ADMINISTRATION

Upon motion by Mrs. Geevers, seconded by Mrs. Bocarsly, and by roll call vote with all board members present voting yes, with the exception of Mr. Smith, who abstained, the following board action was approved:

1. To approve the collective bargaining agreement negotiated between the West Windsor-Plainsboro Board of Education and the West Windsor-Plainsboro Foremen Association for the period of July 1, 2003 to June 30, 2006.

The board then engaged in a discussion of the following motion made by Mr. Wieck at the meeting of December 21, 2004.

2. Moved by Henry Wieck and seconded by Patricia Bocarsly at the Board of Education meeting on December 21, 2004: Discussion on the proposal by the Northern Knights Booster Club for the installation of permanent field lights on the High School North football field. Possible action may be taken by the Board of Education.

Mr. Wieck presented a framework for discussion of the field lights issue beginning with the history of the matter. All board members expressed their feelings on the issue. Ms. Wieck voiced his support, but the consensus of opinion among all other board members was that there is a long list of even more important things to be addressed at this time. Cost issues, as well as philosophical issues, were also cited as reasons, but everyone expressed their appreciation for the generous offer, and the possibility of leaving the door open for consideration at some future date.

BOARD LIAISON REPORTS

Education Foundation

Mrs. Bocarsly noted that the Education Foundation is scheduled to meet tomorrow. She noted that the annual Gala is set for April 29th at the Doral. Mrs. Bocarsly also announced that Richard Kaye is joining the Board of Trustees.

New Business

Mrs. Bocarsly brought to the board's attention that the "pilot" fencing club at the high school, which is comprised of 50 kids, is unable to attend a tournament because they don't have a faculty advisor or an approved coach. She is hoping to find a way to help them get to the tournament. The board discussed the issue at length and finally agreed that there were no objections for a faculty member to act as a chaperone and to accompany the fencing club to the NJSIAA tournament.

Upon motion by Mr. Johnson, seconded by Mrs. Bocarsly, and by unanimous voice vote, the meeting adjourned into closed session at 10:25 p.m. for purposes of negotiations. The meeting returned to open session at 11:11 p.m. Upon motion by Mr. Johnson, seconded by Mr. Wieck, and by unanimous voice vote, the meeting adjourned at 11:11 p.m.

Discussion of the 2005-2006 budget.

Mr. Shanok presented the 2005-2006 Budget First Draft Considerations. He highlighted the areas that would have the most impact on the budget which include: salaries/wages/stipends; contracts pending; benefit cost increases; growing enrollment, particularly at the high school level; additional teachers/guidance counselors at the high schools; and the impact of S1701 on our fund balance. Mr. Shanok noted that we are looking at a possible 5% increase over last year’s budget, but the administration is hoping to trim the increase to 4.5-4.6%

For the purpose of introducing a discussion, Mr. Katz moved to approve the following:

2. To abolish six bus driver positions that became vacant during the 2004-2005 school year. Consideration of the reinstatement of any of the positions will be done on an as needed basis.

The motion to abolish positions recognizes recent resignations and retirements. Positions will be reinstated as needed. Students are looking forward to a benefit basketball game between North and South on February 27th. South's swim teams are doing very well. Tsunami relief efforts continue at both high schools.

STRATEGIC PLANNING PRESENTATION

Dr. Cosse presented the Strategic Plan to the board. He reviewed the core values, strategies, strategic objectives and delimiters of the plan, which is a result of two years of work with about 150 people involved in its development. Several members of the core team, action teams, and measurement team spoke about the process and vision of the plan. The Strategic Plan allows us to envision an even stronger and more dynamic future for the students of West Windsor and Plainsboro townships.

The Board of Education accepted the Strategic Plan. Mr. Marathe thanked Jon Cosse, the facilitators, and the members of the district and community who worked together to write a strategic plan.

The WW-P Strategic Plan presents a new mission statement for the district: "The mission of the West Windsor-Plainsboro Regional School District, valuing our tradition of excellence, is to develop all of our students as passionate, confident, life-long learners who have competence and strength of character to realize their aspirations and thoughtfully contribute to a diverse and changing world." In addition, the Strategic Plan details the district's core values: " We believe that continuous learning is essential for individual fulfillment and for the advancement of society. We believe that every individual has intrinsic worth. We believe that embracing diversity enriches and empowers our community. We believe that honesty, integrity, and trust are cornerstones for continuing excellence. We believe that people reach their highest potential when challenged to believe it is possible. We believe that openness to change is essential to progress and future viability

Selected from over 10,000 entries sent in by students in grades 4-8 from all over the country, Michael will have his poem, "Honor of My Ancestors," featured on a centerfold poster that will be included in the April 2005 edition of *Instructor*. In addition, the issue will feature an article on poetry, for which Michael's Grade 5 teacher, Lois Huber, was interviewed. Ms. Huber discussed the writing process, the importance of poetry, and how this is all part of the strong language program in the district.
- Twenty-three Grades 4-5 students were selected for publication in A Celebration of Young Poets, a poetry anthology.
- In celebration of Youth Art Month, the district is having a special exhibition featuring artwork by students in Grades 1-12 on display at the Plainsboro Public Library and the West Windsor Public Library and the Plainsboro Municipal Building through March 31, 2005.

