acronym T.H.I.N.K. (T. The information shared online is forever; H. Have respect for yourself and others online; I. Inspire each other to share with care; N. Never forget the consequences of cyber-bullying; K. Keep your personal information private.)

The current administrative focus will be on reviewing student code of conduct, utilization of the student activities contract, reviewing the harassment, intimidation and bullying policy, and the district crisis plan review. In addition, new mandate for Safety-Fire Drills have been implemented in which students' will perform a fire drill as well as a safety drill for security.

The report was well received by the board with discussions in the following areas: who decides if a complaint is filed; our trends against other like-district trends; data changes spanning the past few years; declassified student issues; same students being involved in multiple incidents; and, the increase in violent offenses.

SPECIAL OPPORTUNITY FOR PUBLIC COMMENT ON THE 2009-2010 ANNUAL DISTRICT REPORT OF VIOLENCE AND VANDALISM

There was no public comment forthcoming at this time.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
November 9, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Robert Johnson at 6:30 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Kaye, seconded by Mr. Hochman, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel, litigation and negotiations. The meeting reconvened to open session at 7:37 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience; there was a closed session and this portion of the meeting was starting late.

STUDENT REPRESENTATIVE COMMENTS

High School North: Chloe Barz stated that a lot of events have been happening in the school; one in particular should be noted. A gym teacher saved the life a 15 year-old student who had a heart issue by performing CPR and the family of the student is extremely thankful for his heroic act as are the students and faculty. A quick update on sports was provided remarking on the cross country team making it to the NJ Interscholastic Athletic Association Group 3 Championship Race after winning the sectional title tournament; and, the football team making it to the state playoffs. Then she spoke on the following topics: new lockers that are being installed in the school which she mentioned were great; Student Council has been busy planning for the Entertainment ToKnight fund-raising talent show; Red Cross Club's blood drive had a good turnout; and that tutoring was available for students after school in the Library. In addition, she commented that Glamour Magazine had filmed students in a class for an opening video for the award ceremony for the magazine's Woman of the Year Award; the director of the video was from WW-P.

High School South: Kushal Gandhi reported on the events for homecoming week: Alumni Brunch, record number of students attending the homecoming dance, student council's participation in the preparation for the dance, a great spirit week in which students dressing up to win points, food drive for cheerleading moms, and penny wars for the green club which contributed to the spirit week tally. He also spoke about the following topics: Violence Awareness Week indicating some

of the activities such as wristbands being given out, peer leaders giving short presentation on bullying, daily announcements with a quote of the day, and internet safety on computers; Model United Nations Club going to Rutgers University and Princeton; Marching Band attending the National Competition in Maryland; and upcoming events such as the orchestra concert on November 12th and the fall drama, "Lend Me a Tenor" on November 19th and 20th. Sports updates included: girls' soccer and boys and girls cross country win at Colonial Valley Conference, colonial division champions; boys cross country won Mercer County Tournament and they have NJ Interscholastic Athletic Association competition on Saturday; girls' volleyball having sectional semifinals - the furthest they have advanced in four years; and, girls' tennis won the Colonial Valley Conference, colonial division and advanced to the sectional finals, but had lost.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel pointed out that on tonight's agenda there are opportunities to honor teachers in our district and the support staff professionals with American Education Week November 14-20. She commented that the district has so many wonderful staff members and educators who are making important decisions and making a difference in our children's lives every day. Mark Wise, Supervisor of Instruction, has been awarded a Visionary Leadership Award and the Board will be accepting the award money on his behalf. Congratulations to all our educators and their accomplishments.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe recognized Gerri Hutner, Director of Communications, who has been recently honored by the New Jersey School Public Relations Association for the 2009-2010 School Calendar and for the 2010 district web site. He noted that Gerri has won several awards in the past for our calendars; this is the calendar's final year of the publication. This honor, by her peers, highlights the importance of strong communications for parents, teachers, students, and residents.

PRESENTATION: Student Assessment Presentation: Part 2

As promised last year, tonight's presentation is a continuation of our conversation on student performance; this will be an annual occurrence. Mr. Lazovick stated that at the October 12, 2010, meeting the presentation was on our overall performance on external indicators. External indicators are those assessments which we have no control over and from which we receive very little feedback other than overall results. Part 2 of the Student Performance presentation will use this data and look at the district's subgroups in comparison to each other; looking at the external data with internal groupings. Representation of the performance of each subgroup and their trends were reviewed in language arts and mathematics in the categories of white, African American, Asian, and Hispanic, sampling 4th, 8th, and 11th grades by partially proficient, proficient, and advanced proficient. This internal comparison allows the district to analyze, discuss, and ask questions as to the best way to help students continue to succeed. Essentially, when last year's trend lines are compared to this year's they are essentially unchanged, and our trend lines mimic our district's factor groups and the state's. The results show we are a high performing district with similar gap patterns indicating that the district is performing ahead of what the state would consider appropriate at the various grade levels but with the same trends in performance.

Overall, the trends indicate that our students are performing better as they get older. But, when you look at the individual ethnic groups by grade levels, a trend appears that the Hispanic population is not necessarily improving as they move through the grades. This is a state-wide issue mostly attributed to the fact that most of these students are second language learners. Therefore, we need to ask different questions to this group than to the others because they have

reacted to the test differently. This data will shape how we approach individual instruction as opposed to specific grade level instruction. He did note that in mathematics there was a trend in the Asian population that if a student is proficient in 3rd grade they tend to remain proficient as they advance.

Mr. Lazovick indicated that there have been questions regarding the state testing report and Adequate Yearly Progress (AYP). The district is measured each year to ensure that an appropriate number of students pass (proficient and advanced proficient) the state test in each grade span in all subgroups. Grade spans are as follows: 3-5, 6-8, and 9-12; average scores are reported by grade span not by school building. When you review the AYP reports from the state, district performance will vary depending on the year because of the shifting population of students and the fact that the state changes the required targets. Even though the district's year-to-year progress varies, our performance trends during this same period have remained the same. He noted that even if we have the same performance next year, the district may not have the same AYP numbers simply because the state chooses to raise the bar. Test scores do not match the AYP scores because test scores are for one specific year, and AYP is calculated at each span differently.

If a district does not meet AYP in a particular subgroup and content area, it can still make what is known as Safe Harbor. To reach Safe Harbor, a district needs to move 10% of the students who were partially proficient from the year before to proficient status. In doing so, the state feels that a district has shown adequate growth. In the past we have always met AYP, so Safe Harbor was never an issue; but, as that bar continues to be raised closer to our performance levels, Safe Harbor may be something the district needs to talk about in the future.

Mr. Lazovick stated that we are not waiting for the state reports to be released once a year to figure out how we should be instructing our students. The district has contracted with Performance Matters, an on-line data warehouse and management support system, to have ready access to the information and resources needed to sustain student learning and effective instruction. This allows us to make predictions on how our students are performing and determine the best way to help them throughout the year. For our educators, this is a "real time" tool to help them with instruction on a student-by-student basis, allowing teachers to analyze where each student is in each content area and to try and adjust instruction on a day-by-day basis depending on what that individual student's need are.

A discussion ensued covering the following: Safe Harbor, grade spans, scoring proficiency numbers, Performance Matter training, ethnic trends, state testing averages, cohort reports, and alternate high school assessments.

PUBLIC COMMENT

Bruce Salmestrelli, WWPEA, spoke about education and the district's successful partnership between the community, teachers, students, staff, Board of Education, and administration.

COMMITTEE REPORTS

Curriculum and Instruction

Mr. Manikandan reported that the committee met on November 2, 2010, and covered the following topics: exceptionality update with a K-12 outline including a mission statement, instructional components, and a pilot initiative program as a model going forward; mid-year technology updates with the new virtual desktop initiative going smoothly, training being provided by the instructional support team, and the centralized technical team activities and challenges; NJ Quality Single

Accountability Continuum which is on the agenda tonight; program review updates on social studies which the external report has been received and is under evaluation, language arts will begin their investigations with both the internal committee and external consultants, and special services' proposals are being reviewed; teacher evaluations continue to move forward with its updated process and framework; music program review of current system with the possibility of applying Honors level status and the review for a special travel request; review Option ii effect to implement common assessments as prescribed by the state; achievement gaps presentation; and, professional development travel, Renzulli Learning software agreement, STARTALK grant application and NJPSA and NCLB grant acceptance which are on tonight's agenda for approval.

Administration & Facilities

Mrs. Walsh stated that the committee met on November 2, 2010, and reviewed the 2011-2012 school calendar; discussed the October 15th Seat Count Report; reviewed the potential impact of the two new developments in West Windsor; continued policy 5000 Series (pupils) assessment; and, the review of the Memorandum of Agreement on field lights which draft copies were made available to the public.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
November 23, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:34 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Manikandan, seconded by Mr. Johnson, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel, litigation and negotiations. The meeting reconvened to open session at 7:37 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mrs. Ellen Walsh
Mr. Todd Hochman	Mr. Alapakkam Manikandan	

Board Member Tucker was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent of Pupil Services/Planning; Russell Schumacher, Special Assistant for Labor Relations; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience; there was a closed session and this portion of the meeting was starting late.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel stated that Dr. Aderhold would be making a presentation tonight focusing on our current budget that we are living with this school year. She stated that by reviewing the 2010-2011 budget, we can reflect on the changes and reductions we have made. Research tells us that successful schools are characterized by dedicated educators, motivated students, involved parents, and a supportive community. This partnership helped us as we created the budget for the 2010-2011 school year which was subsequently approved by both Plainsboro and West Windsor. For the support of our communities, we are most grateful. That budget reflected a loss of \$7.7M in state-aid. About half of that loss was funded by the taxpayers and tonight Dr. Aderhold will present how we reduced the other half. It is important for all of us to understand how difficult it was to achieve these reductions before we begin the new budget process. These reductions impacted the way we work and the programs we offer while holding true to our mission and values. We worked to have the least impact on students, teachers, and instructional materials as possible.

Dr. Kniewel emphasized that next year's budget will be difficult, and we will partner with our stakeholders to maintain the integrity of the education program in these challenging fiscal times.

PRESENTATION: Reviewing the 2010-2011 Budget

Dr. Aderhold reviewed the history of the 2010-2011 budget. He stated that the district initially was operating under an assumption of reaching a 2.2% budget to budget increase. In partnership with the unions, some administrative reductions, and some economies from the possibility of savings in Buildings & Grounds, the district was looking at a reduction of \$3.4M (with an assumption of \$1.5M built-in from Buildings & Grounds). He noted that the Board did not take any formal action on Buildings & Grounds until April. At the time, the district was working under the assumption of an unknown reduction in state-aid; it was anticipated to be 5% to 15% of the state-aid. Instead, it was a reduction of 5% of the overall budget or \$7.7M of state-aid. Quickly everything had to be acted upon including discussions with building administrators, district administrators, staff, and the associations. Overview of the 2010-2011 budget staff reductions included: elimination of 34 positions in order to arrive at a net reduction of \$3.4M (includes retirees). Staff members were transferred based upon district need, certifications, seniority, and tenure; position increases represent budgeted growth for Integrated pre-School at Hawk and a Pre-school Autistic class at Dutch Neck (brought students back to the district counterbalancing out-of-district tuition costs), and addition of one 5th grade class at Millstone River due to high enrollment numbers in 4th grade. District-wide reductions included: reduction of five supervisory positions (K-3 Math Supervisor, K-5 Supervisor, 4-8 Science Supervisor, 9-12 Mathematics Supervisor, and 4-8 Language Arts Supervisor); reduction of 3.5 secretarial positions (retirements and repositioning); realignment of Buildings & Grounds services; reduction in capital spending from \$1.5M to \$1.25M; reduction in printing costs; reduction in Charter School allotment; reduction in Central Office staff and supplies; \$250,000 reductions in school-level spending for supplies; and, increasing student-teacher ratios throughout the district (as appropriate). All schools had reductions in the following areas: staff through increased class sizes; grade level and classroom supplies; health, guidance, and library supplies and subscriptions; travel and workshops; field trip funding; student agendas; additional time for nurses, guidance counselors and librarians; and, a decrease in textbooks accounts. The elementary school level had a reduction of K-4 health teachers and elementary computer teachers. The middle school level had an elimination of a mini-team for a reduction in the number of middle school teaching positions; restructuring of support teachers; and, reduction of Outdoor Education. The high school had a reduction in staff through increasing class sizes, reduction in the number of coaches and programs in athletics and co-curricular activities, leveling of co-curricular accounts, and reduction of head teacher stipends. Athletic reductions in middle and high school sports (fewer offerings); reductions in under-subscribed programs; shorter sports season; consolidation of 7/8 grade sports program (1 team per sport); fewer officials and equipment reconditioning; fewer buses for travel; reduction for transportation for middle school (98 events); reduction for transportation for high school (40 events); and, no in-house tournament officials or police for Booster Club Sponsored Events (Pirate Invitational, North Knight Invitational, and JV B-Ball Tournament). In the area of student support services a reduction of release time for Head Nurse (transferring a 0.6 FTE nursing support from Hawk to HS North); in the Guidance Department, internally filled Hawk Guidance vacancy; reducing 1 counselor at Grover MS and .5 counselor at Community MS; and, the reduction of Middle School Lead Counselors. Student transportation saw a consolidation of bus routes as a means to help to save costs.

A lot of conversations and collaboration went into the 2010-2011 budget and we took steps we did not anticipate due to the large reduction in state-aid. In the end, it had an impact on how we provide programs to students. Educational excellence combined with fiscal moderation is not easy to achieve. One of the focuses in the 2010-2011 budget was to keep the reductions away from the classroom as much as possible.

Dr. Aderhold stated that as we subsequently prepare the 2011-2012 budget, we will look at the core of our mission statement and hold true to our values. "The mission of the West Windsor-

Plainsboro Regional School District, valuing our tradition of excellence, is to develop all of our students as passionate, confident, lifelong learners, who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world.”

Mr. Marathe noted that last year it was an understatement to say that putting together the 2010-2011 budget was a challenge; the reductions are still being felt across the district at all levels. He commented that not having the charter school approved last year did help the current year budget. However, in the 2011-2012 budget we may lose \$1M out of it for the charter school if it is approved. This and the current economic situation will even make the 2011-2012 budget more challenging since we cannot increase the budget over the 2% cap.

PUBLIC COMMENT

Expressing their concerns in various areas of the proposed agreement on field lights at the high schools, Genevieve Stiefel and Sara Spengler-Campanella, spoke; then, Sara Spengler-Campanella read a statement for Ravi Jumani.

Debbie Baer, WWPEA president, spoke about the budget and the “tool-kit” the Governor has proposed.

Patrick Boyle addressed some of the concerns expressed about the field lights and noted the possibility of using solar.

Mr. Marathe welcomed the comments and concerns on the proposed field light agreement. He requested them to be given to Dr. Aderhold or Board Member Walsh so that they can be reviewed and modify the agreement, as appropriate, at the next Administration & Facilities Committee meeting that is scheduled on November 30th.

COMMITTEE REPORTS

Administration & Facilities

Mr. Marathe noted that the committee met on November 16, 2010, and is continuing to review policies and regulations. There will not be a summary.

Finance

Mr. Farrell stated that the committee met on November 16, 2010, reviewed the agenda items and supported them. They discussed the need, on occasion, for on-call sub bus drivers and on-call substitute athletic trainers which will be placed on the annual substitute agenda schedule. The 2011-2012 budget was discussed. Meetings are scheduled with the township mayors in December. The discussion included a presentation of the 2010-11 reductions which will be presented tonight and the potential savings in shared services. An update was provided for the Buildings & Grounds and Aramark’s transition. Aramark had started slowly in July, but ramped up in August. The district took a July credit of \$110 thousand dollars for services not provided that month. In consideration of the subsequent effort made to catch up on this work, the committee agrees with reinstating half that amount. This leaves the cost for the year at less than the contractual total for the year. It was noted that Aramark’s maintenance personnel have not only been performing routine maintenance as specified by contract, but have been addressing maintenance issues left undone for several years. The third quarter unemployment data was reviewed along with the federal government’s potential to extend the eligibility period and the impact that such a decision will have on the district’s unemployment fund balance. The concept of Choice Schools and the different rules impacting both the receiving and sending school district were discussed. The Solar Phase II effort was discussed

with 1,070 KW at seven schools at a cost of \$6.4 million; but, with state debt service aid, energy savings, sale of SRECs, and CREB impact on interest costs, this project, if approved by voters, would be cash positive in the first twelve months of operation.

ADMINISTRATION

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

DISCUSSION: Field Lights Proposed Agreement

A discussion ensued on the proposed agreement between the Board of Education and the WW-P High School South Booster Club concerning field lights at High School North and High School South. Topics included: comments made this evening; funding; cost overruns; cost of renting fields; banners on light poles; types of advertising; long-term maintenance costs; increase in use for activities; and type of sports who will use these fields. In general, the board was pleased with the proposed agreement, but welcomed the public comments and concerns. These concerns will be reviewed and looked into.

It was noted that the proposed agreement is only for fund-raising; the current proposed agreement is on the WW-P website. This topic will be voted on at the next board meeting.

CURRICULUM AND INSTRUCTION (None)

FINANCE

Corrections were made to Finance Items as follows: 1a – date change; 1b – deleted; 2 – date and run numbers were added.

Upon motion by Mr. Fleres, seconded by Mr. Farrell, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Prepared by:

Kathleen M. Bertram

**MINUTES OF BOARD OF EDUCATION MEETING HELD
December 14, 2010**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:31 p.m. in room 501 of Community Middle School. Upon motion by Mr. Fleres, seconded by Mr. Johnson, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel and negotiations. The meeting reconvened to open session at 7:54 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh
Mr. Todd Hochman		

Board Members Kaye and Tucker were absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State’s Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro’s and West Windsor’s township clerks and in each of the district schools.

BOARD PRESIDENT’S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience; there was a closed session and this portion of the meeting was starting late.

