Larry Shanok, Board Secretary

Prepared by:

Elizabeth L. O'Hare

**MINUTES OF BOARD OF EDUCATION MEETING HELD
September 26, 2006**

The Agenda Meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:38 p.m. in the Community Middle School commons area. The following board members were present:

Mrs. Pat Bocarsly
Mr. Anthony Fleres
Ms. Anjani Gharpure
Mr. Robert Johnson

Mr. Stan Katz
Mr. Hemant Marathe
Mr. Randall Tucker
Mrs. Ellen Walsh

Board member, Richard Kaye was absent. Present also were: Dr. Robert Loretan, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; Dr. Thomas Smith, Assistant Superintendent for Pupil Services/Planning; and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe congratulated High School North on being named a Blue Ribbon School. He also noted that everyone is looking forward to the North South football game scheduled for Friday, September 29th.

LEGISLATIVE REVIEW

Russ Schumacher, Special Assistant for Labor Relations, presented an update on state legislation. There is considerable discussion at the state level about ways to reduce the impact of property taxes on New Jersey residents. While WW-P is efficient in its delivery of instruction (we offer a full program of studies that allows students to succeed), elected officials are under "fire" to deliver a proposal to reduce taxes, which could incorporate the imposition of a "hard" cap. To this end, the superintendent asked all budget managers to be cognizant of the issues surrounding us as we begin to prepare the 2007-2008 school district budget. Mr. Schumacher reported that the Legislature created four committees to study spending, including a committee on public school funding reform. This committee may consider proposals to provide state support based on student needs rather than geographic location; eliminate disincentives to the regionalization of school districts; control school district spending, particularly administrative spending; and improve the effectiveness of the current law limiting increases in school district spending.

PUBLIC COMMENT

Mrs. Debbie Baer introduced herself to the board as the new WWPEA president and said she is looking forward to working with them this year.

PRESENTATION

Comprehensive Annual Financial Report for 2005-2006

Mr. Scott Clelland of Wiss & Company, LLP, delivered an overview of the annual audit report to the board. The audit covers the activities of the Board of Education, the financial transactions of the Board Secretary/Business Administrator, and the Treasurer of School Monies, the activities of the Board of Education, and the records of the various funds under the auspices of the Board of Education. Mr. Clelland stated that this year's report was an unqualified clean opinion, and that there were no material findings or federal areas of noncompliance, all of which reflect well on the district. In addition, he noted that the district is in good financial condition and the audit report shows that the district manages money well.

Finance Committee members had asked their questions in committee and had no further questions. There were no other questions to Mr. Clelland.

PUBLIC COMMENT

Board president, Hemant Marathe, thanked Carolyn Eversole for her thirteen years of service to the district and wished her well in her new endeavor.

District bus driver, Frances Saikey, read a statement of concern regarding what the drivers perceive as subtle changes in practices by the transportation department, which result in dwindling number of runs for drivers, making it financially impossible for them to remain in the district.

SPECIAL PUBLIC HEARING ON THE 2005-2006 ANNUAL DISTRICT REPORT OF VIOLENCE AND VANDALISM

In accordance with the State's Sunshine Law, adequate notice of this Special Meeting was provided by sending a notice of the time, date, location, and, to the extent known, the agenda of this meeting, to the *Princeton Packet*, *The Times*, *The Home News Tribune*, and West Windsor and Plainsboro Public Libraries. 1. To review the "2005-2006 Annual District Report of Violence and Vandalism" to be submitted on November 1, 2006, to the New Jersey Department of Education.

Mr. Tom Smith presented the Annual District Report of Violence and Vandalism for 2005-2006 to the board. He reviewed the number of incidents, costs incurred, actions taken, and offender and victim information. Additionally, he noted district activities planned to recognize School Violence and Vandalism Awareness Week, proactive programs for student safety, student support programs, and what the administration is currently focusing on, which includes the student behavior code, possible expansion to the athlete code of conduct and alternatives to suspension. Dr. Loretan noted that a very clear and direct letter would be going home to parents regarding possible searches of buildings for drugs. The district administration is also working very closely with our police departments exploring various ways to alert students and parents and to educate them about the dangers of "my space" and other internet sources. The report was well received by the board.