COMMITTEE REPORTS

Administration and Facilities Committee

Linda Geevers updated the board on the Administration & Facilities Committee’s work including refining a list of facility concerns.

Curriculum Committee

Henry Wieck updated the board on the recent work of the Curriculum Committee, including exceptionality, high school schedule timelines, the evaluation of district programs, and the local professional development plan; the committee recommends the approval of a March 22, 2005 agenda item on the Grade 7 novel.

Finance Committee

Steve Smith updated the board on the work of the Finance Committee, including the agenda items relating to budget approval, SGLAs and use of banked cap.

FINANCE

Larry Shanok gave a presentation on the 2005-06 Budget. The Superintendent discussed Special Services efforts related to the budget. Mr. Wieck noted that with the recent Plainsboro reassessment process, the traditional tax rate comparison percentage was not meaningful; he asked that percentage comparisons of the Plainsboro figures be deleted and the administration agreed.

Upon motion by Mr. Katz, seconded by Mr. Smith, and by the unanimous roll call vote of all members present, the following resolution passed:

1. To approve preliminary budget for the 2005-2006 school year for submission to the County Superintendent of Schools for Department of Education review as follows:

Be it resolved by the West Windsor-Plainsboro Board of Education, to adopt the budget for the 2005-2006 school year as follows:

	Total	Local Tax Levy
General Fund Operations	\$ 122,915,433	\$ 111,079,946
Deposit to Capital Reserve	483,939	-
Special Revenue Fund	1,673,838	-
Debt Service	11,170,567	11,110,896
Total	\$ 136,243,777	\$ 122,190,842

To utilize 2005-2006 Statutory Spending Growth Limitation Adjustments (SGLAs) as follows:

Type of SGLA	Eligible Amount	Requested Amount
Change in Enrollment	\$ 190,856	\$ 190,856
Capital Outlay	\$ 268,708	\$ 268,708
Pupil Transportation	\$ 190,077	\$ 190,077
Special Education	\$ 363,922	\$ 363,922

To request the Department of Education’s approval to utilize “BANKED CAP” in accordance with *N.J.A.C. 6A:23-8.9(b)*. In order to maintain stable class size, meet contractual obligations, cover nondiscretionary expenses and continue to offer the quality educational experience for which West Windsor-Plainsboro Schools are known, it is proposed that \$1,056,439 of the available \$1,056,439 of our unused spending authority be included in the base budget. Due to the nature of these costs, they cannot be partially or fully deferred to future years.

The school district has proposed programs and services in addition to the Core Curriculum Content Standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district.

The following wording will appear on the ballot as the general budget question:

Resolved, that there should be raised for General Funds \$111,079,946 for the ensuing school year 2005-2006.

PRESENTATION : Middle School MathCounts State Winners

Victoria Kniewel welcomed the students and parents of our middle school MathCounts teams. Last month, our students competed in the state competition, and the results were spectacular.

Following completion of the competition, the team rankings were announced: the Community Middle School Team won first place overall and the Grover Middle School Team placed third.

In addition, by virtue of his first place individual win, Daesun Yim, a student at Community Middle School, earned a position on the four-person New Jersey State Team. He and three other students from across the state will participate at the national competition.

And, the coach of the first- place team is designated as the New Jersey State Team coach, and I am proud to announce that our own Dr. Alyce Doehner will be the coach of the State Team. Dr. Doehner currently serves as a mathematics teacher at Community middle school and the coach of Community Middle School and Grover Middle School teams.

It is a tribute to the hard work of our students, staff, coaches, and parents that our teams are successful. What is even more important, though, is that students and staff dedicate themselves to trying for these regional, state, and national honors – to push themselves to be the best.

Barbara Braverman, Grades 4-8 Mathematics Supervisor, introduced the team coach, Alyce Doehner who then introduced the students:

Mr. Stan Katz	Mr. Randall Tucker	Mr. Liyou Yang

Present also were: Dr. Robert Loretan, Superintendent of Schools; Dr. Jon Cosse, Assistant Superintendent for Pupil Personnel Services; Mr. Larry Shanok, Assistant Superintendent for Finance and Support Services; Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; and Mrs. Alicia Boyko, Director of Human Resources.

SUPERINTENDENT'S COMMENTS

Dr. Loretan congratulated the Community Middle School Science Olympiad team for taking First Place in the National Competition.

At the 22nd National MathCounts Competition in Michigan, Math Counts Team New Jersey ranked 8 out of 57 teams and was one of only two teams to correctly answer nine of ten difficult team questions. On this team of four students was Daesun Yim, a Grade 7 student from CMS. The coach of the team was Dr. Alyce Z. Doehner, a math teacher at GMS. The exciting final round of this competition will be nationally televised as an hour-long program on ESPN2 at noon on Friday, June 3, 2005, and on June 7, 2005.