STUDENT REPRESENTATIVE COMMENTS

High School North: Chloe Barz spoke about the following items: seniors hosting the Battle of the Bands on January 7th; “Beauty and The Beast” will be the winter musical; bowling night was held on December 11th by the Kids for Kids school club; Dine for Darfur was held by STAND (Students Taking Action Now Darfur) which had two main goals: raising money for Darfur Peace and Development and to raise awareness about the genocide in Darfur; High School North Interact Club will be having a “King of Swing Dance Competition” with the event’s proceeds being donated to St. Jude’s Children’s Hospital; auditions are being held for Mr. North’s senior talent show; recently held assemblies: Anti-Bullying, organ donation, and drunk driving; and, the David Bachner Hock Game in which North v. South with proceeds going to the Bachner foundation.

High School South: Kushal Gandhi talked about recent events such as the Orchestra Children’s Concert on December 5th; “Lend Me A Tenor” fall drama success; a great turn out for the Craft Show with students from various clubs helping out with the set-up/clean-up; Model United Nations Club – winning the best small delegation at Rutgers University and winning the outstanding large delegation at Princeton; and, the Kwanzaa Celebration with a guest speaker. On upcoming events, he spoke about the December 21st choir concert; Science Olympiad Invitational completion at

Valley Forge; December 17th band concert; Student Council's annual Children's Holiday Breakfast; Student Council Representatives' State Board Meeting being hosted at South; and, about Prematurity Awareness Week in which the Student Council held a "Stop the Bop" fundraising event for the March of Dimes. He mentioned that NJQSAC state monitoring inspection at South took place and the positive feedback that was received; and, on December 9th, South had their first safety/lockdown/external threat drill which was a joint effort between South's administration, security, and police personnel.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel commented that it was the last meeting before the winter break and extended her wishes for everyone to have a happy and health New Year.

Mr. Marathe also wished everyone a happy holiday and good 2011.

PUBLIC COMMENT

Pete Weale spoke about the efforts that have been made over the last seven years to have field lights at the high schools; and, was pleased to see this move forward.

COMMITTEE REPORTS

Curriculum and Instruction

Mr. Manikandan commented that on December 8th the committee had a long meeting discussing the following items: committee members receiving laptops as the district continues to move to a paperless environment; NJQSAC update indicating the district did well in most areas, but did lose points based on student performance on the state's standardized tests due to the failure of certain subpopulation's to meet Adequate Yearly Progress; program review updates included: Science – reviewing progress recommendations, Social Studies – reviewed external consultant's findings and is conducting its review in grade-level clusters, Language Arts – beginning its grade level clusters review and the external consultant is set to begin its review in January, Special Services – after a lengthy process, a consultant is being recommended; 2011-2012 Program of Studies for the high schools which reflects changes required by the Department of Education; updates on the following: district's new teacher three-year induction model which is almost complete, all district administrators have been trained on the Performance Matters system which currently has only external data but by year end internal assessments at each level will be piloted, and the new evaluation process for faculty and staff evaluations; a discussion on the district's Resource Specialist for Exceptionality and the pilot of a new identification system; review and feedback on the final report from the African American Parent Support Group on their independent Summer Math Program; participation in the Delaware Valley Minority Student Achievement Consortium; and, renewal of the annual subscription for Infinite Campus.

Administration & Facilities

Mrs. Walsh stated that the committee met on November 30, 2010. The finalization of the Memorandum of Agreement for Athletic Field Lights was discussed with consideration to public comments and concerns. Other topics included: candidates for the 2011-2012 capital projects list; review of the 2012-2013 school year calendar; review process for annually reviewing and updating the Student Code of Conduct as required by QSAC; reviewed a request to study the impact of school gardens in school districts; preliminary discussion of Policy 7250 – School and Facility Names; and, scheduling a meeting with the Business Office to discuss the recommendation on the capital project list for 2011-2012.

Finance

Mr. Fleres reported that the committee met earlier this evening. Agenda items were reviewed and are supported by the committee. An update on the Phase II Solar was provided for the seven schools. If the bond referendum is successful, it will bring the total number of district buildings generating solar to nine. The critical hurdle is getting state approval for the upcoming referendum which is in their hands now. He did point that the solar will provide a positive cash flow during the first twelve months of operation. Between the energy savings, sale of Solar Renewal Energy Certificates, and debt service aid, the Phase II Solar will more than cover the interest and principal on the bonds. The upcoming 2011-2012 budget was discussed. With the 2 percent Cap, it will be a tough budget to develop. The “tool-kit” districts’ have been promised, so far has been just an “empty” box. The district continues to wait for the state to release the “tool-kit” information.

It was noted that the vote for the bond referendum is anticipated to be in April with the budget vote.

ADMINISTRATION

It was requested to vote on Administration Items 1 and 3; Items 2; and 4 separately.

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

CJPRIDE

1. To approve the joint purchasing and service agreement related to diversity recruitment for the Central Jersey Program for the Recruitment of Diverse Educators (CJPRIDE), a consortium of public school districts composed of East Windsor Regional School District, Ewing Public Schools, Franklin Township Public Schools, Hamilton Township Public Schools, Hillsborough Township Public Schools, Hopewell Valley Regional School District, Jackson School District, Lawrence Township Public Schools, Middlesex County Vocational, Montgomery Township School District, Princeton Regional Schools, Robbinsville Public School District, South Brunswick School District, and West Windsor-Plainsboro Regional School District through June 30, 2011, at a discounted cost of \$25; West Windsor-Plainsboro Regional School District serves as the facilitating school district.

Consultant

3. To approve the appointment of The American Productivity and Quality Center (APQC) as a consultant for January 4-5, 2011, for a cost of \$5,500 plus travel expenses; the total cost will be shared by West Windsor-Plainsboro Regional School District, Princeton Regional Schools, Montgomery Township School District, and Scotch Plains-Fanwood Public Schools.

Mr. Marathe noted that there would be changes to Administration Item No. 2 and proceeded to read the changes which will be reflected in the final letter.

Upon motion by Mr. Farrell, seconded by Mr. Johnson, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved with the changes read by Mr. Marathe:

Charter School Legislation

2. To approve the sending of a letter to Governor Christie, the Commissioner of Education, and appropriate New Jersey legislators supporting legislation that would strengthen accountability for charter schools.

A brief discussion ensued on the Memorandum of Understanding for the field lights. It was recounted that the Board clearly does not intend to spend any dollars on the field lights including any maintenance costs. As we go forward with this project and should this not be the case, then the district will simply “pull the plug” and not use them. In the agreement, there are several clauses that unmistakably indicate that the Board will not spend any district funds to support the lights; this will also include any warranty issues.

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Field Lights

4. To approve the proposed agreement between the Board of Education and the WW-P High School South Booster Club concerning field lights at High School North and High School South.

The Board of Education acknowledged and praised Pete Weale’s efforts in previous years on the field lights. It was noted that previously the Board could not move forward with the lights because action on the artificial turf fields took priority. Again, the Board Members thanked him and appreciated all his efforts on the district’s behalf. The board also appreciates the current volunteers that are working to bring the lights into existence.

CURRICULUM AND INSTRUCTION

Program of Studies

Mr. Lazovick presented a draft version of the 2011-2012 High School Program of Studies to the Board. He reviewed the updated state requirements including the addition of geometry or its equivalent in Mathematics; the clarification of the means by which students can fulfill their required coursework in World Languages without classwork; the 2.5 credit financial literacy requirement beginning with the current freshmen; and the offering of Environmental Sciences as a full-year option to fulfill science requirements. He also reviewed district changes to the document including: formatting changes to facilitate easier use and understanding of the document; the inclusion of technology as a clear graduation requirement that must be embedded in the curriculum; the addition of a Conceptual Physics course to allow all students, regardless of previous math work, to benefit from the taking of physics earlier in their science progression; the extension of the current Forensic Sciences course to a full year in order to enrich the experience for students; and the splitting of our current Meteorology and Oceanography course from one full-year course into two semester courses in order to open more scheduling options for our students. He also highlighted the required change in credit requirements issued by NJSIAA, which students must be in compliance with in order to participate in Athletic and Co-Curricular activities. Finally, Mr. Lazovick shared that the state has suggested that it will waive the NJ Biology Competency Test as a requirement beginning with this year’s freshman class. This still appears in the draft as a requirement and will be modified if and when the NJDOE issues this statement to districts in writing.

It was noted that the 2011-2012 High School Program of Studies will be voted on in January. It will be placed on the website.

A discussion followed which included: changes in graduation requirements; offering of a Conceptual Physics course; biology; Option ii; world language credit requirements; and, science courses.

It was requested to vote on Curriculum & Instruction Item 5 separately.

Upon motion by Mr. Manikandan, seconded by Mr. Fleres, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Grant

2. To accept the entitlement grant of \$357,128 for the “No Child Left Behind Act” Consolidated formula sub-grant from the State of New Jersey (formerly the IASA), for the Fiscal Year 2011, Grant Number NCLB571511.

Title I Part A Basic	\$ 165,121
Title II Part A	\$ 131,065
Title II Part D	\$ 331
Title III	\$ 60,611

Consortium

3. To participate in the Delaware Valley Minority Student Achievement Consortium, a project with 25 area school districts and the Penn Center for Educational Leadership in the Graduate School of Education at the University of Pennsylvania for the purpose of reducing disparities in achievement between minority and non-minority students, for the 2010-2011 school year at a cost of \$14,000 to be paid through Title I grant funds.

Student Information System

4. To renew the annual subscription with Custom Computer Specialists, Inc., for the Infinite Campus District Edition student information data system software license and support from December 1, 2010, to November 30, 2011, in the amount of \$121,042.35, based upon enrollment. [There is no increase in the per-student subscription cost.]

A brief discussion arose on the external consultant process. Two consultants were chosen and interviewed. During the interviews, additional concerns arose. These concerns were made known to each of the consultants and they were asked for a second proposal that dealt with the stated concerns. Based on the second proposals and a follow-up meeting, the decision was made.

Upon motion by Mr. Manikandan, seconded by Mr. Fleres, and by roll call vote with six Board Members voting yes and Mr. Farrell abstaining, the following board action was approved:

Program Review

5. To appoint Dr. Michele Wilson Kamens to serve as the external consultant to the Special Services Program Review at a cost not to exceed \$27,500.

FINANCE

A Finance Addendum was added for capital projects.

Upon motion by Mr. Fleres, seconded by Mr. Farrell, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Business Services

1. Payment of bills as follows:
 - a) Bill List for December 14, 2010 (run on 12/9/10) in the amount of \$10,126,790.97
 - b) Capital Projects Bill List for December 14, 2010 (run on 12/8/10) in the amount of \$20,677.70.
2. Budget transfers as follows:
 - a) 2010-2011 school year as shown on the expense account adjustments run on December 9, 2010 (Adjustment No. 223-292).
3. To accept the following reports, which will become a permanent part of the Board Minutes:

A-148 Report of the Secretary to the Board of Education as of October 31, 2010, indicating that no major account is over-expended and the board secretary certifies that no line item is over-expended and that sufficient funds are available to meet the district's financial obligations for the remainder of the year.

A-149 Report of the Treasurer of School Monies to the Board of Education as of October 31, 2010.

Travel and Related Expenses Reimbursement

4. As required, pursuant to *N.J.S.A. 18A:11-12*, Board Bylaw 0147, Board Policy 3440, and Board Policy 4440 require the Board of Education to approve in advance certain travel expenditures of Board members and school district employees. Travel expenditures incurred by the Board of Education or reimbursed to Board members or employees must comply with the requirements and limitations contained in *N.J.S.A. 18A:11-12*, the aforementioned Board bylaw and policies, and are subject to the annual limitation on the district's travel expenditures established by the Board of Education. All requests for approval of travel by school district employees that require the approval of the Board of Education have been reviewed and approved by the Superintendent of Schools.
 - a) To approve travel expenses for district employee participation in the Delaware Valley Minority Student Achievement Consortium, excluding overnight travel, at a cost not to exceed \$1,000 to be paid through Title I grant funds.

Change Order

5. Change Order No. 2 – General construction for American Asphalt Co., Inc., for the Parking Lot & Related Work at the Dutch Neck Elementary School (Architect/Planner Project #3938), as recommended by Fraytak Veisz Hopkins Duthie, P.C., for cost of site lighting electrical redesign work (conductor sizes) required because the site lighting conduit was not installed in compliance with Dwg. E100, in the credit amount of \$1,000. This change order decreases the contract amount of \$158,254 to \$157,254.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
January 11, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:35 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Tucker, seconded by Mr. Kaye, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving negotiations, personnel, litigation and pupil privacy. The meeting reconvened to open session at 7:30 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Randall Tucker
Mr. Anthony Fleres	Mr. Richard Kaye	Mrs. Ellen Walsh
Mr. Todd Hochman	Mr. Hemant Marathe	

Board Member Manikandan was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting.

STUDENT REPRESENTATIVE COMMENTS

High School North: Chloe Barz reported that one of the biggest recent events that has been benefiting the students is the ability to access their school computer accounts from home which has been making it easier for students to make-up work and have accessibility to work on school projects by using the school's software and programs. She spoke about the following events: Improv Show on January 14th; Kids for Kids club's fundraiser at Cheeburger Cheeburger where a percentage of the proceeds will go towards buying school supplies for underprivileged children; Post Prom Fashion Show at the Can Do Fitness Spa on January 30th; Blood Drive on January 18th with the proceeds going to the student council scholarship funds; and, about the student council working diligently on their biggest event of the year, Mr. North, which is a beauty pageant for male seniors on February 4th. Also, she mentioned that this past Friday was North's Battle of the Bands which had a great turn-out and raised a good amount of money for the senior class. Bands ranged from groups of freshman to groups of seniors and all of those in between.

High School South: Kushal Gandhi talked about recent events such as that the Science Olympiad had sent two teams to the Valley Forge invitational and received 1st and 2nd place out of about thirty teams and they will be attending the regional competition at NJIT on January 14th; Model United Nations Club recently had WWPMUNC, a conference consisting of North and South delegates, and plan to attend the Ivy League Model United Nations Conference at the end of January; and, Future Problem Solving completed their second practice problem and their next one will be the qualifying

problem for the State Bowl. He then spoke about the following upcoming events: South's college planning night on January 20th which provides important information to the students about the college process; principal and the Gay Straight Student Alliance meeting on school-wide activities for no name calling week which will include anti-bullying; rehearsals have begun for the spring play; and, South's band festival is scheduled for January 21st. He also stated that the student council recently held two events, a holiday breakfast which was great with many children coming for the breakfast and activities as well as a charity magic show for cancer. He then spoke about the new locked doors policy which has been implemented at South which re-enforces students prompt arrival to school and back from lunch. Also, he mentioned students now having the ability to access their school drive from a personal computer at home which has received very positive responses from students.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel wished everyone a Happy New Year. She indicated that the district has been working hard on the budget process and budget planning. January 25th will start the public discussions of the upcoming budget at our regular board meeting. Also, on January 27th at 7 p.m., the district will hold a community forum at High School South to provide opportunities for discussions and to hold a two-way dialogue on the budget. She invited everyone to attend this community forum – parents, students, staff, residents, and elected officials.

PUBLIC COMMENT

Linda Geevers stated that the West Windsor Council has received complaints about the athletic field lights and hope the district continues to work with community residents.

COMMITTEE REPORTS *(None)*

ADMINISTRATION *(None)*

CURRICULUM AND INSTRUCTION

It was requested to vote on Items 1 and 2 together and Item 3 separately.

Upon motion by Mr. Kaye, seconded by Mr. Johnson, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Program of Studies

1. To approve the 2011-2012 High School Program of Studies.
[When approved, the Program of Studies will be placed on the district web site.]

Grant - Amendment

2. To amend the "No Child Left Behind Act" Consolidated formula sub-grant (formerly the IASA) Grant Number NCLB 571510 from the State of New Jersey, originally accepted on February 9, 2010, to \$372,031 including prior year carryover.

Title I Part A Basic	\$ 162,093
Title II Part A	\$ 132,403
Title II Part D	\$ 1,654
Title III	\$ 59,929
Title IV	\$ 15,952

A brief discussion ensued on High School South's overnight field trip. It was noted that this trip is for the 2011-2012 school year, but because of travel lead times planning would need to begin this year. Mr. Tucker confirmed that the cost of this trip would be at the student's expense.

Mr. Kaye commented that this item came to the Curriculum & Instruction Committee over a year ago. There were questions related to it in regards to policy and it was sent back to the staff a few times. We now have both high schools following the set terms for the same number of trips and number of years. The committee is recommending the approval of this item as it replaces another trip that did not conform to policy. Now, all the components of the musical program will fall into the same trip sequence of once every so many years to conform to the policy.

Mr. Hochman conveyed his appreciation for the time and hard-work that went into policy consistence. He expressed concerns about the field trip which included the length of the trip, cost, difficult economic times, affordability of parents to pay, and meshing with the concept of a free public education.

Mr. Marathe clarified that this part of the discussion has been going on for approximately 8-10 years. Formerly, the high schools' music groups would take European trips every other year and these same concerns would arise. The students confirmed that these were some of the best experiences they had ever had and wanted other students to have the same opportunities in the future. Two years ago, after much debate and compromise, it was determined that the trip would take place every three-years. Thus, every student would have the opportunity to go once since freshman usually did not qualify since a student had to be in a higher orchestra to make the trip. This particular trip, a special request was made to switch years so that the students could participate in this unique event to perform which means there will not be a trip the following year which will place the music program back on its three year cycle. Another stipulation was that the band, orchestra, and choir would attend together.

Upon motion by Mr. Kaye, seconded by Mr. Johnson, and by roll call vote with seven Board Members voting yes and Mr. Hochman voting no, the following board action was approved:

Overnight Field Trip

3. To approve an overnight field trip for HS South Orchestra to Pearl Harbor, Hawaii, for the Pearl Harbor 70th Anniversary "Remembering the Heroes" concert event at the University of Hawaii and the USS Bowfin Submarine Museum and Park, from November 19, 2011, to November 26, 2011. The cost of the trip is approximately \$2,200 per student.