Mr. Katz felt it should be noted that, since the REBEL - Non-Smoking Program is funded by a grant, it should not be assumed that the program would automatically continue should the grant be discontinued at some point in the future. It would then fall under budget deliberations regarding co-curricular clubs by the high school principals.

BOARD LIAISON REPORTS

Mr. Johnson noted that the West Windsor Planning Board has selected The Hillier Architects Group to design the West Windsor Transit Village project.

Refunding Bond Ordinance

7. Resolution determining the form and other details for an additional series of refunding school bonds of the West Windsor-Plainsboro Regional School District, New Jersey, providing for their sale and supplementing the resolution adopted September 13, 2005.

WHEREAS, the Board of Education of the West Windsor-Plainsboro Regional School District, New Jersey finally adopted a refunding bond ordinance (the "Refunding Bond Ordinance") on September 13, 2005, authorizing the issuance of not exceeding \$50,000,000 refunding bonds to provide for the refunding of all or a portion of the outstanding school bonds of the school district dated December 1, 1998 issued in the original principal amount of \$46,700,000 (the "1998 Bonds") and dated June 1, 2002, issued in the original principal amount of \$8,250,000 (the "2002 Bonds"); and

Whereas, the Local Finance Board approved the Refunding Bond Ordinance at the Local Finance Board meeting held September 14, 2005, and the Board of Education has requested an extension of the approval; and

Whereas, the Board of Education adopted a resolution (the "Sale Resolution") authorizing the issuance of not exceeding \$50,000,000 Refunding School Bonds in accordance with the Local Finance Board approval on September 13, 2005; and

Whereas, due to market conditions, the Board of Education was able to achieve the required 3 percent present value savings of the par amount of refunded obligations only by issuing a bank-qualified transaction and the Board of Education issued \$10,000,000 Refunding School Bonds on December 28, 2005, pursuant to the Refunding Bond Ordinance and Sale Resolution; and

Whereas, on January 24, 2006, the Board of Education supplemented the Sale Resolution to allow for an additional series of Refunding School Bonds to be issued pursuant to the Refunding Bond Ordinance and the Board of Education issued \$10,000,000 Refunding School Bonds on February 15, 2006; and

Whereas, the School District has the opportunity to issue additional Refunding School Bonds pursuant to the same authorization to achieve additional net present value savings of at least equal to 3 percent of the par amount of the refunded obligations by refunding the remaining outstanding portion of callable 1998 Bonds and the callable outstanding 2002 Bonds, and it is in the best interest of the School District to proceed quickly in order to take advantage of these current market conditions; now, therefore,

Be it resolved, by the Board of Education of the West Windsor-Plainsboro Regional School District, New (not less than two-thirds of all members thereof affirmatively concurring) as follows:

Section 1. The Board of Education (the "Board of Education") of the West Windsor-Plainsboro Regional School District, New Jersey (the "School District") hereby authorizes the sale of an additional series of bonds pursuant to the Refunding Bond Ordinance and the

Sale Resolution, as supplemented by resolution dated January 24, 2006, and as further supplemented by this resolution, to be designated "Refunding School Bonds, Series 2007."

Section 2. The Bonds are hereby authorized to be sold to RBC Capital Markets on behalf of itself and Wachovia Bank, N.A. (the "Underwriter") in accordance with a purchase contract to be entered into by and between the Underwriter and the School District (the "Purchase Contract"). The purchase price for the Bonds shall be as set forth in the Purchase Contract equal to the par amount of bonds issued, plus/less original issue premium/discount, less \$3.90 per thousand dollars of obligations issued, plus unpaid accrued interest from the dated date of the Bonds to, but not including the delivery date of the Bonds. The Board President, Business Administrator or Assistant Superintendent for Finance/Board Secretary is hereby authorized to enter into the Purchase Contract on behalf of the School District with the Underwriter in a form satisfactory to bond counsel for the School District ("Bond Counsel") for the sale of the Bonds to the Underwriter in accordance with the provisions of this resolution and otherwise in accordance with the approval of the refunding bond ordinance by the Local Finance Board. The signature of the Board President, Business Administrator or Assistant Superintendent for Finance/Board Secretary on the Purchase Contract shall be conclusively presumed to evidence any necessary approvals.