MIDDLE SCHOOL STUDY COMMITTEE PRESENTATION

Dr. Kniewel presented the Middle School Study Report to the board. She reviewed the charge to the committee as well as the recommendations and accompanying action plans. This report represents a year-long effort by the committee who reviewed the current program, held focus groups, prepared and administered surveys, interviewed students, faculty, staff and parents, and visited other exemplary middle schools. The recommendations incorporated the Essential Elements prepared by the Committee and integrated the areas of concern from the data gathered. This gave the committee members a clear picture of where the middle schools are, where we want the middle schools to be, and the gap that needs to be filled to have them met. The report was well received by the members of the board.

PUBLIC COMMENT

Members of the public commented on the Middle School Study report and the facilities committee's recommendation to update our older buildings.

LIAISON REPORTS

Education Foundation

Mrs. Bocarsly noted that the Education Foundation has just completed its spring mini grant cycle and awarded \$9,731 in mini grants.

NEW BUSINESS

Discussion of Potential Facilities Referendum

Dr. Loretan began the discussion by asking the board for direction and parameters to work within to structure a possible facilities referendum in either December 2005 or January 2006. The general consensus is that the timing for a referendum is right, and since it might be structured so as to not affect taxes, it appears to be a prudent thing to do. Of concern is the time frame and following the correct process. Dr. Loretan said that there is a lot of work to be done and we may need someone to help facilitate the effort. He will start by speaking with the principals. Further discussion will be held at the June board meeting.

PUBLIC COMMENT

A member of the public spoke in support of having a referendum.

Upon motion by Mrs. Walsh, seconded by Mr. Johnson, and by unanimous voice vote, the meeting adjourned at 10:30 p.m.

Larry Shanok, Board Secretary

Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

COMMITTEE REPORTS

Administration and Facilities Committee

Mrs. Walsh reported that at the last meeting held on June 9th, the committee received an update on the status of ongoing projects and discussed the possible referendum.

The agenda items were then reviewed in detail.

ADMINISTRATION

The board reviewed the proposed calendars for the 2006-2007, 2007-2008, and 2008-2009 school years. A concern about the lateness of the last day of school in the 2008-2009 school year was raised. The calendars will be voted on at the next meeting scheduled for June 28th.

The board continued discussion of a possible school referendum to be held in either December or January. Dave Fraytak delivered an in depth presentation of the findings of his team in connection with possible additions, renovations, upgrades, etc. to Maurice Hawk, Dutch Neck, Wicoff and Millstone River Schools. The recommendations were made based on input from the principals, the report of the facilities committee, and walk-throughs of the buildings to assess both the educational and physical needs of the buildings. Next week, the board will receive a presentation on the needs of both High School South and High School North.

School Calendars

2. To approve the 2006-2007 and 2007-2008 school calendars.

Presentation of the Administration & Facilities Committee on the Referendum

Mr. Tucker began the presentation by reviewing the process used by the Administration & Facilities Committee to evaluate the referendum “menu,” as well as factors used in prioritizing items to include in the referendum. Mr. Tucker reviewed the proposed projects in each school in detail. In order to keep the referendum around the \$25 million mark, certain items originally proposed for the referendum were deferred to the five year plan and a second question will be proposed to fund two turf fields, one at High School North and the other at High School South at a cost of \$2,300,000.

Public Comment

Members of the public commented on various aspects of the referendum, including the perception of “needs versus wants,” and inquiries regarding the various options for enclosing the pool at High School South.

For discussion purposes, Mrs. Walsh moved the following:

Referendum

1. To request the administration to proceed with preparations for a referendum.

Mr. Tucker seconded the motion.

Board Discussion

The board engaged in a lengthy and in-depth discussion of items to include in the proposed referendum. Architect, Dave Fraytak was available to answer questions from the board.

At 10:30, upon motion by Mr. Yang, seconded by Mr. Katz and by unanimous voice vote, the board agreed to continue the meeting for an additional hour.

Concerns were raised about not using the current theatre at High School South for teaching space, as well as worry over not having enough classrooms at that facility. Principal, Chuck Rudnick said that the lecture hall feel of the space would not be as conducive to the learning environment he wants to maintain and, therefore, would not be worth the cost to convert to classroom space.

Mr. Wieck moved that we investigate reducing the size of the gymnasium addition to construct additional classroom space and proposed the following amendment:

“To include a minimum of two additional classrooms within the financial boundaries of the existing HSS project list.”

Mr. Yang seconded the motion, and by roll call vote, with all board members present voting yes, the amendment was unanimously approved.

Vote on Amended Motion

With all board members present voting yes, the following board action was unanimously approved as amended:

The administration is to proceed with preparations for a referendum consisting of two questions. The first question involves approximately \$25.2 million of attached projects at High School South, Dutch Neck, Maurice Hawk and Wicoff schools but will be adjusted for the addition of at least two more classrooms at High School South within the high school’s financial parameters. Should the first question pass, a second question will also be presented for \$2.3 million for synthetic turf fields at both high schools.