FINANCE

Upon motion by Mr. Tucker, seconded by Mr. Fleres, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Business Services

1. Payment of bills as follows:
 - a) Bill List for January 11, 2011 (run on 1-6-11) in the amount of \$10,697,360.77.

Transportation - Cancellation

- Cancel Student Transportation Contract, Multi Contract RB-SE10 Route OBLR awarded on December 14, 2010 to Rick Bus Company for the 2010-2011 school year to reflect a change in the student's residence. Total route cost \$1,230.00.

Other Capital Project Submission

- Resolved, that the West Windsor-Plainsboro Regional School District Board of Education approve the following projects:

WW-P High School South	Replacement of Existing Acid Waste Tank
J.B.V. Wicoff Elementary	Operable Partition Replacement in Rooms 12/13

Be It Further Resolved that the district's architects, Fraytak Veisz Hopkins Duthie, P.C. (formerly Faridy Veisz Fraytak, P.C.), are authorized to submit the above projects to the New Jersey Department of Education for approval on the district's behalf.

Be It Further Resolved that the above projects be approved as "other capital project" as defined in *N.J.A.C. 6A:26*. The district will not seek State funding for the above projects.

Long-Range Facilities Plan

- Resolved, that the West Windsor-Plainsboro Regional School District Board of Education approve the amendments to the Long-Range Facilities Plan by Fraytak Veisz Hopkins Duthie, P.C. (formerly Faridy Veisz Fraytak, P.C.) to incorporate the projects at the following district schools:

WW-P High School South	Replacement of Existing Acid Waste Tank
J.B.V. Wicoff Elementary	Operable Partition Replacement in Rooms 12/13

PERSONNEL

Under C: Non-Instructional, the last item was removed from the personnel agenda.

Mr. Marathe acknowledged the retirement of Rosemary Geel, teacher, and thanked her for her 15 years of service to the district.

Upon motion by Mr. Kaye, seconded by Mr. Farrell, and by roll call vote with all board members present voting yes, the following board actions were unanimously approved:

**MINUTES OF BOARD OF EDUCATION MEETING HELD
January 25, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:05 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Fleres, seconded by Mr. Kaye, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel, litigation, and negotiations. The meeting reconvened to open session at 7:33 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Todd Hochman	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mrs. Ellen Walsh

Board Member Manikandan, Tucker, and Johnson were absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; and Russell Lazovick, Assistant Superintendent, Curriculum and Instruction.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Mr. Marathe welcomed everyone to the meeting and thanked them for coming; there was a closed session earlier, so the meeting has already been opened.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel stated that January has been designated as School Board Recognition Month and congratulated and thanked the entire board on behalf of the school district, community members, and students. School Board Members represent everything the school district mission statement stands for and are contributing members of our society as well as role models for service to the community. She read the following resolution:

Whereas, the governor of the state of New Jersey has declared January 2011 to be School Board Recognition Month; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education sets policies and oversees operations for this public school district; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education embraces the goal of high-quality education for all New Jersey public school students; and

Whereas, the members of the West Windsor-Plainsboro Regional School District act as advocates for all WW-P students as they work with administrators, teachers, staff, and parents for the betterment of public education; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education provides accountability to the public; the members communicate the needs of the school district to the public; and the members convey to school administrators the public's expectations for the schools; now, therefore be it

Resolved, that along with the governor of the state of New Jersey, we recognize January 2011 as School Board Recognition Month by honoring John Farrell, Anthony Fleres, Todd Hochman, Robert Johnson, Richard Kaye, Alapakkam Manikandan, Hemant Marathe, Randall Tucker, and Ellen Walsh.

PRESENTATION: Engaging the Community for Budget Preparation

Dr. Kniewel commented that the budget would be discussed in two separate parts this evening. The first part will be the Engaging the Community for Budget Preparation presentation which will focus on the process that has been used to engage the community. She stated that with challenges come opportunities, and with the recession and lost state-aid, the district has been taking that opportunity to restructure for better efficiencies and for what we believe to be better opportunities for our students as well. Engaging the community is a year-round proposition with monthly and regularly set meetings with various stakeholders. New this year, was participation with other school districts in a process and performance management strategies training. The main purpose of this approach is transparency to the community with a system to set targets, gather and discuss ideas, review and evaluate, and to report and implement. Ideas are evaluated with some of the following criteria in mind: impact on students, alignment with core values, dollar impact/savings, time involvement/effort, policy/contract/legal concerns, level of risk, impact on other processes, and the likelihood of success. Last year, a number of high impact reductions were made especially with the additional loss of state aid. As the 2011-2012 budget is prepared this year, the process will be a very difficult one as we work with reductions, still keeping in mind our criteria, mission statement, and core values.

Mission Statement: The mission of the West Windsor-Plainsboro Regional School District, valuing our tradition of excellence, is to develop all of our students as passionate, confident, lifelong learners, who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world.

Core Values: We believe that continuous learning is essential for individual fulfillment and for the advancement of society. We believe that every individual has intrinsic worth. We believe that embracing diversity enriches and empowers our community. We believe that honesty, integrity, and trust are cornerstones for continuing excellence. We believe that people reach their highest potential when challenged to believe it is possible. We believe that openness to change is essential to progress and future viability.

Dr. Kniewel stated that she will be hosting a community forum on January 27, 2011, at 7 p.m. at High School South. The purpose of this first-ever community forum is for parents, students, staff, residents, and elected officials to come together and discuss priorities for the school district. Together the various stakeholders can share their ideas and understand how these ideas may affect other stakeholders. This forum will provide opportunities for all attendees to be a part of a larger discussion about the district's vision and priorities.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe reiterated that the community forum will be held this Thursday, January 27th, at High School South. This is an opportunity to better understand the budget process. Everyone is invited and encouraged to attend and participate.

PUBLIC COMMENT

Radhika Dukkipati spoke about special services. Linda Geevers thanked the board members for their service to the community, and commented on the recent snowstorms and on the budget process. Pete Weale commented on budget information. Debra Baer also thanked the board members for their service and appreciates the forum approach with the stakeholders.

2011-2012 Budget Discussion

Mr. Shanok led the budget discussion emphasizing that the budget will be discussed at each board meeting in February and March highlighting various aspects of the budget. At these meetings, budget managers will present their perspectives on their actions, programs, movements, restructuring and/or reductions. As the budget is developed, we are conscious of the difficulties that lay ahead of us and we are being mindful of our mission statement and core values.

Mr. Shanok reflected that the 2010-2011 budget cycle was a very difficult one. It included a last minute loss of \$7.7M in state-aid. In 2008, a state funding formula was passed providing WW-P with \$22,613,344 in state-aid; but, the actual state-aid was reduced to only \$10,690,743: diminished by more than one-half. And, now our state-aid has been reduced by an additional \$7.7M. “Uncertainty” exists about our future state-aid and the outcome of the Governor’s tool-box effort. Mr. Shanok touched briefly on the 2010-2011 reductions that were covered by Dr. Aderhold at the November 23, 2010, board meeting. With the 4% cap last year, the consequences of these reductions have impacted our programs and personnel. As the 2011-2012 budget is prepared, reductions do not come easily; reductions will affect our students. In the earlier presentation, the Superintendent described our new approach. Embracing this process will include: engaging stakeholders, using a facilitator, process and performance management strategies, understanding choices, changes due to additional information, and implications of

those choices. Mr. Shanok took a few minutes to recap the ongoing cost reduction measures which the district continues to work towards for greater and greater efficiencies. Some of these efforts include: shared services for items such as insurance, goods and services, natural gas and energy, joint purchasing groups, state contracts, bus jointures; In-district Special Services which brought back eight programs which provides better services to students as well as being cost-effective; Solar Phase I that is an active pilot project at the high schools which has generated 110,000 kwhr since the summer; and, reducing printing costs with items being on-line such as the program of studies, flyers, and the district calendar. In addition, the \$7.7M reduction in state-aid last year decreased district personnel from the 2009-2010 levels; in 2010-2011, administrators went from 49 to 44; teachers 877 to 856; and, non-certificated 402 to 276.

As the 2011-2012 budget is developed, the general fund tax levy is subject to the 2% cap which accounts for over 90% of our budget. Therefore, Mr. Shanok focused on the general fund. He spoke about revenue impacts and the declining tax relief of \$2.5M from June 30, 2009 to June 30, 2010; general fund tax levy at 2% increase would be equal \$2.7M increase. With tax relief revenue down \$2.5M and taxes up \$2.7M, this could result in flat general fund revenue. Expenditure impacts include: contractual, charter school allocation, and benefit cost increases. Additional potential considerations were discussed such as the decline in state-aid, state-funded Teachers Pension & Annuity Fund, state-funded Social Security for certified employees, and further increases in health premium costs.

Mr. Shanok then spoke about the possibility of having a Phase II Solar referendum in April along with the budget vote. The referendum would be for seven schools with a positive cash flow from the first twelve months of operation; that would exceed expenditures by over \$400,000. If the bond referendum was successful, it will bring the total number of district buildings generating solar energy to nine. Between the energy savings, sale of Solar Renewal Energy Certificates, and debt service aid, the Phase II Solar would more than cover the interest and principal on the bonds. The Clean Renewable Energy Bonds that the district was allocated in October 2009 expire if not used in 36 months from date of issue; in April 2011 we will be at month 18. Even as we go forward, as pledged with the January 2006 referendum, debt service tax levy would remain below \$11.1M. Last November, these solar projects were submitted to the State of New Jersey, but to date, no action has been forthcoming. Receiving state approval is a critical hurdle for the referendum timeline. If the state continues to delay its approval, the district will not be able to consider having a referendum in April. Not having a referendum throws away the opportunity to benefit both the local property tax payer and the environment.

He also noted that the school board election and budget vote will be held on Wednesday, April 27, 2011, this year. Pursuant to *N.J.S.A. 19:60-1*, the Commissioner of the State of New Jersey had the authority to change the annual school election date if it coincides with a period of religious observance.

Mr. Hochman thanked Mr. Shanok for the excellent presentation. He expressed concerns with the budget process, teachers' contract modifications, no contributions towards premiums, state cap being reduced from 4% to 2%, difficulties in getting under the 2% cap with current contracts, the promised "tool kit" being an empty box, and the need to substantially modify union contracts.

A discussion ensued on the budget which included: tax levy, tax relief for upcoming year, solar projects, and the referendum.

Mr. Marathe commented that the school district operates under strict state rules. It cannot operate like the federal government or a municipality or a township. A school district cannot simply borrow monies; it must operate within the approved budget. He spoke about our strong student academic performance and how our per-pupil costs in 2008-09 were \$1,290 below the state average of \$13,338

and several thousand dollars below our neighboring high performing districts. During the past ten years, the district has had moderate budgets with considerable tax relief because the district makes an effort not to spend all its funds each year. Then Mr. Marathe spoke about the need to get state approval shortly for the Phase II Solar referendum; this is important since it will be a positive cash flow within the first 12 months of operation. He then thanked the administration for a responsible 2010-2011 budget especially with the state \$7.7M reduction at the last minute. Then he spoke about the difficulties with this budget and the need to have a long-term plan in place for possible future caps.

PERSONNEL

Date correction in B: Instructional; and, a personnel addendum was added for retirements in B: Instructional and C: Non-Instructional.

Mr. Marathe acknowledged the retirement of several employees and thanked them for their service to the district: Cinda Korn, teacher, 25 years, Kimberly Miller, teacher, 6 year, Thomas Plebani, guidance counselor, 21 years, and Michele Ramont, secretary, 13 years.

Upon motion by Mr. Kaye, seconded by Mr. Farrell, and by roll call vote with all board members present voting yes, the following board actions were unanimously approved:

Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting.

STUDENT REPRESENTATIVE COMMENTS

Chloe Barz, High School North, remarked that all of the students participating received an award at the Model United Nations conference; Mr. North had a great turn-out and the Student Council made a profit with a portion of the profits going to Operation Smile which is a charity that helps children with cleft palates; the 2013 Student Council will hosted the Valentines' Day Dance on February 11th; working with Crisis Ministry, attendees can get into the game free by bringing two canned goods to the Basketball Food Drive; February 11th at Lawrenceville Prep will be the North vs. South Hockey game; and, at the Mercer County Wrestling Tourney a senior won first place in the tournament – the win was a first for North!

Kushal Gandhi, High School South, reported that the Science Olympiad team sent two teams to the Valley Forge invitational as well as the NJIT regional competition and received 1st and 2nd place in both competitions and in the Ocean Science Bowl they received 3rd place; Peer Leader interviews and the selection process has been completed for next year; Model United Nations won the best large delegation at Ivy League Model United Nations conference at UPENN; spring sports have started taking place and tryouts for the Spring season starts in March; South's choir festival is on February 10th and orchestra festival is on February 11th; HSPA testing is scheduled to begin in March; and, the Student Council is starting to plan for Mr. South which will be in April. He then spoke about the following topics: safety drill for external threat lockdown that took place and the next safety drill which will be the sheltering drill for protection from an environmental hazard; the positive responses from students in regards to the students and parents new ability to view teacher recommendations and request for courses online and the counselors' ability to verify the courses

while acknowledging graduation requirements; South exploring the possibility of a “new club policy” for student run clubs which may take place in the fall; and, a sports update on winter track and the girls swimming team.

SUPERINTENDENT’S COMMENTS

Dr. Kniewel announced that this week is National School Counseling Week, which is sponsored by the American School Counselor Association (ASCA). This week focuses attention on the contributions of school Guidance Counselors. Our counselors guide our students in day-to-day issues that happen at all levels throughout the school district especially at the high schools. And, at the high schools they particularly help to set that trajectory for a success career and future for our students. She offered her thanks and appreciation to WW-P Guidance counselors for the work they do for our students and staff every day.

Dr. Kniewel announced that due to the snow, the Community Forum has been rescheduled to February 12th during the day and February 15th in the evening. Both events will be held at High School South in the Commons. Information is posted on the district web site. She stated that some people have asked why we are having a community forum and a forum process. It is a way to get all of our constituents together, to sit in small groups, to have conversations about the district’s priorities, and to hear that from each other. Everyone has a specific perspective. During the forums that already have been held with small invested stakeholders, it has already proven to be very helpful and enlightening. At these forums, the public will be invited to engage in small-group discussions about a list of suggestions that would affect the 2011-2012 budget.

The event will be facilitated by Princeton University graduate student Dan Myers. Mr. Myers has been working with us on an on-going community engagement process as part of his research and we very much look forward to his input as we continue to develop the 2011-2012 budget as well as future budgets.

The Superintendent expressed the hope that parents, students, staff, residents, and elected officials will come to one of these events. A number of students will be helping out as well as participating. Please plan to attend.

Dr. Kniewel commented that so much of our time is spent on talking about our plans for spending, building that budget, what is the money for? One of the most important occurrences that can happen in a school district is that which happens in the instructional core between and among students, teachers, the content, and the resources available to them. She then introduced Mr. Lazovick who would be presenting our student performance report and thanked him for compiling this data.

PRESENTATION: Student Performance

Mr. Lazovick gave a presentation to the Board on student performance data recently released by the Department of Education. The presentation examined student performance first on NJASK assessments for grades 4 and 8 as well as on the 11th Grade HSPA. For both tests, data was on both Mathematics and Language Arts. The data presented first compared performance by district factor groupings across the state. As in past years, performance averages are directly related to the position of a given factor group in relation to the others. Mr. Lazovick then showed visually the performance of WW-P students against that of students in all districts across the state and then students in IJ districts. Next, Mr. Lazovick examined only IJ districts with a grade population of at least 300. Mr. Lazovick discussed the reasoning behind this progression of examination: as district

characteristics (socioeconomic levels; size; demographics) continue to influence student performance it is critical to examine our student performance against like districts. At all levels, in both content areas, as the data is examined more and more specifically, the students of WW-P are shown to perform at the highest levels of any district in the state. Mr. Lazovick also included student performance data on the SAT, mined from the School Report Card files released by the Department of Education today. Both High School North and High School South students performed at levels such that both schools ranked in the top five public high schools in all three categories and in total score. Mr. Marathe asked for clarification regarding the process of evaluation and Mr. Lazovick stated that it is not enough to look at all districts. As district resources are challenged by the needs and size of a district, it is critical that we also analyze performance data in comparison to districts of similar size and makeup to understand how our district is affecting student performance. The presentation is available for viewing on the district's website.

A brief discussion took place on the presented data.

2010-2011 Budget Discussion

Mr. Shanok continued the budget discussion from the last meeting with a brief review of the district’s mission statement and core values. It was noted that as this budget is being developed, focus remains on our core values as choices need to be made within our constrained resources. This budget is an especially difficult one as we work hard to create another responsible budget being fully aware of our responsibilities to students and taxpayers. Overall, the long term budget increases have varied, but in recent years, the increases have been moderate and have been supported by the voters. The last two years have been exceptional with a budget to budget increase in 2010-2011 of 0.0% and 2009-2010 was 1.6%. A variety of principles have been guiding us as we preparing our budgets and a combination of measures are considered when preparing it. Considerations include the State’s measures of efficiency such as testing scores, state monitoring, and actual per pupil spending guide figures compiled by the Department of Education. WW-P is well below the state average for per pupil expenditure; yet, the district provides consistently “best-in-class” for less than average costs. Our students are performing at the highest levels when compared to the state or benchmarked against other districts. This is not an accident. By making very deliberate, gradual, and carefully considered actions, we have built on excellence while improving relative cost efficiency. Also, studying enrollment figures with particular attention to grade levels needs to be considered. Over the past 8 years student enrollment increased 12% with an increase in teaching staff of only 4%; and, during that same time period, administrators were decreased by 15% and non-certificated staff decreased by 32%. The recent reduction in administrators and teaching staff becomes significant and challenging as we try to improve instruction and maintain consistency. With this in mind, the district has taken actions towards an evaluation framework and professional growth to encourage staff to move beyond their current level of performance.