A legislative report was presented by Russ Schumacher, special assistant for Labor Relations. He noted that legislation, aimed at property tax reform, is moving very quickly through both houses. **MINUTES OF BOARD OF EDUCATION MEETING HELD
December 19, 2006**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 7:43 p.m. in the Community Middle School commons area. The following board members were present:

Mrs. Pat Bocarsly	Mr. Robert Johnson	Mr. Hemant Marathe
Mr. Anthony Fleres	Mr. Stan Katz	Mr. Randall Tucker
Ms. Anjani Gharpure	Mr. Richard Kaye	Mrs. Ellen Walsh

Present also were: Dr. Robert Loretan, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; Dr. Thomas Smith, Assistant Superintendent for Pupil Services/Planning; Mr. Russell Schumacher, Special Assistant for Labor Relations and Legislative Affairs, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe wished everyone a happy holiday season and asked vice president Robert Johnson to comment on the efforts of the Ad-Hoc Legislative Committee. Mr. Johnson reported that the committee has met both last week and tonight and has a great deal of concern about the legislation outlined by the state legislature. The legislation shown to date imperils local control, threatens the quality of education here in WWPRSD, and offers little likelihood of significantly benefiting taxpayers in the district. The specter of increased state control of the district inspires little confidence given the significant examples of the state's involvement in education: districts under state control have neither shown significantly improved instruction nor worthwhile cost reduction and control; the state involvement in construction has notably failed at providing quality services in a cost effective manner.

SUPERINTENDENT'S COMMENTS

Dr. Loretan commented on the danger to education embodied in the proposed legislation and suggested that those interested in public education communicate with our representatives.

PRESENTATION

Legislative Report

A legislative report was presented by Mr. Russ Schumacher, Special Assistant for Labor Relations, on the recent reports of the Joint Legislative Committees. Mr. Schumacher gave an update of the confusing number of bills and amendments under consideration in Trenton. He will continue to closely monitor proposed legislation coming forth of this ongoing process.

PUBLIC COMMENT

A resident commented that 140 teachers taking personal time paid for by the district on December 11th to demonstrate in Trenton was an inappropriate use of tax dollars for lobbying for higher taxes. He was disturbed by the joint letter from the Superintendent and WWPEA President on the subject since it provided no context for residents to make an informed judgment; without benchmark data it was a misuse of school resources.

COMMITTEE REPORTS

Curriculum Committee

Mrs. Bocarsly reported on the December 18 meeting of the committee. Among the topics covered were: that with committee agreement Community education will acquire software to pilot web based registration/payment for classes – adult courses will be tried first, to be followed by EDP; the “STARTALK” project; upcoming field trips; and planning for the upcoming Retreat. The committee is pleased with the measurable progress shown with the use of the ERB writing assessment.

Finance Committee

Mr. Johnson reported on the committee’s December 13 meeting which included: review of agenda items; discussion of pending legislation; budget progress to date; food service management contract revision process required by the state; Standard and Poor’s upgrade of the district’s debt to AAA; the successful pricing of the \$17.5 million refunding process which generated a net present value of 3.6% - well above the required 3.0% - and which will save more than \$50,000 annually for taxpayers; and discussion of the fact that in Transportation three large busses will age out in June- also, that West Windsor development plans may mean an eventual end of using their location for district transportation purposes.

Administration and Facilities Committee

Mrs. Walsh reported that the committee’s next meeting is January 2, 2007.

Normally, when a new business item is introduced at a meeting, it is not discussed until the next board meeting, however, Mr. Katz moved that the rule governing this be suspended and the item be discussed at this meeting. Mrs. Bocarsly seconded the motion, and by unanimous voice vote, the board approved the motion.