Mr. Robert Johnson	Mr. Stephen Smith	Mr. Liyou Yang

Present also were: Dr. Jon Cosse, Assistant Superintendent for Pupil Personnel Services; Mr. Larry Shanok, Assistant Superintendent for Finance and Support Services; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TRENTON TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

SUPERINTENDENT'S COMMENTS

Dr. Loretan noted that both high schools had very successful graduation ceremonies. He also asked board president, Hemant Marathe, to speak to our recent successes in the New Jersey Science League and noted that the students and science faculty all deserve recognition for this achievement.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe noted that the West Windsor-Plainsboro Regional School District received two letters of recognition from the New Jersey Science League for Outstanding Achievement for the High School North Science League and the High School South Science League, and they are being honored as teams in the Top 10 from around the state. To have two schools in the State Top 10 gives credit to the teachers and science supervisors for their strong dedication to curriculum and instruction." The faculty advisors at High School North are Holly Crochetiere and James Looney. The faculty advisors at High School South are Karen Galley, Larry Swesey, and Meenakshi Bhattacharya.

UPDATE ON STRATEGIC PLANNING

Dr. Cosse said that things are progressing well with the strategic planning initiative and noted that the core team is all set to meet in the fall.

PUBLIC COMMENT

Members of the public commented on the negotiations situation with the WWPSA, transportation issues, and the school lunch program.

COMMITTEE REPORTS

Administration Committee

Mrs. Geever noted that its most recent meeting the administration committee discussed goals for this year, non-affiliated personnel benefits policy as well as a policy/regulation concerning excessive absences. The next meeting is scheduled for July 26th which will include a facility tour of four schools..

Curriculum Committee

Mr. Wieck reported that at the last curriculum committee held on July 9th, the committee listened to and discussed the proposal for reading /writing training during the coming school year.

Finance Committee

Mr. Smith noted that the committee has not met since the last board meeting, but has already discussed the regulation on the use of school facilities on the agenda for approval this evening. He noted that the committee is tracking closely the new law that sets a cap on school budgets, which certainly will have implications in future years. The next meeting is scheduled for July 20th.

ADMINISTRATION

Upon motion by Mrs. Geever, seconded by Mr. Johnson, and by roll call vote, with all board members present voting yes, the following board actions were unanimously approved:

Policies and Regulations

1. Second reading and approval of Policy 0155: Board Committees. (Copies will be available at the meeting.)
2. Approval of Regulation 7510: Use of School Facilities, as presented on June 22, 2004. (Copies will be available at the meeting.)

The board engaged in a first reading of the following policies and regulation:

3. First reading of the following three policies: Policy 1122: Benefits Covering Non-affiliated Employees (Category A); Policy 4420: Benefits Covering Non-affiliated Support Staff (Category B); and Policy 1121: Benefits Covering Non-affiliated Central Office Administrative Employees (Category C). (Copies will be available at the meeting.)
4. First reading for Regulation 5200.3: K-8 Absences from School. (Copies will be available at the meeting.)

The board discussed Regulation 5200.3: K-8 Absences from School. Although the high school has a strict attendance policy, the elementary school level does not, hence the concern to direct attention to establishing a regulation covering grades K-8. There are excessive absences reported at the elementary level due mostly to extended family vacations, which result in placing undue pressure on teachers to provide homework for students for sometimes up to a month. In many cases the students fall behind in their work and may have to be placed in remediation programs to catch up. Hopefully, by distributing this regulation in school publications and the district website, it will raise the consciousness of parents regarding the seriousness of excessive absenteeism.

Prepared by:

**MINUTES OF WORK/BUSINESS MEETING HELD
August 31, 2004**

The Work/Business Meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:30 p.m. in the media center of the Community Middle School. The following board members were present:

Ms. Patricia Bocarsly	Mr. Hemant Marathe
Ms. Linda Geever	Mr. Stephen Smith
Mr. Robert Johnson	Ms. Ellen Walsh
Mr. Stan Katz	Mr. Henry Wieck

Board member, Mr. Liyou Yang, was absent. Present also were: Dr. Robert Loretan, Superintendent of Schools; Dr. Jon Cosse, Assistant Superintendent for Pupil Personnel Services; Mr. Larry Shanok, Assistant Superintendent for Finance and Support Services, Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

Motion for Closed Session

Upon motion by Mr. Johnson, seconded by Mr. Smith, it was unanimously agreed by all present that the Board would hold a closed session to discuss personnel and negotiations matters.

The Board returned to public session at 7:44p.m. in the commons.

SUPERINTENDENT'S COMMENTS

Dr. Loretan noted several retirements and resignations of staff members and thanked them for their many years of service to the district. He also noted that the reason High School North was not rated in the recent issue of *New Jersey Monthly Magazine* was more than likely due to misinformation regarding Bloustein scholars. Since High School South had 31 and High School North had 29, they would probably have been very closely ranked.