Dr. Kniewel discussed the responsibility of the district to ensure that we provide the most personalized and effective education to all students based on current best practice. In order to do this, the district must employ highly specific and consistent evaluation processes. All information regarding the district’s evaluation system is available, in accordance with State requirements, on the district website.

Mr. Lazovick began by describing the district’s use of Frameworks for Evaluation of all staff and how Frameworks allow for a research-based, consistent approach to support professional growth and support accountability. Mr. Lazovick used an actual rubric to define the system as it is broken into domains, components, elements, levels of performance, descriptive language and how the district defines a standard of performance. Mr. Lazovick discussed the ISLLC and Danielson Frameworks for administrator and teacher evaluations respectively. Mr. Lazovick spoke to the district’s use of student performance as a component of each evaluation, as well as performance guides goal setting and professional development processes.

Mr. Shanok then spoke about the General Fund which makes up over 90% of the total budget and the general fund tax levy which is subject to the 2% cap adjusted for automatic adjustments allowed by the governor and legislators. A tentative budget will be voted on at the next board meeting; but, adjustments will need to be made once state aid and other instructions are issued.

He discussed how the decisions made in preparing this budget will impact the expenditures in the next budget cycle; large impacts on the general fund will be contractual changes, charter school allocations, and benefit cost increases, much as this year. Enacting proactive measures for the future is a necessity. The district is continuing to explore and contemplate ways to implement long-term savings solutions, increase additional savings through shared services, and by preparing a solar referendum.

Mr. Shanok talked about the Phase II solar referendum for April at the same time as the regular school election, the difficulties in receiving the state approvals, and the actions taken to obtain those approvals. The proposed \$6.4M referendum for solar projects on seven schools would produce a positive cash flow for the district within the first year of operation after all expenditures.

Mr. Marathe reminded everyone that the school election and budget vote is on Wednesday, April 27th. He noted that solar referendum would continue to be discussed at future meetings.

A lengthy discussion ensued between board members that included the following topics: solar referendum timeframe; state grants; CREB bonds; solar investment concerns; SREC market; 2009-2010 surplus fund balance and allocations; capital projects; emergency and maintenance reserves; and tax relief.

PERSONNEL

A personnel addendum was added for three additions to B: Certificated Staff and for one addition to C: Non-Certificated Staff.

Mr. Marathe acknowledged the retirement of several teachers and thanked them for their service to the district of Deborah DiColo, 25 years; Beverley Lynk, 22 years; Aileen Milstein, 8 years; and, Anthony Pappalardo, 38 years.

Upon motion by Mr. Kaye, seconded by Mr. Manikandan, and by roll call vote with all board members present voting yes, the following board actions were unanimously approved:

Larry Shanok, Board Secretary

**MINUTES OF BOARD OF EDUCATION MEETING HELD
February 22, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:10 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Johnson, seconded by Mr. Kaye, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel and litigation. The meeting reconvened to open session at 7:33 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Todd Hochman	Mr. Richard Kaye	Mr. Randall Tucker
	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Board Member Fleres was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for coming; there was a closed session earlier, so the meeting had already been opened. He took the opportunity to thank everyone who attended the two Community Forums last week. The turn-out was good and the input will be beneficial to the district.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel also thanked the community members for coming out to the forums, particularly the students. There were a large number of students who participated in the two forums. The data from the students will assist the district in our decision-making as we evaluate all of the raw data. The raw data will have a quick turn around by Mr. Meyers and his research assistants at Princeton. A presentation will be given to the Board Members and community at the next meeting.

PUBLIC COMMENT

Marcia Fleres, WW-P Education Foundation, presented the Board of Education with a \$10,000 check to support outdoor education program.

Diane Hasling acknowledged that the check represents a collaborative effort between students, teachers, alumni, and local businesses.

Mr. Marathe accepted the check on behalf of the Board of Education and expressed the Board's appreciation of such a generous contribution.

Quinton Walsh and Pete Weale spoke about aspects of the budget and Phase II Solar.

Dan Seigel spoke about the school calendar.

COMMITTEE REPORTS

Administration & Facilities

Mrs. Walsh stated that the committee met on February 15, 2011. The committee reviewed the revised school calendar for 2011-2012 and finished their policy review of the 3000 Series (Teaching Staff Members).

Finance

Mr. Farrell remarked that the committee met on February 15, 2011, and reviewed the items for approval on tonight's agenda. It was noted that the committee supported the appointment of the auditors with a 2% increase; the auditors do not just provide auditing services, but they also provide us with insight and best practices across the various school districts they serve. He commented that a good amount of the meeting was spent on discussions about energy savings, both long-term and short-term such as lighting, roofs, and boilers. Mr. Farrell noted that energy is a key issue and key cost to the district now and in the future. A large portion of the district's investments need to be planned for the long-term and to be energy efficient. A discussion took place on the serious threat posed to the district's technology by the failing AC units at HS North. Options were reviewed and discussed for short-term and lasting resolutions to the cooling issue. Also, the additional work related for the acid neutralization project at South was discussed. Both budget and Phase II Solar discussions continued. As commented before, the cash flows associated with the first twelve months of the Phase II Solar are very favorable.

A board discussion ensued on the pros and cons of using a contractor to take the lead instead of the district: purchasing power agreements versus funding the project through the referendum; SRECs' current value and declining value over time; debt service aid; and, it was noted that the 2011-2012 budget does not contain any financial impact of the solar projects. In addition, a brief discussion took place on per pupil "actual" cost for 2008-2009 and the "budgeted" number for 2009-2010 per pupil. The "actual" 2009-2010 numbers will likely be released in March/April by the State of New Jersey.

Mr. Marathe stated that solar has been talked about for a number of years. Up to this point in time, it was not pursued beyond the projects at the two high schools because the district would have had to invest first to collect later. Our current situation is very different. With the various components in place it is a "win-win" situation for the district and taxpayers.

ADMINISTRATION

Upon motion by Mr. Hochman, seconded by Mrs. Walsh, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Donations

1. To accept a \$10,000 donation from the WW-P Education Foundation, to be used to offset costs for the Grade 6 Outdoor Education Program.

2. To accept a donation from Plainsboro Township Recreation for the Athletic Department of a baseball pitching/batting frame.

IDEA Grant

3. To accept a grant from the State of New Jersey, Department of Education, Office of Special Education Programs, under its combined Basic and Preschool IDEA funds for fiscal year 2011 (9/1/10 – 8/31/11) as follows:

Basic (for 3-21 year olds)	\$1,719,556 (includes \$5,606 of non-public funding)
Preschool (for 3, 4, and 5 year olds)	\$54,590 (includes \$0 of non-public funding)

ARRA Consultant

4. To approve The Counseling Center at Scotch Road (George Scott) to present a professional development workshop on February 17, 2011 in the amount of \$600, to be paid through the ARRA grant.

CURRICULUM AND INSTRUCTION *(None)*

FINANCE

2011-2012 Budget

Mr. Shanok continued the discussion of the proposed 2011-2012 budget including information about the Phase II solar projects. He provided a quick review of the previous discussions including the district's excellence in education; ninth year of moderate budget-to-budget increases; consistent conservative planning; budget-to-budget tentative target increase of 1.9 percent; student academic performance; and, the various ways to judge our excellence in education such as in test scores. In addition, he spoke about the proposed expenditures, within the "operating" budget, and the 5.9% increase in regular education which holds \$1.2M for charter schools and the 3% increase in staff benefits category and the \$8M earmarked to go to tax relief of the overall fund balance of June 30, 2010. In the past, the district spends less than what is budgeted when educationally feasible. This allows those funds to be returned to the taxpayers in the form of tax relief. As he reviewed the proposed expenditures, he indicated the importance to preserve our budgeted capital outlay dollars which maintains our \$200M worth of facilities.

Mr. Shanok stated that by having the solar referendum at the same time as the budget vote in April it will save the district the cost of a special election. At this point in time, the district is still waiting for state approval; an appeal has been made to the Governor for timely action. He reviewed the solar steps that have occurred so far: district filed for solar rebates in 2007; two applications approved in October 2008; Phase I Solar was for panels at HS North and HS South, funded by capital reserve approved by taxpayers in the April 2009 budget vote; approximate cost \$1.1M; state rebate of \$576,500; anticipated energy savings; sale of Solar Renewable Energy Credits (SRECs); and, taking action for future energy cost savings measures. For Phase II Solar: October 2009 received Clean Renewable Energy Bond (CREB) allocation for seven projects; CREBs are Federal interest free bonds but must be issued within three-years; anticipated bond referendum will be \$6.4M; this represents an unusual opportunity for the district between CREBs, energy savings, sale of SRECs, and debt service aid; cash positive in the first year; expected return

of \$400,000; and, a win-win situation for the district and taxpayers. Mr. Shanok did note that as with any venture there are risks involved, but in this situation the benefits appear to significantly outweigh the risks.

Dr. Aderhold then spoke about the presentation at the November 23, 2010, board meeting in which the 2010-2011 reductions were reviewed along with their impacts. As an update to that meeting, Principal Zopicchi spoke about the high schools and the reductions in under subscribed programs and classes mostly affecting the staffing areas; not filling certain teaching position increasing class sizes; reduction of sports programs with a decrease in the number of away games which has saved on transportation/travel expenditures; and, a reduction in co-curricular activities such as reducing the number of clubs and having clubs ran by students therefore saving on teacher stipends. Principal Lepold stated that the middle schools have had an increase in class sizes; reduction in the number of sports offered basically cutting them in half; elimination of the mini-team which increased class sizes especially for 8th grade; co-curricular afterschool activities were reduced which limited the participation of students especially in 6th grade; and, the reduction of the Outdoor Education Program. Principal Capaci represented the 4-5 level and commented about the reduction in health and computer teachers; teaching of these subjects is now being absorbed by the classroom teachers; and, the 30% reduction in teaching supplies which has affected the purchasing of library books. Principal Stevens spoke on behalf of the elementary schools indicating the reduction in staff, i.e. health, computer, and library teachers; reduction of cafeteria aides; decreased sections based on enrollment; and, class sizes have also gone up. Dr. Aderhold noted that district-wide reductions included: five administrative positions; realignment of Buildings & Grounds; calculated risk with the reduction of the charter school allotment of \$0.9M to \$4K; and, the union collaboration for a reduction in professional development workshops.

Mr. Shanok mentioned that these steps were taken a year ago due to the large reduction in state-aid at the last minute. Unfortunately in the end, it had an impact on how we provide programs to students. Educational excellence combined with fiscal moderation is not easy to achieve.

Focusing on the proposed revenue for the 2011-2012 budget, he spoke about the declining fund balance providing less tax relief; these dollars have been squeezed compared to previous years. Mr. Shanok stated that it is much like a "savings account" in that once the dollars have been spent they are spent, it is not replenished. He then spoke about the local tax levy and about the three components of state aid. However, the state aid revenue shows an increase due to the Education Job Fund dollars from the federal government through the State of New Jersey for approximately \$354,000. He reviewed the following items: school district's total tax rate percentages between the two townships showing a decline over time; budget increases clearly showing a decreasing trend for the past nine years; projected local real estate tax levy for 2011-2012; and, the actual per-pupil costs for past years comparing us and our like local districts. Again, showing that we still produce a top quality product at a below average cost.

Again, the public was reminded that the annual election will be held on Wednesday, April 27, 2011.

A lengthy discussion ensued covering the following areas: surplus; fund balance; 2% cap; state aid; tentative target percentage; preliminary budget approval numbers; budget to budget increases; reserves for capital, maintenance and emergencies; pros and cons of solar; SRECs market movement; and the estimated cost savings.

Mr. Marathe commented that there is a need to be consistent in our budget approach and he acknowledged frustration with the State's rules and regulations that need to be followed. Consistency year after year is important since a school district operates differently. In the private sector, a company can borrow when they need to; a school district cannot, it must operate within their approved budget. Therefore, reserves for emergencies are necessary. In addition, the district is required to approve a "preliminary budget" for submission to the Executive County Superintendent for the Department of Education's review. This "preliminary" budget will need to be voted on tonight to meet the state's mandate, but will need to be adjusted once the Governor releases state aid numbers. He also noted that the Board can control spending, but not the tax levies.

It was requested to vote on Finance Item No. 5 separately.

Upon motion by Mr. Tucker seconded by Mr. Farrell, and by roll call vote with all Board Members present voting yes, Finance Items 1 through 4 and 6 through 13 were unanimously approved:

**MINUTES OF BOARD OF EDUCATION MEETING HELD
March 8, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:33 p.m. in the Commons of Community Middle School. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; and, Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Mr. Marathe welcomed everyone to the meeting.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel stated that there is a full agenda this evening, with two important presentations: one is on the community forums and the data collected; and, the second is on the 2011-2012 budget. She also welcomed Jane Kershner from the NJ School Boards Association for the annual ethics presentation.

Before the evening began, Dr. Kniewel took a minute to acknowledge that today is the 100th anniversary of International Women's Day. The International Women's Day Centenary should make women of the past proud, women of today inspired, and women of the future envisioned. Women have made great strides in equality and the 2011 celebration of International Women's Day provides a unique and global opportunity to reignite, inspire, and channel women's equality for the future. She is proud of the young women who graduate from our high schools today who have more career paths open to them than any other time in our history.

STUDENT REPRESENTATIVE COMMENTS

Chloe Barz, High School North, spoke on the following topics: Code Blue Drill practice for an interior emergency response; success of the March of Dimes dance with all of the proceeds going towards the Foundation for Premature Babies; upcoming Jersey Shore Dance on March 18th with the theme being based off of the popular MTV reality television show; starting of spring sports season including lacrosse, tennis, track, baseball, softball, and ultimate Frisbee; HSPA testing taking place for Juniors last week; and, SATs testing this Saturday at HS South with a number of juniors also taking them. She expressed the juniors' enthusiasm for the Washington Seminar trip which is a great educational experience supplemented with fun; and, the senior class trip to Disney

World is this week and the seniors have been very excited about it. Chloe also mentioned that a HS North math teacher was interviewed today by *NBC Nightly News with Brian Williams* for its "Education Nation" series regarding their retirement and the student and school's loss with that retirement.

Kushal Gandhi, High School South, reported on past events such as Spirit Week which consisted of students dressing up in accordance with the "spirit day" to win points for their class and ending with a pep rally; Model United Nations wining best small delegation at North American Invitational Model United Nations; and, the Community Forum having a great turn out at HS South. He then spoke about the upcoming events such as the parent and student meetings for the senior trip in March to Florida; Juniors attending the Washington Seminar; the play "Guys & Dolls" at HS South; and, about the Spanish and German Honor Societies' inductions which take place in March. In addition, Kushal mentioned: how smoothly the safety drill for an external threat ran; students dressing up in pink to honor Ms. Leblanc's last day before going out on a medical leave; local newspaper released SAT scores showing HS South being ranked in the top 5 for overall and being ranked 1st for mathematics. A quick sports update included: girls winter track are the NJSIAA Central Jersey Group IV Champions; and, girls swimming team winning the CVC Colonial Division, Mercer County Tournament Team Championship, and NJSIAA Central Jersey Division A competition.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe commented that the annual ethics training will be followed by the report on the Community Forums. He introduced Ms. Kershner of the New Jersey School Boards Association who would be presenting the ethics training to the members of the Board of Education.

ANNUAL ETHICS PRESENTATION BY NEW JERSEY SCHOOLS BOARDS

Jane Kershner complimented the board on being so vigilant in arranging the mandatory program on ethics training. This program was put in place by the state legislature to ensure that board members uphold the public trust in performance of their duties. Ms. Kershner pointed out that there are a number of opportunities for board members to take other required training at various stages of their tenure. Board members must certify annually that they have participated in the training. Areas covered were NJQSAC and ethics responsibilities; code of ethics; common areas of concerns, ethics' theory into practice, accountability regulations; and the ethical and responsible board member.

After a very brief question and answer period, it was noted that Ms. Kershner would be available for any additional training at a mini-retreat if requested. Mr. Marathe thanked Ms. Kershner.

PRESENTATION:

Dr. Kniewel stated that one of the biggest factors contributing to a successful school district is an engaged supportive community. This community's engagement, participation, support, and good questioning, helps set our excellence in education. The superintendent presented a report based upon the two community forums held in February 2011. She briefly described the meetings that have taken place with the various stakeholders, and the process and performance management strategy which was new this year. Essentially, getting people involved in dialogue to hear and share varied points of view, gather input, discuss and prioritize ideas. As the district evaluates this data, it will assist the district in decision-making for next year's budget as well as future budgets.

Along with the superintendent, Princeton University graduate student Dan Myers offered an overview of the two programs, along with specific data collected during the forums, and how the district will use the data. After each forum, a survey was taken. There was a notable difference before the forum versus after the forum in understanding different perspectives on specific topics. Sharing and communicating ideas and viewpoints made a difference.

Dr. Kniewel thanked Gerri Hutner, Director of Communications, for getting the word out, and the community for being an engaged community that shares our mission and core values.

A brief discussion ensued with Mr. Myers and the board members on the data presented and the impact for long-range planning.

PUBLIC COMMENT

Quentin Walsh spoke on the budget and debt service. John Grecsek, John Grecsek Sr., and Sanjita Bhattacharya spoke about moving a bus stop.

COMMITTEE REPORTS

Administration & Facilities

Mrs. Walsh stated that the committee met on March 1, 2011, to discuss the following: walking track of approximately ¼ mile behind Dutch Neck School; 2011-2012 enrollment projections; update on field lights and the process that will need to be followed; revised 2011-2012 school calendar which will be voted on tonight; preliminary review of the 2012-2013 school calendar; relocation of trailers at HS South; submission of the NJES HIPP Grant for Excellence in Education; and, reviewed the capital project list for the 2011-2012 school year.