Whereas the West Windsor-Plainsboro Regional School District Board of Education has accepted with great regret the resignation of its current Superintendent, Dr. Robert L. Loretan, effective August 31, 2007, and

Whereas the Board acknowledges with deep gratitude Dr. Loretan's success in developing and recruiting a highly capable and gifted group of administrators within the district, and

Whereas, if a satisfactory internal candidate is found, the Board would avoid the substantial and necessary additional investment of time and resources required to recruit outside the district, it is hereby

Resolved, that the Board will initially accept applications for the position of Superintendent of Schools only from current district employees, and will place the application form on the district website by 5:00 p.m. on January 12, 2007, and will accept applications submitted by the deadline of February 1, 2007.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
February 13, 2007**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Marathe at 6:35 p.m. in room 501 of the Community Middle School. Upon motion by Mr. Fleres seconded by Mr. Johnson and by unanimous voice vote of all present, the meeting adjourned immediately into closed session to discuss personnel matters. The meeting reconvened to open session at 7:35 p.m. in the commons area. The following board members were present:

Mrs. Pat Bocarsly	Mr. Stan Katz	Mr. Richard Kaye
Mr. Anthony Fleres	Mr. Robert Johnson	Mr. Hemant Marathe
Ms. Anjani Gharpure	Mr. Randall Tucker	Mrs. Ellen Walsh

Present also were: Dr. Robert Loretan, Superintendent of Schools; Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; Dr. Thomas Smith, Assistant Superintendent for Pupil Services/Planning; Mrs. Alicia Boyko, Director of Human Resources; and Russell Schumacher, Special Assistant for Labor Relations.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

SUPERINTENDENT'S COMMENTS

Dr. Loretan noted the availability of Report Card data from the State of New Jersey. It will be looked at carefully. At the Superintendent's request Dr. Smith described recent incidents (threat and 911 calls) at some of the grade 6-12 schools. Attention is being given to working cooperatively with the authorities and communicating with parents. Dr. Smith noted the leadership shown by the Citizen Emergency Response Team. Mrs. Gharpure suggested use of the Student Council in regard to this issue. The Superintendent assured everyone that continued attention will be given to this disruptive area of concern.

BOARD PRESIDENT'S COMMENTS

Mr. Marathe noted the upcoming School Board election. All three incumbents indicated that they will run for re-election. The three are Mrs. Walsh, Mr. Johnson and Mr. Marathe.

PUBLIC COMMENT

Mrs. Baer commented on both the good job done within the district in regard to the described incidents and praised Dr. Loretan's contribution to the progress of the district's academic and cocurricular activities over the his years with the district.

STUDENT REPRESENTATIVES COMMENTS

Student representatives, Kate Joseph and Peter Maa, reported on a wide variety of events including a cooperative effort for the Shanghai Gala. Among the other programs were those for Black History Month and the school musicals. The discussion relating to the extension of the athletic contract to other areas was noted.

COMMITTEE REPORTS

Curriculum Committee

Mrs. Bocarsly related last week's meeting of the committee. This included discussion of science initiatives, including a spirited Physics First discussion; a mathematics honor society and Community education summer programs. The committee approves adoption of the agenda items.

Administration and Facilities Committee

Mrs. Walsh reported on the committee's February 5, 2007 meeting. Topics included the preferences for track/field alternatives as well as disappointment with the recent bid openings for High School South/Maurice Hawk projects. Hawk will be advertised again on its own. South will be the subject of value engineering efforts and a move to separate the additions and the renovations for the next round of bids. The value engineering will preserve functional areas but scale back auxiliary items such a size of lobby and entrances, less glass and steel utilization, and more cost effective choices for masonry and drainage. Support for the agenda was noted.

Finance Committee

Mr. Katz also indicated support for the agenda items. He noted that the district is the only school district in New Jersey to have an AAA rating from Standard & Poor's. Moody's also recently upgraded the district's rating. These had a favorable impact on the bidding for the \$17.5 million of referendum bonds – it saves taxpayer's money. The district is fiscally well managed

Included in the general fund budget is \$1,000,000 to be withdrawn from the board of education's approved Capital Reserve Account to supplement the approved January 2006 referendum for High School South projects.