PRESIDENT'S COMMENTS

Mr. Marathe welcomed Victoria Kniewel as the district's new Assistant Superintendent for Curriculum and Instruction.

UPDATE ON STRATEGIC PLANNING

Dr. Cosse updated the board on the progress of the Strategic Planning initiative. He noted that the action team will meet on September 22nd to gather information to present to the core team on October 4th and 5th. The staff will receive an update on September 7th.

Mr. Marathe noted the need for the board to hold a closed session at the conclusion of this meeting to discuss negotiations and personnel matters.

PUBLIC COMMENT

Members of the public commented on a concern with regard to students who attend our schools, but are not residents as well as the new K-8 attendance regulation.

COMMITTEE REPORTS

Administration and Facilities Committee

Mrs. Geevers noted that the committee has been working on and has made some changes to the elementary attendance policy. In addition, during the summer months the committee was busy touring all district schools and will present findings to the board in September or October.

Curriculum Committee

Mr. Wieck reported that the curriculum committee met last night. Among the items discussed were the Reading Recovery program, summer professional development initiatives, the middle school program, schedule, and GEPA scores, adoption of a new Biology textbook, and the new teacher orientation scheduled for this week.

Finance Committee

Mr. Smith noted that the finance committee met on July 20th and August 17th and engaged in a budget process discussion as well as discussions concerning recent legislation that could affect how we use our funding as well as having budget implications. The committee will closely monitor and keep the board updated on developments.

Special Education-Change in Program Title

4. To approve the change in program title of the LARKS program from Cognitively Impaired Program to Multiple Disabilities Program to describe the program more accurately for the Special Education Code for Multiple Disabilities.

For purposes of discussion, Mr. Johnson moved to approve item #1 regarding the second reading of Regulation 5200.3, K-8 Absences from School. Mrs. Geevers seconded the motion.

Dr. Cosse reviewed the origin of the attendance/absenteeism policy, noting the negative impact that extended vacations/absences from school have on the educational process. This regulation will alert parents to the seriousness of the situation and, hopefully, curb lengthy vacations. Minor wording changes were made before the vote was taken.

By roll call vote, with all board members present voting yes, the following board action was unanimously approved:

Ms. Linda Geevers	Mr. Hemant Marathe	Mr. Henry Wieck
Mr. Robert Johnson	Ms. Ellen Walsh	Mr. Liyou Yang

Present also were: Dr. Robert Loretan, Superintendent of Schools; Dr. Jon Cosse, Assistant Superintendent for Pupil Personnel Services; Mr. Larry Shanok, Assistant Superintendent for Finance and Support Services; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

SUPERINTENDENT'S COMMENTS

Dr. Loretan noted that the district schools continue to function as opening day recedes and the school year is into full swing. We are still fine tuning certain areas and working on transportation issues, but things are improving every day.

PRESIDENT'S COMMENTS

Mr. Marathe announced the membership for the upcoming negotiations with the teachers' union. They are: Mr. Stan Katz, chair; Mrs. Linda Geevers, Mr. Robert Johnson, and Mr. Henry Wieck.

UPDATE ON STRATEGIC PLANNING

Dr. Cosse reviewed the strategic planning process. He noted that the Action and Measurement Teams have finished their work, which has been sent to the Core Team for its upcoming meetings on October 4 and 5. Dr. Cosse will be studying ways to continue the district's commitment to strategic planning and to stay focused on the goals.

COMMITTEE REPORTS

Administration and Facilities Committee

Mrs. Geevers noted that the committee last met on September 20th. Among the items discussed were the report on the summer tours of school facilities, a strategic planning policy, and the complaint

policy revision, now in the hands of Dave Carroll for review. The next policy to review will be the policy on overnight field trips.

Curriculum Committee

Mr. Wieck reported that the curriculum committee met on September 20th. Among the items discussed were overnight field trips, Middle School Study Proposal, class size questions, the TV Station Manager job description, and topics for the upcoming board retreat.

Finance Committee

Mr. Smith noted that at the finance committee meeting last week among the items discussed were the impact of the new law on budget transfers, the ongoing status of the annual audit, and the donation from High School South's Baseball Booster Club. The committee also had data from Rick Cave on the savings to date due to the district's new telephone system: savings are on target.

EDUCATION

1. Middle School Study Proposal Discussion

The proposal to study the middle school: a committee, composed of the Assistant Superintendent of Curriculum and Instruction (facilitator); two supervisor/administrator representatives; five middle school faculty members; a representative from WWPEA; liaison from the Board of Education; two middle school students; and a parent of middle school student(s), will create a data-driven school improvement model to examine the current middle school program.

Dr. Loretan said that he feels the proposal follows along the lines of what the board intended, which was to take a look at the program, then look at how to schedule effectively. He noted that the time line, running from September to January, gives the committee adequate time to analyze the issues and develop an action plan to address all areas of concern.

Before voting on items two and three, Mr. Katz proposed a wording change to item #2, to which the board agreed.