Curriculum and Instruction

Mr. Kaye reported that the committee met on March 1, 2011, and covered the following items: update on the restructured technology department and future restructuring options; update on the recent professional development day with teachers and administrators working collaboratively on both of the districts goals for 2010-2011: 21st Century Competency and Common Assessment which are becoming a more significant component for teaching; district's professional development plan is nearing completion for submission to the committee; all district curricula was reviewed and revised to meet the updated 2009 NJ Common Core Standards which will be presented to the board in April; Social Studies update: progress continues anticipating a board presentation in June; Language Arts update: internal committee is completing its self-assessment and recommendation for improvements and is continuing to look for an outside consultant; Special Education update: outside consultant continues working in district and the internal committee is working on its self-assessment; Science update: implementation team is integrating recommendations and are preparing to train staff; proctoring for K-3 Exceptionality Testing; and, travel approval for teachers' workshop and student funded overnight field trips, both are on tonight's agenda for approval.

ADMINISTRATION

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Calendar

1. To approve a revised calendar for the 2011-2012 school year.

Grant – Submission

2. Approve the submission of a grant application in the amount of \$3,700 to the NJEA Frederick L. Hipp Foundation for Excellence in Education, Motivating Struggling Students through Authentic Field Research, with the project beginning September 4, 2011, and concluding on June 30, 2012.

CURRICULUM AND INSTRUCTION

Mr. Kaye noted that much debate and compromise has taken place on field trips over the past several years. Consistency was reached so that trips would take place every three-years providing an opportunity for all high school students to participate in them.

A question was asked if this was district policy. Mr. Marathe commented that this was a very long process and it is in the form of a Memorandum of Agreement.

Upon motion by Mr. Kaye, seconded by Mr. Manikandan, and by roll call vote with eight Board Members voting yes and Mr. Hochman abstaining, the following board actions were approved:

Overnight Field Trips [Student Funded]

1. To approve the following overnight field trips:
 - a) A change in dates from March 3, 2011, to March 6, 2011, to March 10, 2011, to March 13, 2011, for an overnight field trip for High School South Model United Nations to Cornell University, Ithaca, New York, originally approved on August 24, 2010. The cost of the trip remains approximately \$300 per student.
 - b) High School South Concert Choir to Ljubljana, Slovenia, and the Venetian Arc, Italy, from April 9, 2012, to April 17, 2012. The cost of the trip is approximately \$2,250 per student.
 - c) High School North Robotics Team to the First Competition in St. Louis, Missouri, from April 25, 2011, to May 1, 2011. The cost of the trip is approximately \$600 per student.

2010-2011 Budget Discussion

Mr. Shanok led the budget discussion of the proposed 2011-2012 budget, with a focus on student enrollment and class size. Mr. Shanok commented that even though the main purpose of the district's mission is excellence in education; within that excellence, we strive for moderation in budget increases. He spent a moment speaking on capital projects and how in the past these voter approved projects could take many years to complete. During those years, costs escalated and/or the project could become less important than another. How could projects be completed more promptly? With working capital in place, preliminary steps could begin, such as developing specifications, receiving state approval, and being ready to go to bid and award after the budget vote. In the past eight years, this procedure has provided the school district the ability to provide a timely completion of the capital projects. With timely completions of projects, the district has pursued the state's Regular Operating Grants which have funded 40 percent of those projects. Without this working capital in place, our projects would be costing 100 cents on the dollar instead of 60 cents. The district continues to look for ways to reduce the district's facilities expenditures and energy consumption, such as the positive cash flow associated with the first twelve months of the Phase II Solar project.

On the enrollment dimension of the budget, Dave Aderhold spoke about the staffing that affects class size. Class size is a contributing factor in providing a quality education. Enrollment projections reflect residential trends, designated neighborhood paths, and programmatic designations. He stated that eighty percent of the budget is staffing. He provided a snapshot of the district's class sizes, enrollment figures, and the various factors that make our determinations. Currently, enrollment is trending above our long-range estimates. Changes in neighborhoods and new developments coming on-line affect a school's population. Looking at every building for room availability, evaluating the spikes in first grade due to students going to full-time kindergarten elsewhere, the number of sections per grade, and reviewing class sizes, assist us as we try to maintain staffing ratios to meet the budget projections. As we proceed, additional factors that need to be considered are the impact of the charter school, special education programs, and new residential developments.

Mr. Shanok commented that enrollment is a complex and changing element of the budget. He provided a quick review of the previous budget presentations for the public in attendance. Then, highlighted a number of areas where the budget is being reduced or increased due to the charter school and contractual obligations. School taxes are still the largest part of a property tax bill; but, the district has been working hard to make progress to reduce its impact on the total. Overall, a tax graph showed that the percentages have been inching downward over the past nine years; more in West Windsor than Plainsboro.

A brief update on Phase II Solar was provided. At this point in time, the district is still waiting for state approval for a referendum. He reviewed the solar steps that have occurred so far noting that Phase II Solar included in October 2009 received Clean Renewable Energy Bond (CREB) allocation for seven projects; CREBs are Federal interest free bonds but must be issued within three-years; anticipated bond referendum will be \$6.4M. This represents an unusual opportunity for the district: between CREBs, energy savings, sale of SRECs, and debt service aid, the cash flow is positive in the first year. If we do not receive state approval, a vote may be held later. The expense for a special election will be small compared to the positive cash flow. It was noted that at the next board meeting more details will be provided about the Phase II Solar.

A lengthy discussion took place. Topics included: equalized assessment; solar; class sizes; charter school; general fund tax levy cap; tax relief; state aid; working capital; fund balance; and the budget-to-budget increase.

FINANCE

Finance Item No. 4 had a substitution due to additional wording after the County Office's review.

It was requested to vote on Finance Item No. 4 separately.

Upon motion by Mr. Tucker, seconded by Mr. Fleres, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Travel and Related Expenses Reimbursement

3. As required, pursuant to *N.J.S.A. 18A:11-12*, Board Bylaw 0147, Board Policy 3440, and Board Policy 4440 require the Board of Education to approve in advance certain travel expenditures of Board members and school district employees. Travel expenditures incurred by the Board of Education or reimbursed to Board members or employees must comply with the requirements and limitations contained in *N.J.S.A. 18A:11-12*, the aforementioned Board bylaw and policies, and are subject to the annual limitation on the district's travel expenditures established by the Board of Education. All requests for approval of travel by school district employees that require the approval of the Board of Education have been reviewed and approved by the Superintendent of Schools.
- a) To approve approximately 50 teachers to attend a free professional development workshop at Teachers College at Columbia University on Saturday, March 19, 2011, at a cost not to exceed \$1,400 for bus transportation to and from New York City, as approved by the Executive County Superintendent.

Upon motion by Mr. Johnson, seconded by Mr. Tucker, and by roll call vote with seven Board Members voting yes and Mr. Hochman and Mrs. Walsh voting no, the following board action was approved:

Revised Preliminary 2011-2012 Budget

4. To approve the revised preliminary budget for the 2011-2012 school year for submission to the County Superintendent of Schools for Department of Education review as follows:

Be It Resolved to approve a school district budget for the fiscal year 2011-2012 school year for submission to the voters as follows:

	<u>Budget</u>	<u>Local Tax Levy</u>
Total General Fund	\$ 152,990,356	\$ 140,027,454
Total Special Revenue Fund	\$ 2,120,754	N/A
Total Debt Service Fund	\$ 9,736,204	\$ 7,355,184
Totals	\$ 164,847,314	\$ 147,382,638

Included in the general fund budget is \$1,888,134 to be deposited in capital reserve to transfer to repayment of debt.

Included in the general fund budget is \$4,137,160 to be withdrawn from the board of education's approved Capital Reserve Account to support funding of capital projects.

The school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district.

The following wording will appear on the ballot as the general budget question:

Resolved, that there should be raised for General Funds \$140,027,454 for the ensuing fiscal year 2011-2012 school year.

PERSONNEL

A personnel addendum was added with resignations for retirement.

Mr. Marathe acknowledged the retirement of several employees and thanked them for their service to the district: Susan DiDonato, District Supervisor, Special Services, 23 years; Kathryn Mitchell, Special Services, 21 years; Walter Dimitruk, Jr., teacher, 37 years; Lauren Fulmore, LDTC, 18 years; Arlene Suttin Roman, LDTC, 11 years; and, Stephanie Weaver, teacher, 21 years.

Upon motion by Mr. Kaye, seconded by Mr. Manikandan, and by roll call vote with all board members present voting yes, the following board actions were unanimously approved:

West Windsor-Plainsboro Regional School District JOB DESCRIPTION

Job Title: District Supervisor of Special Services
Department: Pupil Services
Reports To: Assistant Superintendent of Pupil Services
Salary Guide: WWPAA; Twelve month contract
GAAP: 11-000-240-104-13-000-0-20

Position Summary: The District Supervisor of Special Services, either directly or through the proper delegation of authority, provides leadership in planning, and the development, coordination, and evaluation of the district's special services department.

Qualifications: Possession of a valid New Jersey School Supervisor Certificate (Principal's certificate is preferred). Administrative experience with extensive knowledge of special education, resources and state of the art practice required. Demonstrated familiarity with special education law and regulations.

Essential Duties: The District Supervisor of Special Services has the duties and responsibilities commonly associated with this position, including (but not exclusive of) the following, which are performed directly or through the proper delegation of authority, within the framework of the general laws of New Jersey, the regulations of the NJ State Department of Education, the policies and rules of the West Windsor-Plainsboro Regional School District, and the terms of the collective bargaining agreements, with all of which he/she is expected to be familiar.

Administration

- Provides leadership in the planning, development, implementation, and evaluation of the district's comprehensive special services department; coordinates and supervises related activities.
- Develops short and long range plans for maintaining and improving special education programs; based on knowledge of research, current practice, national and state initiatives, student outcomes, and program evaluation.
- Assists in the determination of staffing needed by the schools through careful evaluation and research and make appropriate recommendations to the assistant superintendent for Pupil Services for changes.
- Defines and implements best practices and continuous improvement strategies with high expectations for the department.
- Prepares and administers the department budget, and assists in the preparation of the district's annual budget.

- Reviews research, developments, and innovations in special education by reading current and cogent literature, attend professional and association workshops and conferences, and discuss developments of mutual interest with the administrative staff.
- Accepts responsibility for assuring that state and federal mandates and district policies regarding special education are carried out.
- Oversees the development and effective delivery of the district's special education program, including the development and maintenance of the cumulative records of students receiving special services.
- Keeps informed of all legal requirements governing special education under the administrative code, state/federal law and board policy.
- Develops and maintains the department's database, records, inventories, and reports necessary for the efficient operation of the special services department.

Relationship to the Assistant Superintendent for Pupil Services

- Assists and advises the assistant superintendent with the establishment of annual staffing goals, improvement objectives, and personnel and supervisory needs.
- Reports regularly to the assistant superintendent on any developments or problems within the district coming to his/her attention and requiring the assistant superintendent's awareness or action.
- Accepts from the assistant superintendent such responsibilities as the assistant superintendent chooses to delegate, and assumes full responsibility for discharging them.
- Attends board meetings and prepares reports as requested by the assistant superintendent. Attend and preside over other meetings as the assistant superintendent designates.

Relationship to the Principals and Supervisors

- Advises and confers with appropriate administrative staff on matters of program.
- Determines assignment and scheduling of department personnel in consultation with building principals.
- Serves as a special education resource person to principals, directors, and supervisors.
- Establishes procedures for evaluation, placement and reappraisal of students in need of special education and /or related services.

Relationship to Special Education Staff

- Organizes and monitors the staff observations and evaluations of performance for special education staff (including professional and support staff).
- Conducts orientation and/or training workshops for special services' instructional and non-instructional staff.
- Oversees the "highly qualified status" for all special services' certificated staff.

- Supervises, coordinates and evaluates the activities of the child study team members and ensures placement of individual students with special needs in those educational situations best suited to their requirements.
- Attends child study team meetings and assumes responsibility for the preparation and timely submission of all required documents and reports, in order to assure district compliance with legal requirements.

Other Supervision

- Supervises, directs, and evaluates the activities of the Supervisor of Special Services (2) and special services clerical/administrative support staff.
- Supervises and coordinates home instruction for homebound or hospitalized pupils.

Additional Responsibilities:

- Interprets the objectives of the district’s special education program and provides informative communications to parents, students, staff, and the community.
- Maintains professional competence and continuous improvement through continuing education and professional development activities.
- Initiates, facilitates and maintains liaison with community agencies and other resources to meet pupils’ special needs.

Evaluation of Performance

Performance of this position will be evaluated annually in accordance with the New Jersey Administrative Code and Board of Education policy for the *Evaluation of Administrative Personnel*.

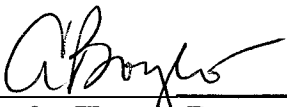

Physical Demands

The physical demands described in this job description are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Work Environment

The work environment characteristics are representative of those an employee encounters while performing the essential functions of this job.

MINUTES OF SPECIAL MEETING
Joint Meeting with Township Governing Bodies
Public Hearing on the Proposed 2011-2012 School Budget
MARCH 29, 2011

The Joint Meeting with the Township Governing Bodies on the School Budget of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:00 p.m. in the Community Middle School Media Center. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mrs. Ellen Walsh
Mr. Todd Hochman	Mr. Alapakkam Manikandan	

Board member Tucker was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; and, Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State’s Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro’s and West Windsor’s township clerks and in each of the district schools.

JOINT MEETING: TOWNSHIP GOVERNING BODIES

Dr. Kniewel welcomed the township leaders. The 2011-2012 budget was a difficult one. The budget before you continues to provide the excellence in education by working to sustain important programs for our students and continue the legacy of WW-P, yet is cost conscious and cost effective. This budget was developed with a moderate budget increase while being mindful of our mission statement and core values. She spoke about what we want to accomplish for all our students and provided possibilities imagined by students embedded in the 21st Century Competencies. The 21st Century Competencies skills are effective communicator; collaborative team member; creative and practical problem solver; flexible and self-directed learner; globally award and responsible student-citizen; and, information literate researcher. These skills help students to be productive, caring members of the global community – WW-P’s legacy.

Mr. Shanok then led the budget presentation starting with the district’s excellence in education and remarking on the districts SAT and ACT scores as well as student accomplishments in a wide variety of co-curricular activities. He stated that this was the ninth year of moderate budget-to-budget increases; consistent conservative planning; and, a budget-to-budget increase of 1.72 percent. He noted that the last two years have been exceptional with a budget-to-budget increase in 2010-2011 of 0.0% and 2009-2010 of 1.6%. By making deliberate, gradual, and carefully considered actions, a district can control budget increases, but not state aid, enrollment, assessed values, or charter schools. He went through the proposed expenses including the contractual, charter school allocation, and benefit costs increases. The he spoke on the general fund tax levy which is subject to the 2% cap; the general fund which accounts for over 90% of the district’s budget. It was observed that the fund balance for tax relief has declined by 45.66%; since this fund is not replenished, as we continue to “squeeze” dollars there will be less tax relief for future

budgets. After a brief review of each township's enrollment percentages, the school district's total tax rate as a percentage of total taxes shows a decline over time, and the percentage of changes in the school tax levy, then moved to the local real estate tax levy for 2011-2012. Mr. Shanok went through the taxes for the average assessed home, assessed property values, and the tax rates. Declining assessed valuations negatively impact tax rates. A quick review of the actual per pupil costs for the past years comparing us and our like local districts show that we still are producing a top quality product at a below average cost. The district continues to hold steady with reductions and changes from the 2010-2011 budget with no additional staffing reductions. A continual review of all budget areas are ongoing as the district continues to explore and contemplate ways to implement cost-saving solutions, improve instruction, and maintain consistency while valuing our students and programs.

Mr. Shanok noted that the school board election and budget vote will be held on Wednesday, April 27, 2011, this year. Polls are open from 7 AM to 9 PM.

A discussion period followed the presentation with specific questions on the state's pension payments; utilizing surplus from the general fund balance; enrollment; regular instruction expenses; and the charter school.

Mr. Marathe commented that this was an extremely difficult budget and thanked everyone for coming to this joint meeting of the townships and thanked them for their support.

At 7:12 p.m. the joint meeting ended. The meeting reconvened in the commons at 7:36 p.m.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for coming; there was a joint meeting with the both township's officials earlier, so the meeting has already been opened. He noted that after the public hearing there will be an additional opportunity for public comment on the 2011-2012 budget.

PUBLIC COMMENT

Pete Weale commented about having more details provided in the public comment part of the meeting. Linda Geever remarked on the reduction of township rates for professional services.

PUBLIC HEARING ON THE 2011-2012 BUDGET

Mr. Hemant Marathe opened the 2011-2012 Public Hearing on the Budget at 7:52 p.m. in the commons.

Dr. Kniewel stated that educational excellence combined with fiscal moderation is not easy to achieve. She spoke about the balancing that is required to meet the needs of the students and yet be fiscally responsible. Dr. Kniewel talked about some of our students' goals and how they plan to accomplish them. The 21st Century Competencies skills will aid them in accomplishing these goals. From the classroom experience to the myriad athletic and co-curricular opportunities, the legacy of WW-P and the parents and community leaders, give all WW-P students the tools needed to succeed as life-long learners in a global community.