The additional Capital Reserve funds may be needed in addition to the approved \$ 27.5 million for the capital projects because of market conditions.

The school district has proposed programs and services in addition to the core curriculum content standards adopted by the State Board of Education. Information on this budget and the programs and services it provides is available from your local school district.

The following wording will appear on the ballot as the general budget question:

Resolved, that there should be raised for General Funds \$121,446,431 for the ensuing fiscal year 2007-2008 school year.

Election and Budget Vote

Discussion of the Special Question on the Apportionment of Taxes

Mr. Marathe explained that with regard to tax apportionment, both townships have indicated their support for a change from equalized value to distribution by student population, effective in the 2009-2010 school year. Mr. Katz further described exactly how it works and what it means for both townships.

Upon motion by Mr. Katz, seconded by, Mr. Johnson, and by roll call vote with all board members present voting yes, the following board action was unanimously approved:

Tax Apportionment Question

1. Approve the following resolution:

RESOLUTION OF THE WEST WINDSOR-PLAINSBORO REGIONAL SCHOOL DISTRICT BOARD OF EDUCATION TO PLACE BEFORE THE VOTERS OF WEST WINDSOR AND PLAINSBORO TOWNSHIPS, AT THE ANNUAL SCHOOL ELECTION TO BE HELD ON APRIL 17, 2007, A PROPOSAL CHANGING THE METHOD OF APPORTIONING SCHOOL TAXES BETWEEN THE TWO MUNICIPALITIES

Whereas, Appropriations for all school taxes in the West Windsor-Plainsboro Regional School District ("the Regional District") are currently apportioned on the basis of each municipality's equalized valuation, as certified by the Director of the Division of Taxation; and

Whereas, The West Windsor-Plainsboro Regional School District Board of Education ("the Board") has the statutory authority to submit to the voters of each municipality a proposal to change the method of apportioning such taxes, pursuant to N.J.S.A. 18A:13-23 through 24, subject to the conditions and limitations contained therein; and

Whereas, Municipal officials from both West Windsor and Plainsboro Townships have requested that the Board place before the voters of each municipality a proposal to change the method of apportioning taxes to a per pupil basis instead of the current equalized valuation basis; and

Whereas, The Board is willing to place such question before the voters; and

Whereas, The placing of such a proposal before the voters is expressly authorized in this instance by N.J.S.A. 18A:13-23 and 18A:13-23.3(e);

NOW THEREFORE, BE IT RESOLVED by the Board of Education of the West Windsor-Plainsboro Regional School District Board of Education, as follows:

1. The following Special Proposal (the "Special Proposal ") shall be submitted to the legal voters of each municipality of the Regional District at the Annual School Election on April 17, 2007:

SPECIAL PROPOSAL

EFFECTIVE WITH THE 2009-2010 SCHOOL YEAR BUDGET AND CONTINUING IN EACH YEAR THEREAFTER, THE METHOD OF APPORTIONING ALL ANNUAL AND SPECIAL APPROPRIATIONS (INCLUDING AMOUNTS FOR THE PAYMENT OF INTEREST AND FOR DEBT REDEMPTION) FOR THE WEST WINDSOR-PLAINSBORO REGIONAL SCHOOL DISTRICT SHALL BE BASED UPON THE PROPORTIONAL NUMBER OF PUPILS ENROLLED IN EACH MUNICIPALITY ON THE 15TH DAY OF OCTOBER OF THE PREBUDGET YEAR.

Interpretive Statement

This proposal, if approved in each municipality, will change the method of apportioning all Regional School District taxes between the two municipalities which comprise the Regional District from an equalized valuation basis to a per pupil basis. The proposal will take effect with the imposition of taxes for the 2009-2010 school year.