Upon motion by Mrs. Bocarsly, seconded by Mrs. Walsh, and by roll call vote with all board members present voting yes, the following board actions were unanimously approved:

ADMINISTRATION

Upon motion by Mrs. Geevers, seconded by Mrs. Walsh, and by roll call vote with all board members present voting yes, the following board action was unanimously approved:

1. The Uniform State Memorandum of Agreement Resolutions between Education and Middlesex County Law Enforcement Officials and between the West Windsor-Plainsboro Regional School District Board of Education and Mercer County Law Enforcement Officials.

Whereas, the Uniform State Memorandum of Agreement between Education and Law Enforcement Officials was established in 1988 by the State Board of Education and codified in *N.J.A.C. 6.29-10.1*; and

Whereas *N.J.A.C. 6.29-10-1* establishes statewide policies and procedures for ensuring cooperation between education officials and law enforcement agencies; and

Whereas, those policies and procedures are consistent with, and complementary to, the State Memorandum of Agreement approved by the Department of Law and Public Safety and the Department of Education (revised in 1992); and

Whereas, this agreement addresses the state's evolving drug and alcohol problems and the problem of firearms and other weapons brought on to school property; now, therefore be it

Resolved, that the Uniform State Memorandum of Agreement between West Windsor-Plainsboro Regional School District and the Plainsboro Township Police Department be approved; and be it further

Resolved, that The Uniform State Memorandum of Agreement between West Windsor-Plainsboro Regional School District and the West Windsor Township Police Department be approved.

The board then engaged in a discussion of item # 2, Strategic Planning Policy, up for a first reading this evening. Mr. Katz feels that a policy for strategic planning is unnecessary until or unless we decide if this is a one time event or an ongoing plan. After further discussion it was decided that the proposed policy will be set aside at least until after the Core team meets on October 4th and 5th.

LIAISON REPORTS

PTSA

Mrs. Geevers noted that the superintendent met with the various PTSA's to update them on the various issues surrounding the opening of school, transportation, the K-8 attendance policy, emergency closing process, and the 2005-2006 budget development process.

Mr. Johnson requested that when school closings due to inclement weather extend the school year parents should be reminded of this well in advance so they don't plan vacations or start summer activities for their children until school is actually closed.

Dr. Cosse announced that code orange drills are scheduled for district schools as follows: October 19, High School North and Community Middle School; October 20, Grover Middle School, Village School and Dutch Neck School; October 21, High School South and Maurice Hawk; and October 22, Wicoff School and Town Center School. Notification will go out to parents within the next few days.

PUBLIC COMMENT

A member of the public commented on what he perceived as overcrowding in district schools.

Upon motion by Mrs. Wieck, seconded by Mrs. Geevers, and by unanimous voice vote, the meeting adjourned at 9:13 p.m.

Ms. Patricia Bocarsly	Mr. Hemant Marathe
Ms. Linda Geevers	Mr. Stephen Smith
Mr. Robert Johnson	Mr. Henry Wieck
Mr. Stan Katz	Ms. Ellen Walsh

Board member Liyou Yang was absent. Present also were: Dr. Robert Loretan, Superintendent of Schools; Dr. Jon Cosse, Assistant Superintendent for Pupil Personnel Services; Mr. Larry Shanok, Assistant Superintendent for Finance and Support Services; Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

MUSIC PRESENTATION

High School North's a capella group, "Out of the Blue," along with their director, Mary Jacobson, spoke to the board about a project they are involved in to raise money for breast cancer research. Their performance for the board was the "kick-off" event for the Concert for Hope, which will feature the High School North Concert Choir, High School South Concert Choir, High School South Orchestra, Cherry Hill East Singers, and Cherry Hill East Orchestra at the Kimmel Center in Philadelphia on May 26, 2005. The Concert for Hope will raise funds for the City of Hope National Medical Center.

SUPERINTENDENT'S COMMENTS

Dr. Loretan noted the in-service programs on October 11, 2004. He asked Dr. Kniewel to speak about the teacher events of the day to the board. Dr. Kniewel said that the professional development day was very successful and was full of meaningful learning opportunities for staff. The focused time was spent on curricular initiatives: differentiated instruction for grades K-3/4-5 and the Literacy Institute for grades 6-8. At the high school level, the departments focused on specific trainings, such as Right to Know for science teachers, as well as aligning assessments across departments and district. There also was an opportunity for specific professional development for specialized departments, including a guidance program featuring a panel of experts and a psychiatrist from Harvard University specializing in the School Consultation Process.

UPDATE ON STRATEGIC PLANNING

Jon Cosse stated that the three Strategic Planning teams have completed their work. He is finalizing the draft plan, which will be submitted to the board shortly. At that time, a publication will be sent to staff and community members with strategic planning information. The core team will make a presentation to the board in December.