Mr. Shanok presented an overview of the budget details including the proposed expenditures and revenues totaling the budget. The proposed budget reflects a 1.72 percent budget-to-budget increase with a tax rate increase in Plainsboro of 7.5 cents per hundred dollars of assessed value and West Windsor 8.8 cent increase. School taxes are still the largest part of a property tax bill;

but, during the past nine years, the district has been working hard to make progress to reduce its impact on the total tax levy. He spoke of items that are within the district's control such as the budget-to-budget increases; and, the items that the district cannot control such as state aid, enrollment, assessed values, and charter schools. Mr. Shanok spoke about the difficulties in this budget especially with the turmoil of last year's \$7.7M last minute decrease in state aid and all the reductions that were necessary to compensate for it. He spoke about the other impacts the district cannot control such as how the assessed values impact tax rates. In addition, he spoke on the unions' concessions last year which helped with the current budget, but does not help this coming year; and, how moving away from equalized value to township enrollment provided greater consistency in taxation. He also spoke about the fund balance reserve categories specifically that for capital reserve. Capital reserve supports the State approved Long Range Facility Plan. The district has over \$200 million of physical plant and a 40 year replacement cycle would require the spending of \$5 million a year; yet, the annual budget for capital spending has not exceeded \$1.5 million. The capital reserve allows the district to maintain its physical plant and yet not inflate the annual budget. The 2011-2012 budget includes funding for specific capital projects. The district has pursued the state's Regular Operating District Grants which funds 40 percent of those projects. Without working capital in place, our projects would be costing 100 cents on the dollar instead of 60 cents. Another category provides a buffer to allow payroll, benefits, and other bills, to be paid in a timely manner which equals about a week and one-half of payroll and benefit costs. The budget is an on-going process, we are holding reductions steady, exploring options for cost reductions/savings, future options for the Phase II Solar referendum, while still valuing students and programs and minding our mission statement and core values.

The public was urged to vote on the School Board Election and Budget on Wednesday, April 27th. The polls will be open from 7 a.m. to 9 p.m.

PUBLIC COMMENT ON THE BUDGET

Quentin Walsh spoke on various parts of the 2011-2012 budget and solar SRECs. Pete Weale talked about the importance of parents in the mission statement.

APPROVAL OF 2011-2012 BUDGET:

There was a substitution of the 2011-2012 Budget resolution with an adjustment in charter school numbers.

Several board members wished to make a statement before voting on the budget. Todd Hochman was pleased about the reduction in the local tax levy and recognized the need for compromise; noting the majority of the rise in the tax rate was a result of the declining township assessed value which the school district cannot control. Anthony Fleres commented that the district does provide a service to students and at the community forums the cost saving suggestions focused on not impacting students and providing a quality education. Richard Kaye spoke about the district maintaining a high level of education at a lower than average per pupil cost; noting that people come to the district not for the trees, but for the school district.

Mr. Marathe did a short presentation about property taxes. He noted that New Jersey is the only state other than New Hampshire where property taxes are higher than personal income, sales, and corporate income taxes combined. During the 2012 budget New Jersey will raise \$21 billion through income and sales taxes while raising \$25.8 billion through property taxes. A school board can control a school district's total expenditures. Consistently, WW-P has had dollars left at the end of the year which have been returned to the tax payers as tax relief. State aid, division of taxes between the townships, assessments within each township, and taxes on an individual home in each township, in the past several years have had more impact on property taxes than the school

district. In a school budget, the total expenditures shown in a budget as “allocation of expenditure” must be raised through three main sources: tax relief; state aid (at the mercy of the Governor and legislators); and, whatever is not raised through the first two sources must be raised through the local tax levy. The state aid portion has had a real impact. Last year, state aid was reduced by \$7.7M; this year, 20 cents on the dollar was returned – but, we still face a decrease in state aid. Mr. Marathe went through several years of taxes on an average house in West Windsor and Plainsboro, showing that the increase had been very modest – about 2.3 percent per year. He encouraged the community to look at their own taxes and do the calculations.

Mr. Fleres moved, Mr. Farrell seconded, the motion and by roll call vote, with all board members voting yes, the following resolution was passed.

2011-2012 Budget

Be It Resolved to approve a school district budget for the fiscal year 2011-2012 school year for submission to the voters as follows:

	Budget	Local Tax Levy
Total General Fund	\$ 152,990,356	\$ 140,027,454
Total Special Revenue Fund	\$ 2,120,754	N/A
Total Debt Service Fund	\$ 9,736,204	\$ 7,088,594
Totals	\$ 164,847,314	\$ 147,116,048

Included in the general fund budget is \$2,154,724 to be deposited in capital reserve to transfer to repayment of debt.

Included in the general fund budget is \$4,137,160 to be withdrawn from the board of education’s approved Capital Reserve Account to support funding of capital projects.

The school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district.

The following wording will appear on the ballot as the general budget question:

Resolved, that there should be raised for General Funds \$140,027,454 for the ensuing fiscal year 2011-2012 school year.

At 8:51 p.m. the public hearing on the 2011-2012 budget ended and the business meeting began.

COMMITTEE REPORTS

Administration & Facilities

Mrs. Walsh stated that the committee met on March 22, 2011. Discussions included the following: formation of an Ad Hoc Building-Use Committee; High School North Post Prom Federal Highway Grant application; Larry Shanok discussed budgeting approaches formulated by the Finance Committee over the years and elements of fund balance, including the balances diverse purposes of tax relief, augmenting construction needs, and working capital; the Phase II Solar project was reviewed; and the postponement of the 2000 Series review.

Finance

Mr. Fleres remarked that the committee met on March 22, 2011, reviewed the agenda items and supported them. A good deal of time was spent on the 2011-2012 budget and the preparations for the public hearing. The district still has not received the state approval to hold a solar referendum with the budget vote. Options were discussed and their impacts for a Phase II Solar referendum either with a special election or the budget vote in April 2012. Other topics discussed were: technology; favorable safety data; and, the recent unemployment compensation data (which has been as anticipated to date).

**MINUTES OF BOARD OF EDUCATION MEETING HELD
April 12, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:37 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Fleres, seconded by Mr. Johnson, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving attorney-client privilege and negotiations. The meeting reconvened to open session at 7:31 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Richard Kaye	Mr. Randall Tucker
Mr. Todd Hochman	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh

Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; David Aderhold, Assistant Superintendent, Pupil Services/Planning; Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; Russell Schumacher, Special Assistant for Labor Relations, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for coming out tonight; there was a closed session earlier, so the meeting has already been opened. He mentioned that next week is Spring break and the schools will be closed. He also noted that the next meeting will be on Wednesday, April 27, 2011.

STUDENT REPRESENTATIVE COMMENTS

Chloe Barz, High School North, spoke about the following events: the debate club, Junior State of America, was preparing for their Spring States this weekend; students have been watching taped candidates' speeches for the Student Council elections which will be held on Friday; good attendance and teacher participation at the Student Council's Teachers Got Talent show last week – everyone had fun; seniors held their Senior Stanley Cup competition during physical education class which the underclassmen enjoyed watching during their study halls and lunch periods; National History Day club is preparing for their State Competition; and, on April 29th is the Junior Prom. She also noted that the Peer Leaders were chosen and had their retreat a few weeks ago; and, that the Student Ambassadors are being chosen this week by the advisors. These ambassadors will welcome the incoming freshman and help facilitate their orientation in September.

Kushal Gandhi, High School South, reported on the following competitions: HSS Academic Decathlon team won 1st place in the State Competition and will be attending the National

Competition in North Carolina – competition involves mathematics, language arts, and social sciences; Model United Nations won outstanding large delegation at Cornell and finished the year winning in 5 of 5 conferences it attended – they were ranked 3rd in the nation by bestdelegate.com; Science Olympiad team won 1st place in the State Competition and will be attending the National Competition – this competition covers 25 different events in engineering, experimental science, earth science, chemistry, physics and biology; and, Future Problem Solving will be attending the International Competition in June since one team receive 2nd place in the NJ Future Problem Solving State Bowl – this was a year-long problem solving program. On March 22nd, South hosted a press conference that Representative Rush Holt, from the 12th congressional district of New Jersey, Principal Bonino and Superintendent Kniewel, spoke about the 2ND FLOOR, a 24 hour youth helpline, and the possibility of it losing its federal funding. In addition, the recent alcohol awareness week at South consisted of an alcohol free video which was played during study halls. The food drive for the Crisis Ministry received 290 bags; and, bracelets and t-shirts are being sold as a fundraiser to help those affected by the recent earthquake and tsunami in Japan. Upcoming events included: Student Council’s Mr. South on April 29th - proceeds will to the March of Dimes and the annual South Asian Awareness Student Association (SAASA) diner and show on April 15th.

PRESENTATION: 2010-2011 Curriculum Revisions

Russ Lazovick and the curriculum supervisors presented a report on the revised curriculum, which detailed the changes in format and the 2009 New Jersey Core Content Standards, and addressed the overall impact of the revisions as well as the impact unique in each of the content areas. These updates met the current New Jersey Quality Single Accountability Continuum (NJQSAC) requirements.

After being monitored by NJQSAC, the official determination was that the district is a “high performing district.” Mr. Lazovick noted that our success is partially due to our past practice on how we review and assess programs. Two major components are: consistency in the State approved formatting and meeting the 2009 NJ Standards with a K-12 progression. Best practice, assessment, competency, technology, collaboration, and professional development are all part of the benefits of having consistent program formatting at all grade levels.

Content supervisors provided a “snapshot” of the changes in their areas: Mark Wise spoke on Visual & Performing Arts and Health & Physical Education; Ann Breitman on Language Arts and ESL/Bilingual Education; Barbara Braverman on Mathematics; Rob Richard on Science; Mark Wise spoke for John McNamara on Social Studies; Carol Meulener on World Languages; Rich Cave spoke about technology in general, how it impacts the curriculum, and can be extended outside the classroom; and, Rosanne Zeppieri talked about the 21st Competencies for Life & Careers.

Mr. Lazovick thanked the supervisors for their involvement and contribution and the positive impact these changes and assessments can make on a student’s progression through the educational system. The presentation is available on the district’s website.

A discussion ensued on the material presented including the following topics: common assessment; future instruction; learning progression; planning future assessment and achievements; on-line parent resources; compiling data assessment; and, the availability and use of that data.

Mr. Marathe thanked everyone for their contributions and efforts.

PUBLIC COMMENT

Sarah Milov extended an invitation to attend a group discussion at Princeton University focusing on trends in the American economy and Sodexo; and, Dick Harbourt spoke about the possibility of reducing costs with food service.

COMMITTEE REPORTS

Administration & Facilities

Mrs. Walsh stated that the committee met on April 5, 2010, and covered the following items: review of the NJ Quality Single Accountability Continuum for 2009-2010; discussion of West Windsor Township's improvements for Penn Lyle Road; draft review of the traumatic loss policy; and, discussed the proposed amendment to the Field Lights Agreement.

Mr. Kaye reported that the committee met on April 5, 2010, and covered the following topics: Quality Single Accountability Continuum review; program review updates on Special Services, Language Arts, and Social Studies; instructional teaching evaluations are coming to a close and the district will move to its annual reflections and evaluations; moving ahead with the pilot of common assessments in each of the core areas; review of the curriculum revisions presentation; Memorandum of Agreement with NY University and Lawrence Township Public Schools to participate in the US Department of Education Investing in Innovations (i3) Reading Recovery Scale Up project; acceptance of the STARTALK grant; submission of the Local Professional Development Committee District Plan; and overnight field trips that are on tonight's agenda.

ADMINISTRATION

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Quality Single Accountability Continuum (QSAC)

1. To acknowledge the completed New Jersey Department of Education's Quality Single Accountability Continuum (QSAC) district performance review (DPR) process and the district's QSAC Performance Continuum placement determination as a "High Performing School District" pursuant to *N.J.A.C. 6A:30-4.1(d)*.

Mandated Training

2. To approve an agreement between the Foundation for Education Administration and the WW-P Board of Education for mandated anti-bullying training for all district administrators and assigned staff members; the program will be offered on May 24, 2011; June 9, 2011; and June 27, 2011. [The cost for the training on June 9, 2011, is \$3,000 for up to 30 participants, and \$100 for each additional person; and the cost for training on May 24 and June 27, 2011, is \$100 per person. There are a total of 101 staff members who must be trained.]

Discussion on the Field Lights Agreement

A very brief board discussion ensued regarding the modification to the agreement approved on December 14, 2010, between the Board of Education and the WW-P High School South Booster Club concerning field lights at High School North and High School South. The proposed

amendment is to install field lights at one high school, with assurances of full financial funding for field lights at the other high school; basically, completing the project at one school before beginning it at another. This will be on the agenda for vote at the meeting on Wednesday, April 27th.

CURRICULUM AND INSTRUCTION

Prepared by:

Kathleen M. Bertram

**MINUTES OF BOARD OF EDUCATION MEETING HELD
April 27, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 8:00 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Robert Johnson	Mr. Randall Tucker
Mr. Anthony Fleres	Mr. Alapakkam Manikandan	Mrs. Ellen Walsh
Mr. Todd Hochman	Mr. Hemant Marathe	

Board Member Richard Kaye was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; Dr. David Aderhold, Assistant Superintendent, Pupil Services/Planning; Mr. Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; and, Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Mr. Marathe welcomed everyone to the meeting and thanked them for coming. He noted that the earlier scheduled closed session was cancelled.

PUBLIC COMMENT

Sara Spengler-Campanella and Genevieve Stiefel spoke against the change in the Field Light Agreement and their concerns about having the funding in place. Gerda Duffy and Sarah Milov spoke about Sodexo and the food service contract.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe thanked the three Board Members whose terms were concluding, Richard Kaye, Alapakkam Manikandan, and Randy Tucker for dedicated efforts and service to the community. He also thanked everyone for all the work they have done getting the budget information out to the community.

COMMITTEE REPORTS *(None)*

ADMINISTRATION

It was requested to vote on Administration Item No. 1 separately.

Several Board Members expressed their pleasure to vote in favor of the modification to the Field Lights Agreement. Mr. Hochman pointed out that the Memorandum of Agreement permits the Boosters to take out loans which the district is not a party to; nor would he vote to spend taxpayer's dollars if there is not sufficient funding in place. Mr. Johnson would not be supporting the effort if it was a safety issue for the neighborhood; taxpayer's dollars will not be spent on lights at the

expense of the curriculum. Mrs. Walsh also expressed that lights will be placed at the two schools at no expense to the district. Mr. Manikandan commented that no taxpayer's dollars will go to support these lights if it does he would vote it down. Mr. Marathe stated that this board agrees that "equity" will not be used as a means to support the lights if funding is not in place; and, Mr. Fleres commented that there is no reason at this time to doubt that the agreement will not be fulfilled.

Upon motion by Mrs. Walsh, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Field Lights Agreement

1. To approve a modification to the approved agreement between the Board of Education and the WW-P High School South Booster Club concerning field lights at High School North and High School South. [The agreement was approved on December 14, 2010.]

XIX. NAME FINANCIAL DEPOSITORIES

- A. It is recommended that** approval be given to the Board of Education to add depository:

Whereas, *N.J.S.A. 18A:17-34* directs that funds received by a Board of Education may be deposited in any bank or banking institution of this State designated as a depository of school funds; and

Whereas, Beneficial Bank is a bank operating in the State of New Jersey that is designated as a depository of school funds and is part of the Governmental Unit Depository Protection Act insurance program; and

Whereas, Beneficial Bank has partnered with the New Jersey Association of School Business Officials to create a competitive investment product which guarantees that it will pay interest in excess of that paid by the New Jersey Cash Management Fund; now, therefore be it

Resolved, by the West Windsor-Plainsboro Regional School District Board of Education that it does hereby add Beneficial Bank as a school district depository of funds and authorizes the Board Secretary and Treasurer of School Moneys to open an account with said bank, depositing such funds as in their judgment provides a rate of return that would benefit the students and financial position of this district.

- B. It is recommended that** approval be given to designate the following financial institutions as Depositories for School Funds:

Bank of New York
Beneficial Bank
MBIA Municipal Investors Service Corporation
Fidelity Advisor Funds
Bank of America
JP Morgan Chase Bank
New Jersey Cash Management
PNC Bank
Sovereign Bank
Sun National Bank

Public Hearings: June 14, 2011, Administrator Contracts & Salaries pursuant to P.L. 2007, Chapter 53; October 11, 2011, 2010-2011 Annual District Report of Violence and Vandalism; and, March 27, 2012, 2012-2013 Budget.

XXIII. It is recommended that approval be given to designate *The Princeton Packet* and *The Times* as the official newspapers for the school district.

XXIV. It is recommended that approval be given to adopt the rules and regulations of the New Jersey State Interscholastic Athletic Association as resolved in the July 11, 2000, Resolution for the High Schools' Athletic Departments.

- XXV. **It is recommended that** approval be given to empower the Superintendent of Schools and the Board Secretary to implement the 2011-2012 budget pursuant to policies and regulations of the New Jersey Board of Education and West Windsor-Plainsboro Regional Board of Education.
- XXVI. **It is recommended that** approval be given to empower the Superintendent of Schools and the Board Secretary to audit and approve chart of accounts and demands for payment prior to presentation to the Board.
- XXVII. **It is recommended that** approval be given to empower the Superintendent of Schools and the Board Secretary to approve transfers of funds, except for transfers to and from surplus, between meetings of the Board of Education. Transfers approved shall be reported to the Board, ratified, and duly recorded in the minutes at the next Board Business Meeting.
- XXVIII. **It is recommended that** approval be given to empower the Superintendent of Schools to authorize routine employment appointments between the last day of school and the opening of school, with the understanding that formal action would be taken at the next voting meeting of the Board.
- XXIX. **It is recommended that** approval be given to adopt the following resolution:

Maximum Travel Expenditure

Whereas, pursuant to *N.J.S.A. 18A:11-12*, in each pre-budget year, the West Windsor-Plainsboro Regional School District Board of Education is required to establish a maximum travel expenditure amount for the budget year that may not be exceeded; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education has established the maximum travel amount in the pre-budget year of \$350,000 and the amount spent to date is \$79,164; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education has determined that the maximum travel expenditure amount includes all travel that is supported by state and local funds; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education has not elected to exclude travel expenditures supported by federal funds from the maximum travel expenditure amount; now, therefore be it

Resolved, that the West Windsor-Plainsboro Regional School District Board of Education hereby establishes the maximum travel expenditure amount for the 2011-2012 school year will be a maximum of \$350,000.