2. The Board Secretary is hereby authorized and directed to deliver a certified copy of this resolution and such other information as shall be necessary to comply with applicable provisions of the Education Law and Election Law, to the County Superintendent of Schools, the County Clerk and the County Board of Elections in both Mercer and Middlesex Counties, and to request such persons to undertake their respective functions under the Education Law and the Election Law, as applicable, in connection with the placing of this Special Proposal on the ballot of the Annual School Election.
3. The Board Secretary, School Administration and such other officers, professionals and agents of the Board as are necessary, are each hereby authorized and directed to perform such acts, execute such documents and do such things as are necessary for the presentation of the Special Proposal to the legal voters of the two municipalities at the Annual Election.
4. This resolution shall take effect immediately.

Discussion of the 2007-2008 proposed budget:

1. The Board continued its 2007-2008 budget review. Mr. Shanok once again reviewed the various components of the budget, noting minor changes made as the process of fine tuning various areas continues to progress. There is a 4.3% in the total budget and a total tax levy increase of 3.2%. Mr. Shanok also noted that we have a more favorable per pupil cost than other comparable districts. The public hearing on the budget is scheduled for March 27th and the budget vote takes place on April 17th.

Discussion of Middle School Programs and the Budget

2. Dr. Kniewel opened the budget discussion as it pertains to our middle schools. Middle School principals, Art Downs and Steve Mayer, provided the board with information on the proposed staffing needs of both schools arising from the growing enrollment of Community Middle School. It is proposed that Grover shift the equivalent of 1.2 FTE to send to Community in order to improve the core class sizes there with reasonable impact to Grover's student population. Also, Community adds 0.8 FTE in the new budget. The administration will continue to monitor the situation closely.

Public Hearing

Announcement: Public Hearing on the 2007-2008 Proposed will be held at the meeting on Tuesday, March 27, 2007.

PUBLIC HEARING ON THE 2007-2008 BUDGET

The Board President called the Public Hearing to order. Mr. Shanok presented an overview of the 1007-2008 proposed budget to the board and the public. He highlighted the areas driving the increase in the budget. Major increases are in the areas of salaries and benefits. Enrollment growth has further increased salary and benefit costs in the budget.

The proposed 2007-2008 school district budget is \$147,155,853 million (before fund balance activities), an increase of \$6.1 million over the current year's budget, or a 4.3% increase. Mr. Shanok noted that due to increased use of fund balance, the increase in the tax levy is 3.2%.

The public should note the special question that would move apportionment of the tax levy to a per pupil basis. This move is supported by both townships. To change the method requires the affirmative vote of each town.

The school election and budget vote takes place on Tuesday, April 17, and the polls are open from 7:00 a.m. until 9:00 p.m.

PUBLIC COMMENTS ON THE BUDGET

There was no public comment forthcoming at this time.

BOARD PRESIDENT'S COMMENTS

Board president, Hemant Marathe, announced the appointment of Dr. Victoria Kniewel as the new superintendent of Schools. Dr. Kniewel will take over the duties as superintendent on September 1, 2007.

Board vice president, Robert Johnson, then described the process used for the superintendent search. It included meeting a dozen times and seeking wide in-put. The process identified three qualified internal candidates and had an excellent result.

STUDENT REPRESENTATIVES' COMMENTS

Hemant Marathe, president of the Board of Education, thanked Peter Maa of High School North, and Kate Joseph of High School South, for their service to the Board throughout the school year. Even as the school year draws to a close, a variety of activities are still going strong at both high schools. Seniors are looking forward to graduation on June 19th at the Sovereign Bank Arena.

PRESENTATION: Conceptual Discussion about School Calendars

Tom Smith led a discussion on ways to configure the school year calendar, from including "emergency closing days" to adding days on to the end of the year. Complications arise at the end of the school year when the high school graduation date has to be changed because of snow days used.

The Board will continue the conversation at its next meeting and consider a change to the 2007-2008 calendar.

WWPEA president, Debbie Baer, congratulated Dr. Kniewel on her appointment as superintendent. She also requested that the staff be allowed to have more input into the makeup of the school calendar. A resident of Village Grande addressed the topic of moving the budget election from April to the fall when other elections are held. Another West Windsor resident outlined ten issues that he would like the board to address, one of which is to video tape board meetings.

1. To approve the appointment of Victoria Kniewel, EdD, as Superintendent of Schools, from September 1, 2007 through June 30, 2011 as per contract. For the 2007-2008 school year, annual contracted salary is set at \$179,000. Compensation will be prorated.