PRESENTATIONS

Audit Report for 2003-2004

Mr. Scott Clelland of Ernst & Young, LLP delivered an overview of the annual audit report to the board. The audit covers the activities of the Board of Education, the financial transactions of the Board Secretary/Business Administrator, and the Treasurer of School Monies, and the records of the various funds under the auspices of the Board of Education. Mr. Clelland reviewed the findings, along with recommendations for improvement. Mr. Clelland noted that this year's report was a clean opinion, tremendous improvements have been made, and that there were no material findings or federal areas of noncompliance, all of which reflect well on the district.

Mr. Smith noted that the audit went very well from the perspective of the Finance Committee. Mr. Smith repeated his annual question of whether any improprieties had come to Mr. Clelland's attention through the audit process. Mr. Clelland repeated the answer given during the Finance Committee discussion: "none."

Mrs. Bocarsly arrived at 8:00 p.m.

Annual District Testing Report

Upon motion by Mr. Johnson, seconded by Mr. Yang, and by unanimous voice vote, the Minutes of Business Meeting dated September 28, 2004, and the Minutes of Closed Session dated September 28, 2004 were approved.

LIAISON REPORTS

Plainsboro Township Committee

Mr. Wieck urged both the district and Plainsboro Township to continue discussions regarding the traffic issues in the vicinity of our schools in Plainsboro.

Education Foundation

Mrs. Bocarsly noted that the foundation has had its best year yet in raising money. She also said that they are looking for volunteers to help bring in local businesses to the Strategic Planning process.

NEW BUSINESS

Mrs. Walsh is encouraging the board to be involved with the repeal of S1701 and will look at some sample petitions so one can be drawn up and placed on the agenda for voting at the next meeting.

The board discussed security issues in the schools on Election Day. Dr. Loretan noted that he spoke to the mayors and police about safety issues and a plan is in place for that day.

PUBLIC COMMENT

WWPEA president, Mrs. DiColo, commented that teachers are involved in safety in the schools on Election Day and that we feel safe. She also noted appreciation of the American Education Week resolution, and alerted the board that major legislation regarding NCLB standards is coming.

Upon motion by Mr. Katz, seconded by Mr. Johnson, and by unanimous voice vote, the meeting adjourned at 9:39 p.m.

**MINUTES OF WORK MEETING HELD
November 16, 2004**

The Work Meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:35 p.m. in the Community Middle School commons. The following board members were present:

Ms. Patricia Bocarsly	Mr. Stan Katz	Ms. Ellen Walsh
Ms. Linda Geevers	Mr. Hemant Marathe	Mr. Henry Wieck
Mr. Robert Johnson	Mr. Stephen Smith	Mr. Liyou Yang

Present also were: Dr. Robert Loretan, Superintendent of Schools; Dr. Jon Cosse, Assistant Superintendent for Pupil Personnel Services; Mr. Larry Shanok, Assistant Superintendent for Finance and Support Services; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

SUPERINTENDENT'S COMMENTS

Dr. Loretan noted that the district is in the midst of celebrating American Education Week. He acknowledged and thanked everyone in our district for all they do for our children. The superintendent also thanked the West Windsor-Plainsboro Education Association, the NJEA, and the Board for their work in opposition to legislation S-1701.

PRESIDENT'S COMMENTS

Mr. Marathe acknowledged the recent celebration of the holidays of Deepavali and Ramadan. He also noted that the district recently received awards for its Calendar/Handbook and the Welcome to Kindergarten packet and thanked Public Information Officer, Gerri Hutner, who was instrumental in developing these sources of information for our district.

STUDENT REPRESENTATIVES COMMENTS

Megan Castellano from High School North and Kavita Vinekar from High School South updated the board on events and programs taking place in their respective schools. Both high schools are having successful sports seasons. High School North's fall drama, "Much Ado About Nothing" was performed successfully last weekend and South's production of a modern day "Romeo and Juliet" will be held this coming weekend. Many club activities are centering on community service as both schools recently had successful blood drives.

Mr. Marathe noted the need to hold a closed session at the conclusion of this meeting in order to discuss negotiations.

PUBLIC COMMENT

Various residents spoke regarding a proposal that had been sent to the board by the Booster Club of High School North stating that the club would raise funds to install lights on the football field at no cost to the district. Board members and residents engaged in a dialogue regarding this issue. Concerns regarding equity between the two high schools, gaps in the cost proposal, and the fact that the proposal did not come to the board in the usual manner were raised. Other questions raised were, who will pay for the electricity to run the lights and other increased operating costs, does the BOE, administration and athletic department want to have night games, and are night games more advantageous than day games? The President pledged to work with the citizens.

COMMITTEE REPORTS

Administration and Facilities Committee

Mrs. Geever reported that at the meeting on November 8th, the committee completed the final preparations for the board retreat, discussed the overnight field trip policy and looked at ways of improving the educational value of the senior class trip.