Regular School District Business Travel

Whereas, Chapter 53 of the Laws of 2007 and *N.J.A.C. 6A:23A-1.1 et seq.* govern all reimbursements to school district employees for costs related to travel; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education (“Board”) recognizes that the needs of the district require many employees to travel between schools and other offices within the school district; and

Whereas, the Board recognizes that the needs of the district also require numerous employees to travel outside the school district to attend various meetings and activities related to their duties; and

Whereas, Chapter 53 of the Laws of 2007 and *N.J.A.C. 6A:23A-7.3* authorize the West Windsor-Plainsboro Regional School District Board of Education to establish a maximum amount for which employees may be reimbursed for costs related to “regular school district business travel” for which no specific approval of the Board of Education is required; and

Whereas, *N.J.A.C. 6A:23A-1.2* defines “regular school district business travel” as “regular official business travel, including attendance at meetings, conferences and any other gatherings” which are not considered “training and seminars,” “conventions and conferences,” or “school district-sponsored events” as defined by *N.J.A.C. 6A:23-1.2*; and

Whereas, *N.J.A.C. 6A:23A-1.2* also defines “regular school district business travel” as “attendance at regularly scheduled in-state county meetings and Department sponsored or association sponsored events provided free of charge and regularly scheduled in-state professional development activities with a registration fee that does not exceed \$150 per employee; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education wishes to ensure that its employees carry out their duties in an effective and efficient manner; now, therefore be it

Resolved, that the West Windsor-Plainsboro Regional School District Board of Education establishes \$1,500 as the maximum amount for which any individual employee may be reimbursed for costs associated with regular school district business travel during the period of July 1, 2011, through June 30, 2012, without specific approval by the Board of Education; and

Resolved, that all requests by employees for reimbursement for costs associated with regular district business travel shall be made and processed in accordance with applicable law and regulations and Board of Education policies and procedures.

XXX. **It is recommended that** approval be given to adopt all Board-approved job descriptions now existing, subject to review, recession, or addition during the 2011-2012 school year.

XXXI. **It is recommended that** approval be given to use the “Violence, Vandalism, and Substance Abuse Incident Report Form,” which is available on the state EVVRS web page, for the period July 1, 2011, through June 30, 2012.

XXXII. **It is recommended that** approval be given to adopt the following resolution:

Whereas, during the fiscal year 2011-2012, there exists a need for such services as School Board attorneys, district architects, and medical physicians; and

Whereas, funds are available for this purpose; and

Whereas, the Public School Contracts Law (*N.J.S.A. 18A:18A-5*) requires a resolution authorizing the award of contracts/agreements for "professional services" without competitive bids; now therefore be it

Resolved, by the West Windsor-Plainsboro Regional Board of Education:

1. The Superintendent of Schools and Board Secretary are authorized to execute contracts and/or agreements with:

XXXIV. PRESENTATIONS:

SUPERINTENDENT’S COMMENTS

On May 24, 2011, the district will be honoring the Governor Recognition Honorees, the district retirees, and the WW-P Education Foundation grant recipients for their service to the school district. This event will be sponsored by the WW-P Education Foundation, Inc., and WW-P Education Association.

On today’s agenda, I am recommending the appointment of Dr. Deborah Batchelor as district supervisor for Special Services. Dr. Batchelor has been the elementary supervisor for Special Services for the past 11 years. She also serves as an adjunct professor at Rider University. Deborah comes to us with a breadth of experience and understanding of the Special Services environment. Her interactions with parents, students, and staff have been a benefit to WW-P and her strong administrative experience will be beneficial to the district, especially as we continue through our review of the Special Services Department and then implement those recommendations.

Also, at this time, I would like to note the bitter-sweet resignation of Russell Lazovick. Russ has served as assistant superintendent for Curriculum and Instruction for the past two years. Last evening, he was appointed superintendent for Nutley Public School District. Russ has played an important role to improve the observation and evaluation process for teachers, and in working diligently with all district administrators to update district curricula. He has provided direction for all content areas, and has been instrumental in working with our Technology Department to enhance online access for parents, students, and staff. We wish him all the best.

STUDENT REPRESENTATIVE COMMENTS

Chloe Barz, High School North, spoke about the following events: NHS Pickle Ball Tournament which is a cross between tennis and ping-pong; Red Cross Floor Hockey Tournament with Red Cross receiving the proceeds; Hoops for Hope basketball tournament hosted by the Interact Club; Relay for Life race to raise money for cancer research; Gay Prom hosted by High Tops at Rutgers University; "Knight under the Sea" Junior Prom at Camden Aquarium; students' book drive; Post Prom fundraising; Peer Leaders' Yellow Ribbon Week to raise awareness about preventing teen suicide; and, AIR (Attitudes In Reverse) fundraising for teen suicide prevention.

Kushal Gandhi, High School South, reported on the following items: Advanced Placement Exams which started last week; Career Week with a variety of seminars provided by guidance featuring speakers from different fields such as business, engineering, computer science, medicine, law, and education, which will provide valuable information and answer students' questions about these career fields especially for the sophomores; Academic Decathlon team placing tenth in the National Academic Decathlon Competition; Mr. South raising approximately \$4,000 for the March of Dimes; Biology End of Course assessment; Junior Extravaganza; American Studies classes going to Gettysburg; orchestra concert at the War Memorial; and, boys' varsity tennis winning the Mercer County Tournament.

Both representatives expressed their thanks for the opportunity to serve on the Board and both look forward to serving next year.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe extended a welcome to Rachelle Feldman Hurwitz and Dana Krug and expressed his congratulations to Richard Kaye for being re-elected. He commented that the budget vote did not receive as many votes as we would have liked to have receive. With the defeated budget, there is a process the district will need to follow which Dr. Kniewel will present.

PRESENTATION: DEFEATED BUDGET PROCESS

Dr. Kniewel presented a general outline of the 2011-2012 defeated budget process. She spoke about the district mission statement, 21st Century Competencies, and the 2010-2011 budget actions and reductions. With a defeated budget, both townships must certify the general fund tax levy no later than May 19, 2011. If this amount is a reduction, the townships must recommend general fund line item expenditure reductions. If the townships do not certify the same general fund tax levy, the issue is brought to the executive county superintendent. Last night, May 9th, the Township of West Windsor voted to reduce the amount of the local share of the budget for the general fund by \$503,000; the meeting with the Township of Plainsboro will be on May 11th. The Board of Education has scheduled a Special Meeting on May 17th to vote on the revised general fund tax levy.

XXXV. PUBLIC COMMENTS

Pete Weale, spoke on several topics including congratulating Russ Lazovick on his new appointment; broadcasting of meetings; presentations on the web; and the mission statement.

Debbie Baer, WWPEA President, welcomed the new board members and commented on the good working relationship the union has with the Board of Education and administration. She also congratulated Russ Lazovick and Debbie Batchelor on their new endeavors.

XXXVI. BOARD OF EDUCATION COMMITTEE REPORTS *(None)*

Administration & Facilities

Mrs. Walsh stated that the committee met on May 3, 2011, and covered the following items: Penn Lyle Project update for the roadway widening; reviewed the HSN Baseball Shed donation; update on the Dutch Neck Walking Track project which will be funded by donations; formation of an Ad Hoc Committee to review and provide feedback on building-use; reviewed the model policy for the mandatory concussion policy; discussed minimum GPA requirements for all students including athletics; reviewed the Department of Education’s New and Amended Harassment, Intimidation and Bullying Laws and Revised Model Policy and Guidance compared to district policies; reviewed the policy alerts from Strauss Esmay and selected policies are now under reassessment; and, continued discussion of the 2000 Series.

D. PERSONNEL

Personnel corrections were made: delete the reappointment of Russell Lazovick and Alexis Kelley; and to change a retirement date under C: Non-Certificated Staff. A personnel addendum was added containing two resignations.

Mr. Marathe congratulated and expressed the Board's pleasure in the appointment of Deborah Batchelor as the Special Services' District Supervisor.

Mr. Marathe acknowledged Russell Lazovick's resignation and wished him the best in his new superintendent endeavor. He expressed the Board's appreciation for his service to the district.

Mr. Marathe acknowledged the retirement of several employees and thanked them for their service to the district: Jean Burdick, teacher, 22 years; and, Diane Trybulski, secretary, 13 years.

Upon motion by Mr. Kaye, seconded by Mr. Johnson, and by roll call vote, with eight board members present voting yes and Ms. Krug abstaining, the following board actions were unanimously approved:

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and congratulated the Governor Recognition Honorees, the district retirees, and the WW-P Education Foundation grant recipients.

PRESENTATION: Making the Strategic Plan Come To Life

Dr. Kniewel presented a review of the strategic plan, along with how it works to support the school district's mission. The mission of the West Windsor-Plainsboro Regional School District, valuing our tradition of excellence, is to develop all of our students as passionate, confident, lifelong learners, who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world. The mission statement was developed over eight years ago with a wide range of stakeholders. It was revisited, reinvigorated, and revised about two years ago. Then, as now, the "focus" is always on the students and our tradition of excellence. Our district continues to function at a very high level as demonstrated by our students' test scores and accomplishments. A tradition of excellence means excellence for all. She spoke

about what we want to accomplish for all our students and provided possibilities imagined by students embedded in the 21st Century Competencies. The 21st Century Competencies skills are effective communicator; collaborative team member; creative and practical problem solver; flexible and self-directed learner; globally aware and responsible student-citizen; and, information literate researcher. Dr. Kniewel then turned over the program to two students: Aparna Rajesh, 3rd grade student at Wicoff, who did a presentation on “The Science Behind Laughter!” and Mariae Kim, 12th Grade, High School North, who spoke about the “Senior Options Program: Mercer County Bar Association.” Both presentations were about making choices and looking at things in different ways.

As the district continues to measure its mission of producing students who are passionate, confident, lifelong learners, Dr. Kniewel invited the community to participate in the 8th Grade Exit Assessment on June 10th from approximately 8 a.m. to 1 p.m. This pilot program will be part of the 8th grade curriculum next year. Students were challenged to solve the United Nations’ Millennium Development goals having four days to prepare team presentations to panels of external judges who will assess each presentation as students demonstrate mastery of the district’s competencies. If you can make the commitment, please email Mark.Wise@ww-p.org and let him know that you are interested in the 8th Grade Exit Assessment.

Mr. Marathe expressed the Board’s appreciation to the students for participating in the presentation.

PUBLIC COMMENT

Linda Geevers expressed her thanks to all the teachers and administration for their dedication to the district; and, Bruce Salmestrelli, WWPEA, also expressed his appreciation to the teachers, administration, and Board of Education as well as thanked the Education Foundation for their support.

RESOLUTION ACCEPTING REDUCED GENERAL FUND TAX LEVY

1. To approve the following:

WHEREAS, the Board of Education of the West Windsor-Plainsboro Regional School District presented to the voters at the annual school election held on April 27, 2011, a question concerning the approval of the local share of the budget for the general fund in the amount of \$140,027,454 for the 2011-2012 school year; and

WHEREAS, the voters at said election rejected the budget for the general fund; and

WHEREAS, pursuant to *N.J.S.A. 18A:22-37*, the governing bodies of the Townships of West Windsor and Plainsboro are charged with the responsibility of determining the amount which is necessary to be appropriated for each item in the budget and certifying the tax levy for the local share; and

WHEREAS, the Board timely provided both Townships with the required defeated budget information and representatives of the Board and the Townships of West Windsor and Plainsboro met on one occasion each to consult on the budget and possible areas of reductions; and

WHEREAS, on May 9, 2011, the Township of West Windsor voted to reduce the amount of the local share of the budget for the general fund by \$503,000, resulting in a general fund tax levy certification of \$139,524,454; and

WHEREAS, on May 11, 2011, the Township of Plainsboro voted to reduce the amount of the local share of the budget for the general fund by \$503,000, resulting in a general fund tax levy certification of \$139,524,454; and

WHEREAS, based upon the information presented to it, the Board has determined that a thorough and efficient education can be provided by a budget in which the local share is reduced from \$140,027,454, the figure which was rejected by the voters of West Windsor-Plainsboro, to \$139,524,454;

NOW, THEREFORE, BE IT RESOLVED that the West Windsor-Plainsboro Regional School District Board of Education determines to accept the amount of \$139,524,454 as the local share of the general fund of the budget of the Board of Education for the 2011-2012 school year; and be it

FURTHER RESOLVED, that the Board's plan to respond to specific recommendations for reductions, and the Board determines that it will make the necessary specific line item reductions for a total reduction of \$503,000 as follows:

- | | |
|---------------------------------------|-----------|
| a) Non-personnel school expenditures | \$235,000 |
| b) Reduce support staff | \$ 50,000 |
| c) Co-curricular stipends & athletics | \$ 30,000 |
| d) Guidance | \$ 80,000 |
| e) Capital budget of general fund | \$108,000 |

FURTHER RESOLVED, that the Assistant Superintendent for Finance/Board Secretary is hereby authorized and directed to provide a copy of this Resolution to the Executive County Superintendent.

Upon motion by Mr. Fleres, seconded by Mr. Farrell, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

**MINUTES OF BOARD OF EDUCATION MEETING HELD
June 14, 2011**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:40 p.m. in the room 501 of Community Middle School. Upon motion by Mr. Kaye, seconded by Ms. Feldman Hurwitz, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss matters involving personnel and litigation. The meeting reconvened to open session at 7:40 p.m. in the commons. The following board members were present:

Mr. John Farrell	Mr. Todd Hochman	Mr. Hemant Marathe
Ms. Rachelle Feldman Hurwitz	Mr. Richard Kaye	Mrs. Ellen Walsh
Mr. Anthony Fleres	Ms. Dana Krug	

Board Member Johnson was absent. Present also were: Dr. Victoria Kniewel, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; Dr. David Aderhold, Assistant Superintendent, Pupil Services/Planning; Mr. Russell Lazovick, Assistant Superintendent, Curriculum and Instruction; and, Ms. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for coming; there was a closed session earlier, so the meeting has already been opened.

PUBLIC HEARING ON ADMINISTRATOR CONTRACTS

Mr. Marathe announced that State regulations do not require a hearing if it is a new contract or if an existing contract has not changed. Therefore, there is no need for a public hearing on the administrator contracts.

SUPERINTENDENT'S COMMENTS

Dr. Kniewel commented that today is Flag Day that marks the official date when the Continental Congress in 1777 first adopted the stars and stripes as our National Flag. She had the opportunity to attend a Flag Day ceremony at Wicoff School. The flag is an inspiring symbol and she thanked the people who serve in the military today and in the past. She also expressed her appreciation to everyone who contributed to another successful school year; and, to the Board Members for their commitment and service to their community and our students.

PUBLIC COMMENT

Paul Ballaso talked about the local taxes; Pete Weale spoke on several topics including the vacant positions and the Building Use Ad Hoc Committee; Linda Geevers and Sara Spengler-Campanella commented on the athletic field light usage policy; and, Morton Levine spoke about his participation in the 8th Grade Exit Assessment.

COMMITTEE REPORTS

Administration & Facilities

Mr. Hochman stated that the committee met on June 6, 2011, and covered the following items: review of the Field Lights Usage Policy; Town Center Fence Donation by the Town Center PTA; Harassment, Intimidation and Bullying Policy review and update based upon the passage of the anti-bullying legislation; update on the Ad Hoc Committee for Building Use noting an overwhelmingly positive response; discussed placing signs around playgrounds at the K-5 buildings since more community members are using the playgrounds during school hours causing a conflict with school and after-school programs; reviewed and recommended to update Schedule A of the Building Use Policy to establish rates for the utilization of district facilities, especially to cover appropriate utility expenses incurred when renting our facilities to outside groups; request from a teacher at Millstone River to implement her dissertation proposal; and, began policy review of the 2000 Series.

ADMINISTRATION

Administration No. 13 does not need to be voted on and that the policies and regulations will have a first reading with a board discussion. The public will be given an opportunity to ask questions and/or make comments.

It was noted that Administration No. 5 had a revision. The December Board of Education meeting will be on December 13, 2011, and not on December 20, 2011, as originally approved on May 10th.

Upon motion by Mr. Hochman, seconded by Mr. Kaye, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Policies and Regulations

The board approved a first reading of the following bylaws, policies, and regulations.

0000: BYLAWS

- 0144: Board Member Orientation and Training

5000: PUPILS POLICIES

- 5512: Harassment, Intimidation and Bullying
- 5600: Pupil Discipline/Code of Conduct

5000: PUPILS REGULATIONS

- R5512: Harassment, Intimidation and Bullying
- R5600: Pupil Discipline/Code of Conduct

7000: PROPERTY POLICIES

- 7511: Field Light Usage/Athletic Field Lights
- 7000: PROPERTY REGULATIONS**
- R7510: Rates for Facilities Use/Schedule A
- 8000: OPERATIONS POLICIES**
- 8461: Reporting Violence, Vandalism, Harassment, Intimidation, Bullying, Alcohol, and Other Drug Abuse
- 8000: OPERATIONS REGULATIONS**
- R8461: Reporting Violence, Vandalism, Harassment, Intimidation, Bullying, Alcohol, and Other Drug Abuse

A discussion ensued between Board Members and the public on the 7000 Series. Policy 7511 Athletic field light usage included some of the following topics: possible conflict with township ordinances; including neighbors in annual review process; long-term maintenance costs; utilities not a school budget item; “stop” time for games; additional types of sports to use fields; clearer definition of a weekend; protecting neighbors from noise levels; cost of personnel for evening games; timeline should be in policy; and, usage for Saturday evenings, holidays, and for make-up games.

Mr. Hochman took a moment to explain the need to draft a policy in advance to address concerns about usage such as the items talked about tonight. He noted that the installation of the field lights will allow for more usage of our school facilities. The policy is designed to protect the district’s facilities and community interests. The Board welcomed the public comments, input, and concerns. Mr. Hochman requested that the community and board members please provide their concerns, suggestions, and questions in written form by mail or e-mail to Dave Aderhold (David.Aderhold@ww-p.org) by June 22nd. The Administration & Facilities will meet again on Monday, June 23rd, to review, investigate, and evaluate these items.

Second reading and approval of the policies and regulations will be on June 28, 2011. The 7000 series may have another first reading after the comments and suggestions are reviewed by the Administration & Facilities Committee.