Several board members offered comments on the process used in the search for a new superintendent. Mrs. Walsh said that she would be abstaining from the vote because she was unhappy with the process. Mr. Johnson noted that some viewed it as flawed insofar as some wanted the process to be more open. Mr. Katz said that he felt the process was not flawed. An internal search does not involve a search firm. Much of what appears "open" is educating the search firm. All members of the board, stressed that the comments were directed only at the process, not the candidate.

By roll call vote, with all board members present voting yes, except for Mrs. Walsh, who abstained, the appointment of Victoria Kniewel as Superintendent of Schools was approved.

FINANCE

Upon motion by Mr. Katz seconded by Mr. Johnson, and by roll call vote with all board members present voting yes, the following board actions were unanimously approved:

Business Services

1. Payment of bills as follows:
 - a) Bill List for May 8, 2007 (run on 5/04/2007) in the amount of \$4,360,074.64.
 - b) Capital Projects Bill List for May 8, 2007 (run on 5/04/2007) in the amount of \$115,547.46.

**MINUTES OF BOARD OF EDUCATION MEETING HELD
May 22, 2007**

The meeting of the West Windsor-Plainsboro Board of Education was called to order by Mr. Hemant Marathe at 6:08 p.m. in room 501 of the Community Middle School. Upon motion by Mr. Fleres, seconded by Mr. Tucker, and by unanimous voice vote of all present, the meeting adjourned immediately into closed session for litigation, negotiations and personnel. The meeting reconvened to open session at 7:27 p.m. in the commons area. The following board members were present:

Mrs. Pat Bocarsly
Mr. Anthony Fleres
Mr. Robert Johnson
Mr. Stan Katz

Mr. Hemant Marathe
Mr. Randall Tucker
Mrs. Ellen Walsh

Board members Anjani Gharpure and Richard Kaye were absent. Present also were: Mr. Larry Shanok, Assistant Superintendent for Finance/Board Secretary; Dr. Victoria Kniewel, Assistant Superintendent for Curriculum and Instruction; Dr. Thomas Smith, Assistant Superintendent for Pupil Services/Planning, Mr. Russell Schumacher, Special Assistant for Labor Relations and Legislative Affairs, and Mrs. Alicia Boyko, Director of Human Resources.

CONVENE

In accordance with the State's Sunshine Law, adequate notice of this meeting was provided by mailing a notice of the time, date, location and, to the extent known, the agenda of this meeting to the PRINCETON PACKET, THE TIMES, THE TRENTONIAN, THE HOME NEWS TRIBUNE, AND WEST WINDSOR and PLAINSBORO PUBLIC LIBRARIES. Copies of the notice have also been posted in the board office and filed with Plainsboro's and West Windsor's township clerks and in each of the district schools.

BOARD PRESIDENT'S COMMENTS

Board president, Hemant Marathe, congratulated Community Middle School for coming in first in the nation in the Science Olympiad. High School South also did extremely well in the competition, placing sixth.

STUDENT PRESENTATIONS – Reading and Writing

The board heard from several students, ranging from third to eighth grade, who shared stories and poetry they have written. Lois Huber, fifth grade teacher from Village School, explained that children learn the process of writing from techniques implemented as a result of the district's professional development for writing initiative. Teachers at the elementary and middle school levels are seeing such a positive impact on students' writing development as a result of this ongoing training.

ETHICS PRESENTATION: David Carroll

Board attorney, David Carroll presented the board with the annual update on changes and/or additions to the Ethics manual covering board of education members. He also reviewed the rules and the role of board of education members.

CONCEPTUAL DISCUSSION: Central Registration

Tom Smith presented a conceptual overview of central registration that the district would like to implement as of July 1, 2007.

Central registration is the grouping of registration services under one “roof,” which would assist families new to the West Windsor-Plainsboro Regional School District. Such a process offers a smooth transition for families and students moving into the district as central registration would allow parents/guardians to begin the registration process for all children at one time and in one location.