Walker Gordon Farms Easement

7. Whereas, the West Windsor-Plainsboro Regional Board of Education has been a party to an oral grant of easement agreement with Baker Residential, L.L.P. since 1996, under which the Board was granted a construction and maintenance easement for a sewer line over and through lands known as the Walker Gordon Farms; and

Whereas, the West Windsor-Plainsboro Regional Board of Education and the Baker Residential, L.L.P., intend to memorialize said easement by executing a written grant of easement agreement dated October 14, 2004; and

Whereas, the Board is empowered pursuant to *N.J.S.A. 18A:20-2* to finalize said easement for continued school uses and purposes; and

Whereas, the Board has determined that its continued use of said easement for school district purposes is reasonable and necessary; now, therefore be it

Resolved, that the West Windsor-Plainsboro Regional Board of Education hereby directs and authorizes the Board Secretary to immediately execute a written grant of easement with Baker Residential, L.L.P.; and be it further

Resolved, that the President and Board Secretary of the West Windsor-Plainsboro Regional Board of Education are hereby requested and authorized to execute such additional documents and instruments as may be necessary and appropriate to complete this transaction.

Budget Cap Law (S1701/A99)

8. Whereas, pursuant to Article 8, Section 4, Paragraph 1 of the New Jersey Constitution, the provision of a thorough and efficient system of education is the responsibility of the state Legislature; and

Whereas, school expenditures are primarily driven by state and federal mandates and “fixed costs”; and

Whereas, local property taxes are the major source of revenue for public education in New Jersey; and

Whereas, the state has failed to fully fund its school aid statutes for three consecutive years, increasing the burden on local property taxpayers; and

Whereas, S-1701 (Ch. 73, P.L. 2004), signed into law on July 1, 2004, alters school district financial practices and, in fact, could result in property tax increases; and

Whereas, S-1701 may force local school districts to adopt imprudent practices and will diminish communities' discretion over the financial operations of their schools; and

Whereas, S-1701 will force school districts to reduce free balance (surplus) in 2004-2005 and 2005-06, resulting in temporary property tax decreases that will not be sustainable and which will result in property tax increases in 2006-2007; and

Whereas, this reduction of surplus to perilously low levels could force districts to cut education programs and could increase costs by possibly contributing to the lowering of bond ratings; and

Whereas, S-1701 will require school districts to decrease their capital reserve accounts, forcing them to defer necessary maintenance and repairs, to cut education programs, or to borrow funds; and

Whereas, S-1701 reduces the spending growth limit, or cap, on school district operating budgets, infringing on school districts' ability in the future to meet the state's Core Curriculum Content Standards; and

Whereas, S-1701 imposes unnecessary administrative spending limits on New Jersey school districts, limiting local discretion over the staffing necessary to meet the state and local education goals and penalizing school districts that may be saving taxpayer money in other areas; and

Whereas, S-1701 will require school districts to obtain the Commissioner of Education's approval before transferring funds between budgetary line items, impeding their ability to make optimal use of funds and moving a simple budgeting decision from the community into state bureaucratic channels; and

Whereas, S-1701 reduces the Spending Growth Limitation Adjustment (SGLA) for hazardous busing services, making it increasingly difficult for school districts to provide a service designed to ensure student safety; and

Whereas, S-1701 eliminates the SGLA for early childhood program aid and demonstrably effective program aid, further limiting local school boards' ability to provide necessary education programs and services; and

Whereas, S-1701 restricts the submission of second ballot finance questions at the Annual School Election, thereby infringing on a community's ability to determine educational program expenditures for its children; now, therefore be it

APPROVAL OF MINUTES

Upon motion by Mr. Yang, seconded by Mr. Wieck, and by unanimous voice vote, the Minutes of Board Retreat dated November 10, 2004, the Minutes of Work Meeting dated November 16, 2004, the Minutes of Closed Session dated November 16, 2004, the Minutes of Business Meeting dated November 23, 2004, and the Minutes of Board Retreat dated November 30, 2004 were approved.

NEW BUSINESS

The board engaged in a lengthy discussion involving the issue of the donation of field lights for High School North from the booster club.

Mr. Wieck motioned to place on the next agenda an item to discuss the High School North Booster Club's proposal to purchase and install lights at High School North, with possible action by the board. For purposes of discussion, Mrs. Bocarsly seconded the motion.

Suggestions of how to proceed included the possibility of appointing a steering committee to work with the booster club. Additionally, it was pointed out that this issue impacts equity between the two high schools, and extra costs over and above the donation and installation costs that may be incurred by the district. This is a time-consuming issue which is taking away time from other issues. There are legal questions as well as the philosophical question, "does the board and district want Friday night football?" In general, the board felt that this issue is worthy of discussion in respect to the people who crafted it.

The motion was revised to read: "To place on the agenda an item to discuss the High School North Booster Club's proposal to purchase and install lights at High School North, with possible action to follow." A more concrete proposal will be provided for the agenda.

By roll call vote, with all board members present voting yes, the motion was unanimously approved.

PUBLIC COMMENT

Members of the public, as well as Mrs. Debbie DiColo, WWPEA president, commented on the proposed donation of field lights at High School North.

Upon motion by Mr. Johnson, seconded by Mrs. Bocarsly, and by unanimous voice vote, the meeting adjourned at 9:43 p.m.