School Alliance Insurance Fund

52. To adopt the following resolutions:

a) Appointing a Risk Management Consultant

Whereas, the West Windsor-Plainsboro Regional School District, (“Educational Facility”) has resolved to join the School Alliance Insurance Fund (“SAIF”) following a detailed analysis; and

Whereas, the Bylaws of SAIF require that each educational facility designate a Risk Management Consultant to perform various professional services as detailed in the Bylaws and Risk management Plan; and

Whereas, the Bylaws indicate that SAIF shall pay each Risk management Consultant a Fee to be established by SAIF;

Now, therefore be it resolved, that the West Windsor Plainsboro Regional School District, does hereby appoint Rue Insurance as its Risk management Consultant in Accordance with the Fund’s Bylaws.

b) Renewal of Membership

Whereas, the West Windsor-Plainsboro Regional School District, hereafter referred to as “Educational Facility” is a member of the School Alliance Insurance Fund, hereinafter Referred to as “Fund”; and

Whereas said renewal membership terminates as of July 1, 2011, at 12:01 a.m. standard time; unless earlier renewed by agreement between the Educational Facility and the Fund; and

Whereas, the Educational Facility is afforded the following types of coverage: Workers’ Compensation, Liability, Excess Liability, Package – Property, Boiler and Machinery, General and Auto Liability, and School Leaders Professional Liability; and

Whereas, the Educational Facility desires to renew said membership;

Now, therefore be it resolved, that the Educational Facility agrees to renew its Membership in the Fund for a period of three years beginning July 1, 2011, and ending July 2, 2014 at 12:01 a.m. eastern standard time, and to be subject to the coverage, operating procedures, bylaws, and other organizational and operational documents of the Fund presently existing or as from time to time amended by the Fund and/or the Department of Banking and Insurance; and be it further

Resolved, that the Educational Facility’s Business Official, School Business Administrator, is hereby appointed as the Educational Facility’s Fund Commissioner and is authorized to execute the renewal Indemnity and Trust Agreement thereby evidencing annexed hereto and made a part hereof and to deliver same to the Fund the Educational Facility’s renewal of its membership.

c) Indemnity and Trust Renewal Agreement

This Agreement, made this 14th day of June 2011, in the County of Mercer, State of New Jersey, by and between the School Alliance Insurance Fund, hereinafter referred to as “Fund”, and the Governing body of the West Windsor-Plainsboro Regional Board of Education, hereinafter referred to as “Educational Facility”;

Whereas, the Fund seeks to provide its members with insurance coverage;

Whereas, two or more educational facilities have collectively formed a joint insurance fund as it authorized and described *N.J.S.A. 18A:18B-1 et. seq.* and the regulations promulgated pursuant thereto; and

Whereas the Educational Facility is currently a member of said Fund; and

Whereas the Educational Facility has resolved to renew said membership;

Now therefore, it is agreed as follows:

1. The Educational Facility hereby renews its membership in the Fund for a three (3) year Period, beginning July 1, 2011, and ending July 2, 2014, at 12:01 a.m. eastern standard time.

2. The Educational Facility agrees to participate in the Fund with respect to the types of insurance stated in the Renewal of Membership Resolution.
 3. The Educational Facility hereby ratifies and reaffirms the bylaws and other organizational and operational documents of the Fund and as from time to time amended by the Fund and/or Department of Banking and Insurance in accordance with the applicable statutes and regulations as if each and every one of said documents were re-executed contemporaneously herewith.
 4. The Educational Facility agrees to be a participating member of the Fund for the period herein provided for and to comply with all the rules and regulations and obligations associated with said membership.
 5. In consideration of renewal of membership in the Fund, the Educational Facility agrees that for those types of insurance in which it participates, the Education Facility shall jointly and severally assume and discharge the liability of each and every member of the Fund all of whom, as a condition of membership in the Fund, shall execute a verbatim counterpart to the Agreement. By execution hereof the full faith and credit of the Educational Facility is pledged to the punctual payment of any sums which shall become due to the Fund in accordance with the bylaws thereof, this Agreement or any applicable statute of regulation.
 6. If the Fund, in the enforcement of any part of this agreement, shall incur necessary expense or become obligated to pay attorney's fees and/or court costs, the Educational Facility agrees to reimburse the Fund for all such reasonable expenses, fees and costs on demand.
 7. The Educational Facility and the Fund agree that the Fund shall hold all monies paid by the Educational Facility to the Fund as fiduciaries for the benefit of Fund claimants all in accordance with the applicable statutes and/or regulations.
 8. The Fund shall establish and maintain Trust Accounts in accordance with *N.J.S.A. 18A:18B-1 et. seq.* and such other statutes and regulations as may be applicable.
 9. The Business Official Designate in the resolution to Renew Membership is hereby authorized to execute the Agreement to renew membership.
- d) A5 Insurance Resolution

Whereas, A5 was enacted by the New Jersey State Legislature to ensure and preserve Public confidence in school boards by providing for various school district accountability measures; and

Whereas, A5 requires that as a condition of receiving State aid, a school district shall examine all available group options for every insurance policy held by the district, including any self-insurance plans, and that the district shall participate in the most cost effective plans; and

Whereas, the Board of Education of the West Windsor-Plainsboro Regional School District, in accordance with A5, has examined for every insurance policy held by the district, various group insurance programs with AIG, Fireman's Fund, School Alliance Insurance Fund (SAIF), Selective Insurance Company, Travelers Insurance Company and Zurich Insurance Group.

Now, therefore, be it Resolved, that the Board of Education of the West Windsor-Plainsboro Regional School District hereby determines that it is the best interest of the school district to enter into the following insurance agreements in accordance with *N.J.S.A. 18A:18A*: Workers' Compensation, Liability, Excess Liability, Package – Property, Boiler and Machinery, General and Auto Liability, and School Leaders Professional Liability, effective July 1, 2011.

Transfer of Current Year Surplus to Reserve Resolution

Mr. Fleres led a discussion about the Reserve Accounts which are part of the General Fund Balance. He touched on the categories; and, that those each have a definite purpose and are not generally susceptible to change. A primary focus was on the Capital Reserve, Maintenance Reserve, and Emergency Reserve. The Emergency Reserve withdrawals require the commissioner's approval (with an exemption for health premium increases over 4%) and are used only for unforeseen increases during the school year. Unlike the private sector, once a school budget is approved it must operate within the approved budget. Therefore, reserves for emergencies become necessary for these unforeseen budget increases; this fund has a legal limit of \$1M. The Maintenance Reserve is for unanticipated repairs to the facilities and can only be withdrawn with the Board of Education's approval. This account is approximately \$0.5 M. The largest reserve fund account is the Capital Reserve which supports the district's long-range facility plan. This account by regulation can only be replenished in June by board action.

The district has over \$200 Million of physical assets that need to be preserved. By replenishing the Capital Reserve account, at an agreed upon level by the Board, ensures that the district's facilities will continue to be kept at a satisfactory condition. Without this conservative approach, the school budget would require sudden and deep adjustments year-to-year. With the 2 percent CAP in place, stability and planning is essential.

Mr. Fleres spoke about the type of projects the Capital Reserve account support such as lighting, roof, paving, and boiler replacements. Having this account allows the district to plan ahead for these necessary items; and, at the same time, having these reserve dollars available allows the district to take advantage of grant opportunities. Currently, the district will be receiving \$11M worth of construction for 60 cents on the dollar with the state supplying the difference in grants that amount to 40 cents on the dollar. Without this reserve, the district would than pay 100 cents on the dollar for the projects it could afford.

Mr. Shanok explained the process the district uses to determine what capital projects will be undertaken. Projects for considerations include recommendations from the following areas: Buildings & Grounds, principals, technology, and the long-range facilities plan. The Finance Committee considers a spending level. Once the list is compiled and evaluated, it is reviewed by Administration & Facilities Committee which makes the final determination based on need and dollars available.

Mr. Marathe commented that with over \$200 Million in physical assets, the district needs to protect these investments. Same as you do with your own home and other valuable assets. The Board must have funding available to protect its investments as well as to have money available when the unexpected happens. Investing in our schools helps to protect and promote a safe, effective, and powerful learning environment.

Mrs. Walsh noted that our current process for determining what projects need to be done and having the availability of the Capital Reserve allows for budgetary consistency, easier planning and completion of these projects.

Upon motion by Mr. Fleres, seconded by Mr. Farrell, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

16. To approved the transfer of current year surplus to reserve following resolution:

Whereas, *N.J.S.A. 18A:21-2* and *N.J.S.A. 18A:7G-13* permit a Board of Education to establish and/or deposit into certain reserve accounts at year end, and

Whereas, the aforementioned statutes authorize procedures, under the authority of the Commissioner of Education, which permit a board of education to transfer anticipated excess current revenue or unexpended appropriations into reserve accounts during the month of June by Board resolution, and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education wishes to deposit anticipated current year surplus into the Capital Reserve account at year end in an amount not to exceed \$1,750,000; and

Whereas, the West Windsor-Plainsboro Regional School District Board of Education has determined that \$1,750,000 is available for such purpose of transfer; now, therefore be it

Resolved by the West Windsor-Plainsboro Regional School District Board of Education that it hereby authorizes the district's School Business Administrator to make this transfer consistent with all applicable laws and regulations.

PERSONNEL

Personnel Item No. 2 had a revised substitution; and, a Personnel Addendum for a settlement agreement was added.

It was requested to vote on the Administrator appointment separately.

Upon motion by Mr. Kaye, seconded by Ms. Krug, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

It is recommended that approval be given to the following personnel actions as recommended by the Superintendent of Schools.

Name	Nature of Action	Position	Step	Salary	Loc.	Date Effective	Date Termin.	Discussion
A:								
Administrators								
Royster, Carla	Change	Assistant Principal		\$107,409.00	GMS	7/1/2011	6/30/2012	Change from a Health teacher to an Assistant Principal, replacing Beverly Krockner who retired (Tenure date: 7/2/13).

Board Members congratulated Ms. Royster on her appointment.

Mr. Marathe acknowledged the retirement of several employees and thanked them for their service to the district of Judith Carter, Teacher, 17 years; Madeline Crass, teacher, 24 years; Marcia Mears, teacher, 22 years; Pamela Twiggs, teacher, 35 years; and, Clothilde Watten, psychologist, 11 years.

Upon motion by Ms. Feldman Hurwitz, seconded by Mr. Hochman, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe welcomed everyone to the meeting and thanked them for their patience. There was a closed session earlier, so the meeting has already been opened.

He thanked everyone for another successful school year and noted that this is the last meeting at Community; and, that the 2011-2012 meetings will be held at Thomas Grover Middle School.

Mr. Marathe stated that this was Russell Lazovick's last meeting and expressed the Board's best wishes in his new superintendent endeavor. During the past two years, Russ has made a very positive impact on the district. He will be missed.

PUBLIC COMMENT

Pete Weale commented on several topics: more detail in the minutes of the public comments; pilot program on broadcasting BOE meetings; community service pilot program for HS students; salary increases; creations of an Ad Hoc Committee for Benefits & Wages; naming of a high school field; and, management summaries. Linda Geevers spoke on the athletic field lights and notification of neighbors.

COMMITTEE REPORTS

Administration & Facilities

Mr. Hochman stated that the committee met on June 20, 2011, and covered the following topics: acceptance of HS North Class of 2011 gift to restripe the student parking lot area near the football field; reviewed draft policy and regulation on sports-related concussions as per legislation enacted on December 7, 2010, which must be adopted by September 1, 2011; reviewed suggestions and recommendations from community members and Board Members on athletic field lights usage policy noting that changes were made; however, the policy did not have any substantive changes; discussed the formation of an Ad Hoc Committee for Building Use which should include representatives from both townships and once accepting a role on the committee, members will make recommendations to the full board; and, the 2000 series of the policy review was tabled for a future meeting. The next meeting was changed to July 11th.

Finance

Mr. Fleres remarked that the committee met on June 21, 2011, reviewed the agenda items and supported them. Topics that came under discussion included: Aramark's second year of the two-year contract with proposed changing in staffing; Buildings & Grounds monitoring and inspection results; suggestion from our independent monitor to adjust the second year staffing by adding three additional positions that will increase billings by \$99,325.93 for the 2011-2012 year, but will result in better coverage; update on the phase II solar including the district receiving a rebate approval for one of the small installations which will expire on January 31, 2012, if the project and all the paperwork have not been completed by that date; update on the phase II solar noting that the district is still hopes for state approval; and, discussed the capital reserve mentioning that on June 30, 2010, there was a reserve balance of \$6.3 million which during 2010-2011 had a withdrawal of \$1.75 million for the April 2010 budget and an addition of \$1.75 million authorized in June 2011 which means the June 30, 2011, balance will remain at about \$6.3 million. In 2011-2012 there will be a withdrawal of \$4.1 million to support the April 2011 budget reducing the reserve. The Committee settled on meeting dates for the 2011-2012 school year.

Board Members discussed the Buildings & Grounds monitoring and the inspection results noting that an inspection of the condition of our schools in May 2010 showed that only two of ten finished with an "average" score and the others schools were graded below average. With the conclusion of the first year with Aramark, the May 2011 scoring was dramatically different: two schools were noted to be "above average" and four schools just missed the above average cutoff point; none of the schools were "below average."

Curriculum and Instruction

Mr. Kaye stated that this was the last time the Committee would be meeting with Russ Lazovick noting how much they have learned and moved forward and that he will be missed.

He remarked that the committee met on June 13, 2011, adjourned into closed session to discuss personnel items, and then returned to public session and reported on the following: overview of the district's K-3 pilot demonstration which showed the district is able to identifying gifted students within the classroom following the new model which identified more students since it was also by performance and not just by testing; reviewed textbook adoptions and recommendations for professional development travel, both are on tonight's agenda for approval; completion of its annual New Teacher Induction program with two full days of professional development following the close of school which focused on reflection of the first year of teaching and guides planning for the upcoming year and is grounded in the districts Framework for Professional Practice and focus on the instructional goals for the district (it was noted that the program is for five full days – three days before school begins and two days at year end); necessary additional hours for professional development, testing, and curriculum articulation; overnight field trips recommendations; and

provided an update on the district's progress with its search for supervisors for Math and Language Arts as well as the Assistant Superintendent for Curriculum and Instruction.

ADMINISTRATION

Administration agenda Item No. 7 does not need to be voted on and that the policies and regulations will have a first reading with a board discussion.

A discussion ensued regarding the new state anti-bullying law that included the following topics: procedures the district must follow; intensive staff training required for administrators and Board Members; strain and potential financial impact; new code adoptions and procedures; additional responsibilities and work; other districts adding staff to meet new mandates; and, no state funding available.

A brief discussion followed on the field lights. Mr. Hochman noted the specific changes such as meeting the townships' noise guidelines; specifying Saturday/Sunday instead of just "weekend" usage; only policy with an annual review; summer usage; and, balancing neighbors' concerns with athletic competitions and/or practices.

Upon motion by Mr. Farrell, seconded by Mr. Kaye, and by roll call vote with all Board Members present voting yes, the following board action was unanimously approved:

Donations

1. To accept a donation to erect a fence to enclose the existing vegetable garden at Town Center Elementary School from the Town Center PTA at no expense to the Board of Education contingent upon the following: Board of Education approval of the final plans, drawings, and location; Plainsboro Township's Planning and Zoning Board approval; all appropriate permits; and Plainsboro Township's Certificate of Approval when the project is completed.
2. To accept a donation from the High School North Class of 2011 to restripe the High School North student parking lot; there will not be expense for the Board of Education contingent upon Buildings & Grounds approval and project coordination with the contractor.

The board approved a first reading of the following bylaws, policies, and regulations.

2000: PROGRAM

- 2431.4: Prevention and Treatment of Sports-Related Concussions and Head Injuries

2000: PROGRAM REGULATION

- R2431.4: Prevention and Treatment of Sports-Related Concussions and Head Injuries

Mr. Marathe noted that this policy and regulation will be placed on the July agenda for a second reading.

Charter School

Mr. Marathe updated the Board Members on the pending charter school opening. July 15th is the official date that we will know if permission has been granted. However, if it is not granted, the charter school will be able to apply for a new charter. There will be an update at the July meeting.

CURRICULUM AND INSTRUCTION

It was requested to vote on Item No. 4 separately.

Upon motion by Mr. Kaye, seconded by Ms. Feldman Hurwitz, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Textbook Adoptions

1. To adopt the following textbooks:
 - a) Conceptual Physics, 2009, by Paul G. Hewitt, for the course, Conceptual Physics. Cost of the purchase is approximately \$80.50 per text and \$12,515 total.
 - b) Glencoe, Physics: Principles & Problems, for the course, CP Physics. Cost of the purchase is approximately \$80.00 per text and \$31,000 total.

Professional Development

2. To accept the 2011-2012 District Professional Development Plan approved by the Mercer County Professional Development Board. [Plan will be posted on the district web site.]
3. To approve district membership in Teachers as Scholars at Princeton University for the 2011-2012 school year at a cost of \$2,000. Membership includes admission to eight Teachers as Scholars seminars and two Administrators as Scholars seminars.

Mr. Kaye before the vote, as a personal request that has not been previously discussed, asked the Board to consider reviewing the policy on field trips and to make revisions and/or updates to the parameters since the current policy was enacted approximately six years ago.

The Board Members discussed this request especially with the economic and monetary constraints in today's economy. Reexamining field trips, destinations, and the costs will help many students and their families in these difficult times. The Board was in general agreement that this should be pursued. It was noted not to break the cycle at this time or to disappoint the students.

Upon motion by Mr. Kaye, seconded by Ms. Krug, and by roll call vote with all Board Members present voting yes, the following board actions were unanimously approved:

Field Trips

4. To approve the following overnight field trips:
 - a) High School South Red Cross Club to Waterville Valley, New Hampshire, from December 16, 2011, to December 18, 2011. The cost of the trip is approximately \$350 per student.