PUBLIC COMMENT

Several residents of both West Windsor and Plainsboro commented on the district’s policy covering the use of school facilities, specifically as it pertains to allowing teams from other towns into our buildings. They asked that the board allow the teams from the Colonial Valley Youth Basketball League to complete the season which ends in August.

Board Discussion on Use of School Facilities

Mr. Marathe and Dr. Smith began the discussion on use of school facilities, noting that we have been reviewing this policy for the past year. Dr. Smith said that there have been numerous requests for use by outside organizations in the past that were denied. Board members discussed various issues of concern – security, setting a precedent, consistency and fairness to other organizations, and the fact that we want our own residents to benefit the most from the use of facilities. Mr. Johnson stated that he wished to propose a resolution for a waiver to allow the use of facilities by the Colonial Valley Youth Basketball League.

Mrs. Walsh then moved to suspend the rules that would allow the resolution to be introduced now rather than at the new business section of the meeting. Mr. Katz seconded the motion, and by roll call vote with all board members present voting yes, the board approved the motion.

Mr. Johnson moved that the following resolution be approved by the board. Mr. Katz seconded the motion.

“Whereas, the Colonial Valley Youth Basketball League (CVYBL) has requested a limited waiver to the residency requirement of R 7510 (Parameters for Facility Use) for the remainder of this Spring season and for the Summer season 2007, in order to allow the CVYBL to host games involving two non-WWP teams in WWP gymnasiums (see note 1), and

Whereas, teams from West Windsor and/or Plainsboro (WWP) will constitute a minimum of 25% of all teams scheduled to in play in WWP gymnasiums on any given date (see note 2), and

Whereas, WWP residents will constitute a minimum of 25% of all CVYBL players scheduled to play in WWP gymnasiums on any given date, and

Whereas, WWP representation will constitute at least twice the largest representation of any other locality in the CVYBL, and

Whereas, use of the gyms by the CVYBL will not compete with or displace other uses considered to be priority by district policy, regulation, or practice, and

Whereas, use of the gyms by the league, unlike other uses of other instructional or performance space, or outside fields, will result in minimum wear and tear, and, other than the standard setup for athletic competitions, little or no preparation, setup, takedown, cleanup or other pre- and post-activity tasks, and

Whereas, hosting the CVYBL will increase participation by WWP students, and will greatly benefit WWP players and parents, and

Whereas, the West Windsor-Plainsboro Board of Education encourages the use of school facilities when such use will not interrupt or interfere with the programs of the school district; and

Whereas, if this waiver leads to an excessive or burdensome number of additional requests for the use of district gyms based on the criteria outlined above, then the Board will rescind this waiver,

Now, therefore, it is resolved by the West Windsor-Plainsboro Board of Education that a waiver is granted to allow the CVYBL to schedule and play league basketball games between teams that have no WWP resident players, so long as the characteristics of the CVYBL and the game schedule as described above are maintained.”

The board continued to discuss the proposed resolution and noted concerns about supervision and security which they felt should be addressed in the resolution.

Mr. Johnson moved to amend the resolution as follows. Mr. Katz seconded the motion.

Whereas, the CVYBL is fully aware of its responsibilities to ensure that adequate supervision of groups using the buildings and grounds will be provided at all times pursuant to R 7510, and understands that the West Windsor-Plainsboro School District administration can rescind this approval to use its facilities in the event of a failure to comply with this responsibility; and

Vote on Amendment

By roll call vote, with all board members present voting yes, the amendment was unanimously approved.

Vote on Resolution as Amended

By roll call vote, with board members Mr. Tucker, Mr. Fleres, Mr. Johnson, and Mr. Katz voting yes, and with Mrs. Walsh, Mrs. Bocarsly, and Mr. Marathe voting no, the following resolution was approved as amended.

Whereas, the Colonial Valley Youth Basketball League (CVYBL) has requested a limited waiver to the residency requirement of R 7510 (Parameters for Facility Use) for the remainder of this Spring season and for the Summer season 2007, in order to allow the CVYBL to host games involving two non-WWP teams in WWP gymnasiums (see note 1), and
